Maarten Van Severen Work:

Maarten Van Severen Geert Bekaert, 2000 This book is considered an intrinsic part of the Belgian furniture designer's oeuvre and offers a comprehensive overview of his many creations and inspirations through photomontage slideshows of images and an essay by Geert Bekaert. It shows how his ascetic tables, chairs, lamps, wardrobes and more designed for great simplicity and with modern materials are synonymous with the feeling of a contemporary life. Maarten Van Severen Chair Aldo Bakker, 2019-11-30 In 2015 The Maarten Van Severen Foundation and the Department of Design of KASK School of Arts Ghent decided to establish a chair with the aim of conveying the relevance and significance of Maarten Van Severen's work for today's designers. Every year a leading designer whose work has an affinity with the work of Maarten Van Severen will give a lecture and a masterclass. He or she will reflect on the common ground between their work and that of Maarten Van Severen and on the qualities of his work in light of the current design culture. The first edition was in the hands of Erwan Bouroullec. The second edition was done by Alfredo Haberli. In February/March 2018 Dutch designer Aldo Bakker gave a lecture and a masterclass with 14 students from 6 different schools. The result is a fascinating collection of cutlery which we proudly present as the third MVSC Cahier. The 6th of March at Miry Concert hall in Ghent. It contains a transcription of Aldo Bakker's lecture, an interview with Bakker and a visual overview of the masterclass that documents the students' progress.
