**Household Politics** Magdalena Fahrni,2005-01-01 The reconstruction of Canadian society in the wake of the Second World War had an enormous impact on all aspects of public and private life For families in Montreal reconstruction plans included a stable home life hinged on social and economic security female suffrage welfare state measures and a reasonable cost of living In Household Politics Magda Fahrni examines postwar reconstruction from a variety of angles in order to fully convey its significance in the 1940s as differences of class gender language religion and region naturally produced differing

perspectives Reconstruction was not simply a matter of official policy Although the government set many of the parameters for public debate federal projects did not inspire a postwar consensus and families alternatively embraced negotiated or opposed government plans Through in depth research from a wide variety of sources Fahrni brings together family history social history and political history to look at a wide variety of Montreal families French speaking and English speaking Catholic Protestant and Jewish making Household Politics a particularly unique and erudite study **Ma vie comme rivière [enregistrement sonore] : récit autobiographique 1919-1942** Bissonnette, Danielle,Simonne Monet Chartrand,1984\*

**The Empire Within** Sean Mills,2010-03-26 In a brilliant history of a turbulent time and

place Mills pulls back the curtain on the decade s activists and intellectuals showing their engagement both with each other and with people from around the world He demonstrates how activists of different backgrounds and with different political aims drew on ideas of decolonization to rethink the meanings attached to the politics of sex race and class and to imagine themselves as part of a broad transnational movement of anti colonial and anti imperialist resistance The temporary unity forged around ideas of decolonization came undone in the 1970s however as many were forced to come to terms with the contradictions and ambiguities of applying ideas of decolonization in Quebec From linguistic debates to labour unions and from the political activities of citizens in the city s poorest neighbourhoods to its Caribbean intellectuals The Empire Within is a political tour of Montreal that reconsiders the meaning and legacy of the city s dissident traditions It is also a fascinating chapter in the history of postcolonial thought
