

The background of the cover is a dark, textured collage of faces. A large, detailed eye is visible in the upper right corner, looking towards the viewer. Below it, the lower half of a face with dark, curly hair is visible. At the bottom, another face is partially shown, looking upwards. The overall effect is a layered, dreamlike composition.

Lunatics and Other Lovers Stan Hager,1979-01-01      *Lunatic Lovers of Language* Marina Yaguello,1991 Examines the creation of imaginary languages in history and fiction as an expression of the search for an original and primitive or universal language The author s other works include *Les Mots et les Femmes* 1978 and *Alice au pays du Language* 1981      *The Lunatic* Lauren Wantz,2018-12-17 Anglor is a Selenite a creature from the moon with a divine mission to rescue Earth against his will a reluctant supposed messiah But he has many different customs and ways he thinks that are different from earthlings so Earthlings write him off as insane Under the alias Michael Smith Anglor becomes an artist with a mission to kill history but it doesn t quite turn out the way he wants him being on an impossible mission from the stars to save a world he is not only not from but which he doesn t belong in being **The Lunatic**      **From Darkness to Light** Osho,2023-08-11 It is one of the trade secrets of all the religions to propose propaganda that humanity has to be saved It is a very strange idea but it is so old that nobody seems to look into the implications Nobody asks why you are worried about saving humanity And you have been saving humanity for thousands of years but nothing seems to be saved In the first place does humanity need any saving To answer this question all the religions have created an absolutely fictitious idea of the original fall because unless there is a fall the question of saving does not arise And the religious conception of the original fall is just rubbish      *The Lunatic Muse* Joe Rosenblatt,2007      The Lunatic Merciful person Yu Qingmu,2019-12-02 The Central Plains was built side by side with the Hundred Kingdoms The powers of each nation were about the same but after the fall of the only empire in the country the Empire of Chu and Tang they waged a full scale war for the throne The flames of war swirled around him as his spirit was burnt to ashes Good to evil reincarnation limitless willing to be a Qinglian one man do not be the world s worst The four images were all empty and they were all based on kindness      A Lunatic Fear Barbara Chepaitis,2004-06-01 Jaguar Addams is back Three prisoners are brought to Planetoid 3 with symptoms of exposure to chemicals that can come only from illegal moon mining but who s running the lunar mining game and where are they processing the Artemis byproducts Alex and Jaguar are caught in a hornet s nest of politics profits and psychoses as both are driven into a moon madness that cannot be denied      Sketches in London ... Carroll,2015-03-08 This book contends that in Love s Labour s Lost Shakespeare sought to discover the ways in which the imagination uses and abuses language The author s critical reading shows that the characters are endowed with a wide variety of rhetorical disguises Each assumes that his verbal and social point of view is correct and the limitations and virtues of each viewpoint are explored as the drama unfolds In an elegant examination of theme and style Professor Carroll heightens the reader s awareness of Shakespeare s marvellously inventive use of language The author analyzes the different kinds of style the characters attitudes toward language the play s theatrical modes the frequent metamorphoses and the debates The term debate justified by Shakespeare s use of the medieval conflictus relates to both theme and structure The author finds that the conflicting theories about the proper relation of language and imagination are resolved stylistically and thematically only in the final Debate between Spring and Winter where the playwright reasserts the nature and value of good art Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
