Kevin Rowe, 2012-02-14 Despite the striking frequency with which the Greek word *kyrios* Lord occurs in Luke's Gospel this study is the first comprehensive analysis of Luke's use of this word The analysis follows the use of *kyrios* in the Gospel from beginning to end in order to trace narratively the complex and deliberate development of Jesus' identity as Lord Detailed attention to Luke's narrative artistry and his use of Mark demonstrates that Luke has a nuanced and sophisticated christology centered on Jesus' identity as Lord     Moving Beyond Belief Rick Herrick, 2022-10-14 This book argues that a religion centered around biblical belief has not worked when it comes to living the teachings of Jesus For many Christians their religion has become an ideology which doesn't touch their hearts The central argument of the book is that we must shift the focus of our religion away from biblical belief to a sense of the deep transforming love that comes from knowing God The book provides detailed instructions on how such a knowing takes place In making such a change Christians will finally come to a place where they can work with God to make the world a better place     Sermon Outlines for Busy Pastors: Volume 5 Rob Westbrook, 2017-04-11 Sermon Outlines for Busy Pastors Volume 5 gives the busy pastor a head start on sermon preparation With 52 complete sermon outlines pastors can save hundreds of

hours a year in sermon preparation with the base research and layout for a year's worth of sermons already in place. Here are some advantages: Sermon Outlines for Busy Pastors Volume 5 provides These are complete sermon outlines. Each sermon outline is much more than a basic three-point outline requiring a lot of time and research to flesh out. These outlines go much deeper with each main point completely developed with sub-points and more. Each sermon outline is rooted in God's Word and is expository with a wealth of detail great for spurring your own thoughts and allowing you to take the sermon in another direction as you feel led. Every sermon outline is solidly based in the Bible and conservative theology. Sermon illustrations include enough detail to suggest your own personal or applicable illustrations. 3 complete sermon series providing a map for the next several Sundays saving many hours of advance planning and preparation.

**Moving Forward by Looking Back** Craig Steiner, 2009-08-30 How many times have you poured your heart and soul into something for your youth ministry only to have it fall flat leaving not much more than a fond memory in the minds of students let alone amazing life change in their hearts. You're not alone. Far too often we build plans and programs and then stop to ask God to bless them. We all want a transformational student ministry but we need to remember that God has to be the one doing the transformations in the lives of our students. Based on the principles found in the book of Acts Moving Forward by Looking Back will help you look back at how God transformed lives through the early church and look forward at how those principles can be applied to your youth ministry today. As you reflect on the book of Acts you'll explore how your youth ministry can implement the principles of Adoration engaging students with God. Community engaging students with God's people. Truth engaging students with God's Word. Service engaging students with God's world. With practical ideas that are easy to apply in any ministry context whether you're a rookie or a veteran a professional or a volunteer youth worker this book is an invaluable resource for any youth ministry that wants to see its students transformed by God.

**Revisiting John Grisham** Mary Beth Pringle, 2007-05-30 John Grisham is one of the most prolific and beloved mystery writers today still reaching the top of the bestseller lists with books like The Testament 1999 and King of Torts 2003. In recent times he has also experimented with different genres such as A Painted House 2001 a semi-autobiographical work and Skipping Christmas 2001 a holiday narrative. This volume follows up the critical analysis of Grisham's work in John Grisham A Critical Companion examining his writing from 1997 to the present.

**Quest for the Kingdom** John M. Newman, 2011 A fascinating analysis that blends world history Western religion and Eastern mysticism. Quest for the Kingdom by Dr. John M. Newman examines the kingdom of God as the historical Jesus describes it. The book's premise holds that Jesus' teachings include specific instructions for the quest to find and live in God's kingdom before death. This powerful work favors fact and readers can revel in Jesus' authentic teachings that describe the quest both as internal

spiritual cultivation and the way to live in the world It is rare for a book on Christian theology to break new ground but Newman does this on two fronts the striking parallel of Jesus teachings with the ancient mysticism of yoga and the equally fascinating parallel between Jesus healing techniques and the practices of modern psychotherapists like Freud Newman is meticulous in drawing these original and unique parallels and they lift this work s premise to a non generic level that speaks to several audiences an accomplishment that sets the work apart from the pack In twenty accessible and engaging chapters like The Kingdom of God The War of the Houses The Kingdom Is Like a Woman Spiritual Cultivation and The Exorcisms and Healings of Jesus the reader watches Jesus at work healing and offering his parables at a communal meal In addition to elucidating the path to the kingdom that Jesus shared with his followers Newman explains and illustrates the voice print of Jesus his sage rhetorical strategies and distinctive discourse Newman brings Jesus parables to life with a penetrating analysis that enables the reader to experience Jesus mastery of metaphor and management of the unconscious trajectory of thought in the minds of his listeners A commanding new breakthrough in the understanding of the teachings and works of Jesus this book is a must read for academics and laypersons alike
