Lunar Returns:

Lunar Returns John Townley, 2003 Every month the Moon above comes back to where it was exactly when you were born Called the Lunar Return the chart cast for this instant tells the tale of the next 271 2 days to come It paints your emotional landscape day by day and reveals the tides that wash over your life as the Moon drives her daily course Once a primary tool of every professional astrologer this invaluable technique has often been neglected because of its demanding subtlety and complexity In this book long time astrological innovator John Townley has cut to the core of how and why to use the Lunar Return giving the student or professional astrologer the keys to the heart and the pulse of each and every month

Exercises in Aimed Solar Returns from the Blog of Ciro Discepolo (13) , Predictive Astrology Bernadette Brady, 1999-01-15 For serious astrologers this book is full of predictive techniques that really work including cycles transits returns progressions eclipses and the clearest explanation of the Saros cycles ever Describes luminary and planetary arcs and how to use transits to set up time maps Brady also interprets progressed planets waxing and waning orbs planets changing signs retrograde motion of transits and lunar phases and how they operate in predictive work Appendices Bibliography **Lunar Returns and Earth Returns** Ciro Discepolo, 2009 Probably this text is unique in its genre in the field of astrology anywhere in the world In fact for the first time a book is published concerning exclusively the usage of Lunar Returns and Earth Returns in support of Aimed Solar Returns and of Active Astrology Having published at least a dozen books on Solar Returns and Lunar Returns and having studied over twenty thousand aimed birthdays in a practice of almost forty years the Author is considered the foremost of experts in this specific field For the first time he takes a position concerning the question Astrology as a phenomenon of synchronicity or Astrology as a causality fact Hence he develops a possible general theory of his own on the functioning of Solar Returns Lunar Returns and Earth Returns The reader not only will find a comprehensive theory in support of the declared theses but above all many practical examples of daily usage of Lunar Returns and Earth Returns As for Earth Returns original tables allow you to try the described methods despite the lack of specific software programs Furthermore the Author proposes new paths of research concerning the practice of aimed Lunar and Solar Returns An absolutely essential book for those who love Predictive Astrology Active Astrology and the wonderful world of Solar Lunar and Earth Returns the latter being presented for the first time in its applicative possibilities
