Lukas In Love:

A Love Song for the Sad Man in the White Coat Roe Horvat, 2017-12-15 Simon had always expected love to feel different than this Whether it was his Catholic upbringing or the poetry he'd read Simon had thought that true love would be uplifting fulfilling that it would give a meaning to his loitering and add joy to his leisure But not this kind of love This love was a flesh eating monster sharp clawed and evil eyed ravishing his mind with medieval cruelty Dr Simon Mr z is a respected specialist and lecturer at the Charles University in Prague He is a serious man responsible His students call him The Cruel Doctor Frost not because he's unkind but because of his unwavering ice cold composure As a psychiatrist he values sanity And sanity can be found in work restraint and self control Not many know of that one time in the past when The Cruel Doctor Frost lost his cool His ill advised secret affair with a student left Simon deeply wounded Since that day every minute of Simon's life has been a struggle to remain sane functioning He's managed so far as long as he is needed as long as his work makes a difference Simon can scrape together enough strength to get up in the morning and run off the nightmares But when his friends begin drifting away his beloved protégé becomes independent and the man who bereaved Simon of his precious sanity might return Simon's mind and body stop responding to his impressive willpower
