## **Lush Valley:**

*Lush Valley* Patricia Campbell, 1948 *Lush Valley* alternatively tells the story of Katti growing up in Chimacum Valley Washington Territory and her rise from gifted church choir singer to notorious San Francisco entertainer Katrine Trenholme on trial for murdering her husband

*Sadika's Way* Hina Haq, 2004-05-01 The clock had started ticking for Sadika from the day she was born into her traditional Pakistani village family She must be married off to somebody while she is still a teenager or she will be considered a hopeless failure Carefully planned marriages are a long tradition in Pakistan as they are throughout the Middle East where women have little social status and fewer individual rights and much of their value is measured by how good a marriage can be arranged for them Sadika must be married off first because she is the eldest of three daughters It would be a disgrace an indelible stigma if a younger daughter was married first The enormous tension that accompanies this ancient ritual makes *Sadika's Way* at once a very funny and instructive work of fiction we watch as mothers vie with each other on their daughters behalf for the affections of the most eligible males We see them in their homes and listen to their conversations as they boast to each other about their daughters qualities real and imagined The infighting gets intense even downright nasty all fed by the desperation that grows quite naturally out of a system that literally holds the fate of women in its hands Sadika's coming of age and final journey to a new life involve culture clashes and family characters worthy of a modern Middle Eastern Jane Austen This is a social comedy with serious undertones and a rare novel of manners which spans the world in both time and space

**Murder and Politics in Colonial Ghana** Richard Rathbone, 1993-01-01 In 1943 ritual murder was committed in a large African kingdom in the south of Ghana then a colony of Great Britain Palace officials and close kin of a recently deceased king had reputedly killed one of his chiefs in order to smooth the king's passage into the afterlife This riveting study tells the story of the murder the trials and appeals of those

accused of the crime and the effect of the case on politics in Ghana and Great Britain In recounting this fascinating case the book also provides important insights into law and politics in the colonial Gold Coast the clash between traditional and modern values and the nature of African monarchy in the colonial period Drawing on newly available oral and written evidence from Ghana and Britain Richard Rathbone builds a detailed picture of the leading characters in the case as well as of the thirty year rule of Nana Ofori Atta the king He shows how the death of the king destroyed the economic social and moral fabric of the kingdom and how this destruction was further exacerbated by legal proceedings resulting from the murder The case set the indigenous royal family against the colonial government challenging the authority of each Close kinsmen of the accused hitherto in the vanguard of moderate nationalism were radicalized by their extended confrontation with the colonial justice system It was their political initiatives that accelerated the formation of the Gold Coast s first national political party in the late 1940s and which led in turn to the struggle for self government and to the achievement of Ghanaian independence in 1957

*The Vale of Unika* C. R. Bryan, 2015-06-04 The Vale of Unika continues the quest of Loki for the goddess Zair and power to control the strange and mysterious creatures who once performed in Bump s Circus After only thirty years of rejuvenation for the spirits of Nature who were displaced for more than a thousand years Mrs Bump knows she must allow the process to go forward The Trickster Loki seizes upon William Wimmur as his human escort Other powers contend through William Mrs Bump pleads Save the Vale and protect Zair William shows odd resilience and purposes of his own including a deep love for the fantastic beings and especially for Zair Thus begins the longer struggle of The Six Inversions of Purpose How does one defeat the Lord of Fate

**The Twelve Tablets** R.L. Kiser, 2012 An epic tale of an ancient goddess magic and warriors flawed human beings overcoming their greatest challenge and tremendous odds For a thousand years the deep desert a vast wasteland thousands of miles of shifting sands and blowing winds has kept a secret Ancient obelisks leading to the forgotten temple of the Goddess Narine are discovered The reading of the Twelve Tablets brings forth a mystical being but also releases a powerful evil and soon the rest of the world if those possessed by the evil can t be stopped He calls upon the Sheik of a deep desert clan his long time friend and his Crystal Warrior companions and their considerable magic along with the entity Lady Mist to cover the vast wasteland and the eastern desert to combat the powerful evil force An intriguing adventure to say the least Darian a young Crystal Warrior who explores the vastness of the deep desert and discovers an ancient temple Designated the Keeper of the Word he causes a mystical being to come forth while at the same time unwittingly setting free an ancient evil Dorian Darian s crystal warrior armorer father one of only five survivors from an excursion into the deep desert years before Now he returns with his son Lady Mist a beautiful being brought forth by the reading of the Twelve Tablets Hers is the task of bringing into balance the thousand year old evil set free by the reading of the Twelve Tablets Awiel of the Dance a sexy and talented Veil Dancer known as Tarina the Crystal Seeress in the north Her physical and magical abilities are exceptional Many others play pivotal roles in this epic tale of

ancient magic and adventure Don't miss this exciting tale of an ancient Goddess mystical evil and epic battles Reviews This is a good read It takes up where both the first and second books left off yeah both of them I like the time walking the mystical shadow warriors and Lady Mist and sergeants rule the army There's good comic relief with the comical snake Ith JD King The changing landscape of the story and of the desert war magic and a touch of sensuality I was all in W R Masters What I most enjoy about this story is the ability of the author to draw one into the minds of his characters even those who happen to be on the wrong side of the battle Additionally the banter is natural and entertaining the characters are complex and dynamic and the battles are epic and exciting On that note few authors are able to narrate a battle with such skill that they can keep me from skimming through them but R L Kiser is one of them Patricia Hamill on Goodreads R L Kiser has created a really epic trilogy with the Tales of the Crystal series and I have loved each one more than the other The Twelve Tablets is fast paced and it really forces your brain to try to keep up with all of the action while at the same time keeping you engaged in the characters For me this book is very character driven and I like that fact Each character is well fleshed out and you can picture them in your mind and understand why they choose to do the actions they do Lovers of fantasy are really going to enjoy this last installment of the series because it hits all the key points you like to see in well written fantasy work I am glad that I started reading this series and would highly recommend it Kathryn Bennett for Readers Favorite
