**Committing Theatre** Alan Filewod,2011-09-26 *Religion in the History of the Medieval West* John Van Engen,2023-05-31 These ten essays by John Van Engen situate religion in the history of medieval Western Europe as an unavoidable presence in everyday life as a conceptual framework for social and political life as a force integral to its historical dynamics Four of the essays are bibliographical and retrospective in nature reviewing the field broadly but also pointing toward a more dialectical approach to understanding the interaction of religion and society in the European middle ages Other studies deal with large topics usually subsumed under the abstract term Christianization They grapple with learned sources as well as those associated with popular religion and show what can be gained from an imaginative use of all that lawyers and theologians said about religion in their society The essays finally look for the quality and dynamic of change even inventiveness released by religious action and conviction in medieval European society

**Harlequin in Hogtown** Neil Carson,1995-01-01 Toronto Workshop Productions was Toronto s first alternative theatre and for thirty years from 1959 until its closure in 1989 it introduced audiences to a radically new form of theatre Neil Carson s in depth history of TWP traces the fortunes of many of its actors writers designers and technicians but the troupe s colourful artistic director George Luscombe is its central character George Luscombe brought Toronto a new form of theatre based on the techniques and theories he developed during the four years he worked with Joan Littlewood s Theatre Workshop in London Toronto Workshop Productions began its activities in a

small theatre in the basement of a factory in 1959 with Luscombe as artistic director He presided over a program of collective play creation that fostered cooperative collaboration among all the contributing artists A series of original works and plays from the European repertoire in innovative productions won the company increasing critical acclaim The company acquired its own building in 1967 establishing its reputation as the most exciting theatre in the city By the early 1970s however a growing atmosphere of Canadian nationalism caused TWP to be overshadowed by a number of new alternative theatres Luscombe s and TWP s vision of an ideologically committed technically experimental theatre remained strong for a number of years but in the end a combination of internal and external problems overwhelmed the company TWP s productions provoked radically different responses among audiences and Luscombe s particular style of drama a combination of documentary stylized movement and music remains controversial As a pioneer and as a stimulating teacher however George Luscombe has provided inspiration for countless actors and directors Carson s book is an invaluable addition to the history of Canadian theatre
