Machines And Liberty 1789 1914:

A Portrait of Europe ,1972 *Motherland and Progress* József Sisa,2016-11-21 In the 19th century Hungary witnessed unprecedented social economic and cultural development The country became an equal partner within the Dual Monarchy when the Austro Hungarian Compromise of 1867 was concluded Architecture and all forms of design flourished as never before A distinctly Central European taste emerged in which the artistic presence of the German speaking lands was augmented by the influence of France and England As this process unfolded attempts were made to find a uniquely Hungarian form based on motifs borrowed from peasant art as well as real or fictitious historical antecedents *Motherland and Progress* the motto of 19th century Hungarian reformers reflected the programme embraced by the country in its drive to define its identity and shape its future

The Mood of Information Andrew McStay,2011-04-14 *The Mood of Information* explores advertising from the perspective of information flows rather than the more familiar approach of symbolic representation At the heart of this book is an aspiration to better understand contemporary and nascent forms of commercial solicitation predicated on the commodification of experience and subjectivity In assessing novel forms of advertising that involve tracking users web browsing activity over a period of time this book seeks to grasp and explicate key trends within the media and advertising industries along with the technocultural legal regulatory and political environment online behavioural advertising operates within Situated within contemporary scholarly debate and interest in recursive media that involves intensification of discourses of feedback personalization recommendation co production constructivism and the preempting of intent this book represents a departure from textual criticism of advertising to one based on exposition of networked means of inferring preferences desires and orientations that reflect ways of being or moods of information

A Social History of French Catholicism 1789-1914 Ralph Gibson,2025-06-02 First published in 1989 *A Social History of French Catholicism 1789 1914* is a clear survey of over a hundred years of Catholicism in French society It chronicles the religious experience of French men and women both clergy and laity in post revolutionary France The book begins with a look at Catholic life in the Old Regime and during the French Revolution and proceeds to topical chapters on the secular clergy the religious orders popular religion religious practice by region gender and age and the social classes The final chapter deals with the re Christianization of France in the latter part of the nineteenth century This volume will be of interest to students and researchers of history and religion
