Wolf World Jo Ann Lordahl, 2005-08-01 In this second of the trilogy Christine drives with her new young lover Michael on a rainy night to dig a hole for her father's cremated remains Tomorrow at the peaceful cemetery she'll conduct memorial services for her alcoholic father Christine struggles with her art painting hack seascapes for a living while the real artist inside wants desperately to succeed Although an excellent artist she never feels good enough She's now making a fresh start in Florida after recent bad times in Louisiana including the newly divorced Angelo who won't leave her alone Determined to find the source of her self-defeating behavior and why her relationships always fail Christine suspects her alcoholic father is implicated When the Artists Gallery asks her to do a 20 year retrospective of her paintings Christine knows it's time to find answers She'll mine old memories and use current dreams As Christine emotionally separates from Angelo and her past Michael the too young lover intrigues exasperates and slowly melts her heart Almost mystically inevitably Christine's dreams unfold She integrates sexual artistic work selves and dreams herself whole Now with her father's perversity behind her and her own Christine is free to make new choices

Augustine J. H. S. Burleigh, 2020-08-03 These are Augustine's writings from the time of his conversion to Christianity in AD 386 until he became Bishop of Hippo in 395-396 Included are eight of the most important treatises from this period in which Augustine's Christian position was being formulated With each work is a brief introduction and Augustine's own review of the treatise Long recognized for the quality of its translations introductions explanatory notes and indexes the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history Through these works each written prior to the end of the sixteenth century contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries

Rethinking Augustine's Early Theology Carol Harrison, 2006-01-19 Carol Harrison challenges the almost universally accepted interpretation of the development of Augustine's theology In this book she proposes a new thesis arguing for a fundamental continuity in Augustine's belief and practice from the moment of his conversion and so enhances a major scholarly debate

Strength for the Broken Places James A. Harnish, 2010-10-01 James A. Harnish from the Introduction I'm broken So are you We're all broken people who live in a broken world The critical question is how do we find strength to put broken things back together again This book is an invitation to touch the scars that mark the broken places in our lives in the same way the risen Christ invited a doubting disciple to touch the nail scars in his hands It is a challenge to explore some of the dark places in our human experience to uncover the sinister power of sin and to experience the way the grace of God meets us in our broken places to bring new life

Yuille,2019-07-31 Much of evangelicalism has forsaken a Word based approach to Christian spirituality so to help us recover a model of biblical piety J Stephen Yuille examines Thomas Manton s sermons on Psalm 119 Following a brief account of Manton as a leading Puritan committed to the ministry of the Word Yuille leads us on a careful investigation of Manton s understanding of blessedness the instrumentality of God s Word and the practice of spiritual duties At the foundation stands the conviction that as we love and obey God s Word the blessed God communes with us by His Spirit conveying sweet influences on our soul through His Word Manton s spirituality of the Word is a timely remedy for the subjective mysticism that expects God to speak through inner urgings apart from His Word Let us learn from Manton how to listen to the Bible as if we heard God speaking to us from heaven rejoicing like those who find great spoil Ps 119 162 **Augustine's**

Manichaeen Dilemma, Volume 1 Jason David BeDuhn,2012-01-31 Augustine of Hippo is history s best known Christian convert The very concept of conversio owes its dissemination to Augustine s Confessions and yet as Jason BeDuhn notes conversion in Augustine is not the sudden dramatic and complete transformation of self we likely remember it to be Rather in the Confessions Augustine depicts conversion as a lifelong process a series of self discoveries and self departures The tale of Augustine is one of conversion apostasy and conversion again In this first volume of Augustine s Manichaeen Dilemma BeDuhn reconstructs Augustine s decade long adherence to Manichaeism apostasy from it and subsequent conversion to Nicene Christianity Based on his own testimony and contemporaneous sources from and about Manichaeism the book situates many features of Augustine s young adulthood within his commitment to the sect while pointing out ways he failed to understand or put into practice key parts of the Manichaeen system It explores Augustine s dissatisfaction with the practice oriented faith promoted by the Manichaeen leader Faustus and the circumstances of heightened intolerance anti Manichaeen legislation and pressures for social conformity surrounding his apostasy Seeking a historically circumscribed account of Augustine s subsequent conversion to Nicene Christianity BeDuhn challenges entrenched conceptions of conversion derived in part from Augustine s later idealized account of his own spiritual development He closely examines Augustine s evolving self presentation in the year before and following his baptism and argues that the new identity to which he committed himself bore few of the hallmarks of the orthodoxy with which he is historically identified Both a historical study of the specific case of Augustine and a theoretical reconsideration of the conditions under which conversion occurs this book explores the role religion has in providing the materials and tools through which self formation and reformation occurs *bd.*

The Bad Corset Rebecca Gibson,2024-10-03 Both a translation and critique of an early 20th century seminal French text on the physical effects of corseting The Bad Corset explores contemporary anti woman bias to challenge the commonly

accepted assertions about corsetry's contribution to disease, disfigurement and disorders of the female body. The original 1908 French book *Le Corset* by Ludovic O. Follonier with its graphic illustrations, some of which are reproduced here, tells a story familiar to anyone interested in popular culture and fashion history of women suffering for fashion, tormented by and subject to their corsets. However, a close reading of the texts tells a very different and more complicated story. This fascinating exploration, approaching the topic from a scientific perspective and reproducing facsimiles of the original text with translations and annotations, critiques the presumptions and anxieties of male medical professionals on the damage caused by corsets to the female body and psyche. Rather than seeing the women who wore these perceived instruments of torture as victims or dupes, *The Bad Corset* confidently asserts the agency of the women who wore them and highlights the way in which seminal texts can continue to influence our interpretation of the past and women's lives and histories. *The Bad Corset* is a remarkable resource for scholars and students of fashion, medicine and gender history, taking a feminist approach to female agency and choice and helping us reconsider the way we think about the shaping of women's bodies and their lives.

The bad Christian Franz Hunolt, 1887 **The Contradiction Mystery Has Been Solved** Brian Gibbons, 2021-09-09 For a long time now there has been a great debate in Christendom as to what is required of a person by God to obtain salvation from him. Is it totally of grace as some people say or does it require works as well? Since the Bible seems to talk about both works and grace concerning salvation and since according to Romans 11 that works and grace are the opposite of each other, it would appear that the Bible is contradicting itself. However, once you come to understand that there is a one true way to interpret the Holy Scriptures, which is one who lives in today's world, has never been seen before, then it opens up a whole new understanding as to what the Bible has to say concerning salvation and that there is no contradiction. And once you know what God truly requires of his people, you can then live your life by this greater, more accurate knowledge to have the salvation of everlasting life given to you someday. The Christian in Complete Armour William Gurnall, 1862 The Christian in complete armour; or a treatise on the Saints' war with the devil, etc William GURNALL, 1845
