*The Lynching of John Hanson* Scott Wright, 1986      **Lynching Beyond Dixie** Michael J. Pfeifer, 2013-03-16 In recent decades scholars have explored much of the history of mob violence in the American South especially in the years after Reconstruction However the lynching violence that occurred in American regions outside the South where hundreds of persons including Hispanics whites African Americans Native Americans and Asian Americans died at the hands of lynch mobs has received less attention This collection of essays by prominent and rising scholars fills this gap by illuminating the factors that distinguished lynching in the West the Midwest and the Mid Atlantic The volume adds to a more comprehensive history of American lynching and will be of interest to all readers interested in the history of violence across the varied regions of the United States Contributors are Jack S Blocker Jr Brent M S Campney William D Carrigan Sundiata Keita Cha Jua Dennis B Downey Larry R Gerlach Kimberley Mangun Helen McLure Michael J Pfeifer Christopher Waldrep Clive Webb and Dena Lynn Winslow

**When Cimarron Meant Wild** David L. Caffey, 2023-04-27 The Spanish word cimarron meaning wild or untamed refers to a region in the southern Rocky Mountains where control of timber gold coal and grazing lands long bred violent struggle After the U S occupation following the 1846 1848 war with Mexico this tract of nearly two million acres came to be known as the Maxwell Land Grant When Cimarron Meant Wild presents a new history of the collision that occurred over the region s resources between 1870 and 1900 Author David L Caffey describes the epic late nineteenth century range war in an account deeply informed by his historical perspective on social political and cultural issues that beset the American West to this day Cimarron country churned with the tensions of the Old West land disputes lawlessness violence and class war among miners a foreign corporation local elites Texas cattlemen and the haughty Santa Fe Ring of lawyerly speculators And present still were the indigenous Jicarilla Apache and Mouache Ute people dispossessed of their homeland by successive Spanish Mexican and American regimes A Mexican grant of uncertain size and bounds awarded to Carlos Beaubien and Guadalupe Miranda in 1841 and later acquired by Lucien Maxwell marked the beginning of a fight for control of the land and set off overlapping conflicts known as the Colfax County War the Maxwell Land Grant War and the Stonewall War Caffey draws on new research to paint a complex picture of these events and of those that followed the sale of the claim to investors in 1870 These clashes played out over the following thirty years involving the new English owners miners and prospectors livestock grazers and farmers and Native Americans Just how wild was the Cimarron country in the late 1800s And what were the consequences for the region and for those caught up in the conflict The answers pursued through this remarkable work enhance our understanding of cultural and economic struggle in the American West      *Report of the Attorney General of the State of Maine* Maine. Green,2025-02-25 Rediscover the Civil War through the voices that refused to be silenced Unforgettable Sacrifice offers a groundbreaking exploration into the heart of African American memory of the Civil War challenging conventional narratives and revealing a rich history preserved through oral traditions and communal efforts Through extensive archival research and stories shared on the porches of African American families Hilary Green provides a detailed examination of how diverse Black communities across the United States have actively preserved and contested the memory of the Civil War from the nineteenth century to the present By rejecting the reduction of their experiences to mere footnotes in history African Americans have established a vibrant commemorative culture that respects the complexity of their ancestors sacrifices and struggles From the rural landscapes of Black Pennsylvanians to the heart of emancipated communities in the South Green connects the narratives of those who not only fought on battlefields but also in the realms of memory and heritage ensuring their stories of resilience courage and patriotism are remembered Unforgettable Sacrifice brings to light the untold stories of ordinary African Americans who took extraordinary steps in remembrance and resistance By refusing to accept diluted narratives and lies they have ensured the legacy of the Civil War includes the end of slavery the valor of Black soldiers and civilians and the ongoing struggle for democracy and full citizenship This book is a testament to the enduring power of memory and the steadfast spirit of the African American community It is an indispensable addition to the libraries of scholars general readers and descendant communities alike offering new perspectives on the lasting impact of the Civil War on American identity and the persistent pursuit of justice and equality **Minnesota Literature Newsletter** ,1982 **Imaginary Penalties** Pat Carlen,2013-01-11 This book is concerned to explore the idea of imaginary penalties and to understand why the management of criminal justice and criminal justice systems has so often reached crisis point Its underlying theme is that when political strategies of punitive populism are combined with managerialist techniques of social auditing a new all encompassing form of governance has emerged powerless to deliver what it promises but with a momentum of its own and increasingly removed from proper democratic accountability A highly distinguished international group of contributors explores this set of themes in a variety of different contexts taken from the UK N America Europe and Australia It will be essential reading for anybody seeking to understand some of the root causes of increasing prison populations social harms such as recidivism and domestic violence and the increasingly important role of criminal justice within systems of governance *The Lake Street Review* ,1986

**The Centralia Tragedy of 1919** Tom Copeland,2011-07-01 On November 11 1919 the citizens of Centralia Washington gathered to watch former servicemen local Boy Scouts and other community groups march in the Armistice Day parade When the marchers swung past the meeting hall of the Industrial Workers of the World a group of veterans broke ranks charged the hall and were met by gunshots Before the day was over four of the marchers were dead and one of the Wobblies had been

lynched by the mob Through a wealth of newly available primary source material including previously sealed court documents FBI records released under the Freedom of Information Act and interviews with surviving witnesses Tom Copeland has pieced together the events of that day and has traced the fate of the men who were accused and convicted of murdering the marchers Copeland focuses on Elmer Smith the local attorney who advised the Wobblies that they had the right to defend their hall against an anticipated attack Although he never belonged to the IWW Smith sympathized with their interests championing the rights of working people and speaking on their behalf He was originally arrested with the Wobblies and then took up their cause in the courts beginning a life long struggle to free the men who were charged with murdering the Centralia marchers Copeland recounts Smith s disbarment and eventual reinstatement his run for political office his speeches throughout the Northwest and his unyielding support for the workers cause This book is a balanced treatment of the Centralia tragedy and its legal repercussions written by a practicing lawyer It is also a compelling human drama centering on the marginal life of an industrial frontier labor lawyer a study of radical politics of the 1920s and a depiction of conditions of life in the lumber camps and towns It is thus biography as well as legal political and social history
