*Lunch with the Generals* Derek Hansen, 2014-06-01 Celebrating 10 years of Lunch with Derek Hansen a new edition of his bestselling first Lunch novel Ramon self styled master storyteller has steered his listeners down a sinister path littered with love and betrayal secret police and death squads But as the Argentinian s tale nears its startling conclusion his audience is struck with horror at the possibility that Ramon s clever invention is nothing more than the cunningly disguised chronicle of his own shadowy past Is Ramon a gifted artist of the imagination or the perpetrator of a terrible act of revenge that defies all forgiveness Hansen is a great novelist Only the bravest and most confident writer could grant his characters such intelligence and insight and still remain in command West Australian

**Lunch With A Soldier** Derek Hansen, 2014-06-01 My story is the story of my brother Billy Neil stared down at the table momentarily lost for words When they finally came his friends had to strain to hear him It is my family s darkest secret If the secret is to be revealed unfortunately I am the one obliged to do it Why Why you asked Lucio Because I took my brother s life Once again four friends gather to share lunch and their mutual passion for storytelling this time it is Neil s turn and this time the story will be distinctively Australian A bitter critic of his friends insistence on telling true stories Neil reluctantly challenges them with a true story of his own He protests that they left him no choice claiming that fiction can never compete with truth and that the baring of his shame is a consequence His shocking admission is the first of many shocks in a story that begins in the desperate red ridge country of north west New South Wales when a city woman rents a disused house in an isolated corner of Billy s vast grazing property She is beautiful worldly and out of place She is also on the run Both she and Billy have dark secrets which take readers into the country s toughest prisons the opal mines of the Grawin and war torn Vietnam It is a story in which truth is never constant and friendships are tested to the limit

**Lunch with Mussolini** Derek Hansen, 2014-06-01 Celebrating 10 years of Lunch with Derek Hansen a new edition of his bestselling second Lunch novel Spring 1945 the quiet of a northern Italian village is shattered by an explosion of gunfire as eight innocent women are gunned down Why have they been executed now with the war almost over and the Germans standing to gain nothing from further reprisals Fifty years later the daughter of one of the victims finds the German officer who ordered the executions living under an assumed name and sets out to avenge her mother s death It is no coincidence that two great novels linked with the Second World War have come out of Australia Keneally s *Schindler s Ark* and now Derek Hansen s *Lunch with Mussolini* Glasgow Herald as brilliant technically as it is profound thematically Canberra times

**Lunch with the Stationmaster** Derek Hansen, 2014-06-01 the bestselling author of *Sole Survivor* Lunch with the Generals and Lunch with Mussolini returns with a gripping new novel that crosses decades and continents Derek Hansen takes us back to Gancio 9291s restaurant It is a thursday and as usual Ramon Lucio Milos and Neil have gathered for their weekly lunch appointment It is Neil 9291s turn to take the floor except that Milos steps in and demands to tell his story He has no choice in the matter he says 9291this story has already been too long awaiting the telling

It is not just an obligation but a repayment of a debt 9291 With those words he hooks the three other men and Derek Hansen hooks his readers We are taken back to Hungary in the 1940s a time when Jews are persecuted and rumours of the terrifying death camps are already circulating this is a novel with huge range set within a real historical landscape populated by figures like Adolf Eichmann and the Russian and Hungarian secret police It is also the story of two brothers who vie for the affections of the same girl during a time of turmoil and separation a story which begins in Hungary and seeks its conclusion in Australia two boys who are forced to deal steal and kill to survive *The Fate of the Generals* Jonathan Horn,2025-04-15 One of the very best World War II books in many years A great read General David Petraeus US Army Ret former Director of the CIA Fans of Unbroken will love this book Doug Stanton In the tradition of Ghost Soldiers a riveting The Wall Street Journal World War II story of bravery survival and sacrifice the vow Douglas MacArthur made to return to the Philippines and the oath his fellow general Jonathan Mayhew Wainwright made to stay with his men there whatever the cost For the doomed stand American forces made in the Philippines at the start of World War II two generals received their country's highest military award the Medal of Honor One was the charismatic and controversial Douglas MacArthur whose orders forced him to leave his soldiers on the islands to starvation and surrender but whose vow to return echoed around the globe The other was the gritty Jonathan Mayhew Wainwright who became a hero to the troops whose fate he insisted on sharing even when it meant becoming the highest ranking American prisoner of the Japanese In *The Fate of the Generals* bestselling author Jonathan Horn brings together the story of two men who received the same medal but found honor on very different paths MacArthur's journey would require a daring escape with his wife and young child to Australia and then years of fighting over thousands of miles to make it back to the Philippines where he would fulfill his famous vow only to see the city he called home burn Wainwright's journey would take him from the Philippines to Taiwan and Manchuria as his captors tortured him in prisons and left him to wonder whether his countrymen would ever understand the choice he had made to surrender for the sake of his men A story of war made personal based on meticulous research into diaries and letters including boxes of previously unexplored papers *The Fate of the Generals* is a vivid account that raises timely questions about how we define honor and how we choose our heroes and is destined to become a classic of World War II history *Harper's Weekly* John Bonner,George William Curtis,Henry Mills Alden,Samuel Stillman Conant,Montgomery Schuyler,John Foord,Richard Harding Davis,Carl Schurz,Henry Loomis Nelson,John Kendrick Bangs,George Brinton McClellan Harvey,Norman Hapgood,1914
