Machine Gun Madness:

Machine Gun Madness Jon Sharpe, 1989 Canyon O Grady matches wits with a host of adversaries from foreign agents to Southern malcontents as he seeks to protect Hiram Merchant Merchant's lovely daughter and his deadly new invention

Murder Madness Murray Leinster, 2010-10-01 Murder Madness Seven Secret Service men had completely disappeared Another had been found a screaming homicidal maniac whose fingers writhed like snakes So Bell of the secret Trade plunges into South America after The Master the mighty unknown octopus of power whose diabolical poison threatens a continent

Tommy Karen Blumenthal, 2015-06-30 John Taliaferro Thompson had a mission to develop a lightweight fast firing weapon that would help Americans win on the battlefield His Thompson submachine gun could deliver a hundred bullets in a matter of seconds but didn't find a market in the U S military Instead the Tommy gun became the weapon of choice for a generation of bootleggers and bank robbing outlaws and became a deadly American icon Following a bloody decade and eighty years before the mass shootings of our own time Congress moved to take this weapon off the streets igniting a national debate about gun control Critically acclaimed author Karen Blumenthal tells the fascinating story of this famous and deadly weapon of the lives it changed the debate it sparked and the unprecedented response it inspired **Collier's**, 1927

The Reader's Digest, 1926 *The Beastly Battles Of Old England* Nigel Cawthorne, 2011-10-06 Throughout history the English have been a warlike lot Often we fight among ourselves there have been a good few civil wars and when we were not slaughtering each other we practiced on our neighbours the Scots the Irish the French When that got too easy we set off around the world to find other people to fight This was usually done with a hubris that invited some ludicrous pratfall In *THE BEASTLY BATTLES OF OLD ENGLAND* Nigel Cawthorne takes us on a darkly humorous journey through some of our ill advised military actions From the war over a severed ear to a general seeking out his rival's mistresses to even the score it is a miscellany of insufferable arrogance reckless gallantry stunning stupidity massive misjudgements and general beastliness

One Chance Terroll Lewis, 2021-01-21 It'd be easy for me to go back to my old life but I know where that old life leads you You're either behind prison bars or six feet underground Terroll Lewis has lived a crazy life Growing up on Brixton's Myatt's Field estate he was surrounded by gang culture and like so many other young people he found it hard to resist the lifestyle By the time he was 15 he had already joined a gang been stabbed shot at and was selling drugs A chance to play professional football offered a way out but the lure of an easier life the promise of girls money and cars led him back to South London and the notorious OC or Organised Crime gang Violence and drug dealing were the norm in OC but Terroll has long since turned his back on this world though the association with OC endures through the ink on his skin These days Terroll's giving something back Block Workout a street gym he founded in his old neighbourhood gives young men an opportunity to follow a different road to the one he took during his adolescence helping them develop their minds as well as their bodies and the chance to live a better life *The Glorious Madness - Tales of the Irish and the Great War* Turtle Bunbury, 2014-10-17

From tragic generals to nuns on the run the extraordinary stories of the Irish on the frontlines of the First World War that you've never heard before Based on first hand accounts of the First World War *The Glorious Madness* is a collection of character portraits and stirring anecdotes that brings to life the hopes fears and ambitions that defined the generation of Irish men and women lost to the catastrophe of the first great modern war From the generals and field commanders through to the troopers and nurses on the front lines from the trenches of the Somme to the beaches of Gallipoli the Irish served at every turn in the Great War Popular historian Turtle Bunbury is renowned for uncovering important forgotten stories from our past Here he reveals many never before heard tales of the Irish heroes and heroines whose lives coincided with one of the most brutal conflicts our world has ever known including nuns artists sportsmen poets aristocrats nationalists nurses clergymen and film directors From the dramatic story of the nuns of Ypres and their escape to Ireland to found Kylemore Abbey to the multiple escapist who became the one legged nemesis of Michael Collins and the five tragic rugby loving pals from the same Dublin team massacred at Gallipoli the stories that Turtle Bunbury unearths about Irish men and women offer a new and timely perspective on Irish participation in the Great War An important book by turns poignant enlightening whimsical and darkly comic this is history as it should be free wheeling and finely tuned to the rhythms of the human heart

Reviews In *The Glorious Madness* Turtle continues the wonderful listening and yarn spinning he has honed in the *Vanishing Ireland* series applying it to veterans of the First World War The stories he recreates are poignant whimsical and bleakly funny bringing back into the light the lives of people who found themselves on the wrong side of history after the struggle for Irish independence This is my kind of micro history John Grenham *The Irish Times* A wonderful book packed with great individual stories and pictures which bring the Irish participation in the Great War vividly alive Sean Farrell *Irish Independent* Based on first hand accounts of the conflict this collection of character portraits and stirring anecdotes brings to life the hopes fears and ambitions that defined Ireland's lost generation Peter Costello *The Irish Catholic* Turtle Bunbury's book about the Great War is a great read a dramatic confection of remarkable stories about remarkable events and individuals slapped together with great dexterity and professionalism This is military history as entertainment on a scale we have not seen since well the First World War This is one book that can be judged by its cover Pdraig Yeates *Dublin Review of Books* The impressively versatile Turtle Bunbury is known for his sensitively written well observed *Vanishing Ireland* series of books and his appearance on RTE's *Genealogy Roadshow* He also toured this year as one of the lecturers in the *Great War Roadshow* headed by Myles Dungan Now also marking the centenary of the outbreak of the First World War Bunbury marches into what once would have been a no man's land for historians There is much to enjoy here Bunbury has an eye for irony and pathos and a fluid attractive writing style It's packed with personalities and stories of courage under fire amid truly unimaginable slaughter of mind boggling military incompetence and of individuals emotionally afflicted by reports of courage in another cause at home Emmanuel Kehoe *Sunday Business Post* [The First VCs](#) Mark Ryan, 2014-07-07 What would you

do if you were struck by an enemy bullet in wartime then realised you were still alive For most of us that would be the end of our fight If we were capable of thought while we tried to cope with the pain we d probably hope to be rushed to hospital so that someone could save our lives But a hundred years ago in the opening battle of the First World War at Mons two young men didn t react like that Lieutenant Maurice Dease and Private Sidney Godley born only weeks apart into sharply contrasting worlds shared the same defiance and steely streak Without a thought for themselves they went back into the action for more sustaining dreadful wounds in the process One man died the other lived pieced back together painstakingly by the Germans who had taken many casualties of their own while overrunning the British position Together and against the odds Dease and Godley became the first winners of the Victoria Cross in the First World War Here Mark Ryan uses contemporary documentation and images to tell their astounding fascinating stories putting the focus on two genuine and ordinary heroes of the Great War Readers' Guide to Periodical Literature Anna Lorraine Guthrie,1904 An author subject index to selected general interest periodicals of reference value in libraries *Only the Ravens Care* William A. Roberts,2024-10-14 Only the Ravens Care is the third book of poetry from author William Roberts Once again we experience his deep understanding of the human condition and the world around us Whether speaking of the horrors of war dissecting quieter and more personal traumas or simply admiring the myriad joys of love and life Roberts manages to capture the full range of our emotions *The Caleb Collection* Ted Dekker,Bill Bright,2014-07-29 Enjoy New York Times bestselling author Ted Dekker s Caleb stories as an e book collection Blessed Child The young orphaned boy was abandoned and raised in an Ethiopian monastery He has never seen outside its walls at least not the way most people see Now he must flee those walls or die A Man Called Blessed One man holds the key to locating the Ark of the Covenant but he s hidden deep in the desert and no one has seen him since he was a boy **Blessed Child** Ted Dekker,Bill Bright,2006-04-02 A famine relief expert a Canadian Red Cross nurse and an Ethiopian orphan experience the power of the Holy Spirit and ignite a spiritual revolution *The Saturday Evening Post* ,1919 **Georgie!
