Private Schools and Public Issues Irene Fox, 1985-06-18 The British Library General Catalogue of Printed Books 1976 to 1982 British Library, 1983 This Gulf of Fire Mark Molesky, 2016-10-18 Winner of the Phi Alpha Theta Best Subsequent Book Award A Los Angeles Times Book Prize Finalist The captivating and definitive account of the Great Lisbon Earthquake the most consequential natural disaster of modern times On All Saints Day 1755 tremors from an earthquake measuring approximately 9.0 or perhaps higher on the magnitude scale swept furiously toward Lisbon then one of the wealthiest cities in the world and the capital of a vast global empire Within minutes much of the city lay in ruins A half hour later a giant tsunami unleashed by the quake smashed into Portugal's coastline and barreled up the Tagus River carrying countless thousands out to sea To complete Lisbon's destruction a hellacious firestorm then engulfed the city's shattered remains killing thousands more and incinerating much of what the earthquake and tsunami had spared Drawing on a wealth of new sources the latest scientific research and a sophisticated grasp of European history Mark Molesky gives us the gripping authoritative account of the Great Lisbon Earthquake disaster and its impact on the Western world including descriptions of the world's first international relief effort the rise of a brutal yet modernizing dictatorship in Portugal and the effect of the catastrophe on the spirit and direction of the European Enlightenment

Britain and Joseph Chamberlain Michael Balfour, 2012-11-15 After all the endeavours that combined to make Britain the first great industrial nation that dominant position was then relinquished Joseph Chamberlain 1836-1914 the driven and self-made Birmingham businessman who shifted his energies formidably into politics might have appeared to be one leader well equipped to help Britain stay competitive in the global race for economic growth But as Michael Balfour suggests in this absorbing study Chamberlain's personality and temperament were not suited to the challenge Determined always to have his way animated by the business man's love of getting things done Chamberlain lacked the gift of persuasion and made enemies too well it being his unique achievement to split both major parties in the space of twenty years Had it been possible for one man to arrest Britain's slackening growth then that man Balfour contends was not the erstwhile Radical Joe

This is the story of Prince Philip Duke of

Edinburgh the longest serving consort to the longest reigning sovereign in British history It is an extraordinary story told with unique insight and authority by an author who knew the prince for more than forty years Philip elusive complex controversial challenging often humorous sometimes irascible is the man Elizabeth II once described as her constant strength and guide Who was he What was he really like What is the truth about those gaffes and the rumours of affairs This is the final portrait of an unexpected and often much misunderstood figure It is also the portrait of a remarkable marriage that endured for more than seventy years Philip and Elizabeth were both royal by birth both great great grandchildren of Queen Victoria but in temperament and upbringing they were two very different people The Queen's childhood was loving and secure the Duke's was turbulent his grandfather assassinated his father arrested his family exiled his parents separated when he was only ten Elizabeth and Philip met as cousins in the 1930s They married in 1947 aged twenty one and twenty six

Philip The Final Portrait tells the story of two contrasting lives assesses the Duke of Edinburgh's character and achievement and explores the nature of his relationships with his wife his children and their families and with the press and public and those at court who were suspicious of him in the early days This is a powerful revealing and ultimately moving account of a long life and a remarkable royal partnership **AB Bookman's Weekly** ,1992 **Churchill and Company** David Dilks,2012-12-18 Winston Churchill the great wartime leader and peacetime Prime Minister is one of the dominating figures of the 20th century In this stimulating and original book David Dilks the eminent historian of modern Britain and a leading Churchill scholar provides a fascinating source of new discoveries and insights He shows Churchill not only as a war leader and international statesman but also as a private person with a rich variety of interests enthusiasms friendships and rivalries Churchill's relations with other leading politicians and statesmen of the age both within Britain and internationally illuminate his handling of friends and enemies Sometimes these categories were not easily separated for a long while Churchill thought of Stalin as a friend or at least a comrade in arms and only with extreme reluctance did he come to look upon him ultimately as an enemy He regarded Roosevelt with admiration and gratitude yet the balance of evidence suggests that the President felt less warmly towards him especially after 1943 Dilks casts new and penetrating light on Churchill during World War II including his dramatic and troubled relationship with Charles de Gaulle where political problems were softened by Churchill's love of France The aftermath of World War II relations with Stalin the Soviet Union and the Cold War all dominated Churchill's subsequent career The last chapter draws attention to the influence of history on statesmen and others not least because no public man of the last century with the possible exception of de Gaulle has influenced on Churchill's scale or with his effectiveness the writing and the making of history Whether in or out of office Churchill's influence has been felt in all areas of British politics and national life David Dilks brings Churchill to life for all those interested modern British and international history whether student specialist or general reader *Twentieth-century Literary Criticism* Gale Research Company,2005 Excerpts from criticism of the works of novelists poets playwrights and other creative writers 1900 1960 *Lives of the Lord Chancellors: 1940-1970* R.
