The Lute Player Norah Lofts, 2001-07 Legend has long told the story of Blondel the Lute Player who found the lost soldier king Richard Coeur de Lion kidnapped on the way back from the great crusade to the Holy Land Blondel found his king by travelling for months across Europe singing the first part of a love song which Richard and he had composed together One day from behind castle walls the voice of Richard responded to the strain But why would a minstrel embark on such a risky pilgrimage to find his king Norah Lofts weaves a fascinating back story to the tale of the Lionheart who strode out of the courts of twelfth century Europe to lead his knights onto the Saracen battlefield inspired by a vision of the Holy Land The Lute Player tells of the courageous Richard and his ill fated union with Berengaria Princess of Navarre of his mother Eleanor of Aquitaine and her possessive love and above all it tells of Blondel whose life was woven in with all of them and who set out on his mission as an act of great love but not a love for the King
