Encounters at the Heart of the World Elizabeth A. Fenn, 2014-03-11 This Pulitzer Prize winning work pieces together the lost history of the Mandan Native Americans and their thriving society on the Upper Missouri River The Mandan people's bustling towns in present day North Dakota were at the center of the North American universe for centuries Yet their history has been nearly forgotten maintained in fragmentary documents and the journals of white visitors such as Lewis and Clark In this extraordinary book Elizabeth A Fenn pieces together those fragments along with important new discoveries in archaeology anthropology geology climatology epidemiology and nutritional science The result is a bold new perspective on early American history a new interpretation of the American past By 1500 more than twelve thousand Mandans were established on the northern Plains and their commercial prowess agricultural skills and reputation for hospitality became famous Recent archaeological discoveries show how they thrived and how they collapsed The damage wrought by imported diseases like smallpox and the havoc caused by the arrival of horses and steamboats were tragic for the Mandans yet as Fenn makes clear their sense of themselves as a people with distinctive traditions endured

Aristocratic Encounters Harry Liebersohn, 2001-02-05 Aristocratic Encounters first published in 1999 relates how an aristocratic discourse on American Indians took shape in the late eighteenth and early nineteenth centuries Titled and educated French and German visitors to North America mindful of the French Revolution developed a new belief in their affinity with the warrior elites of Indian societies whom they viewed as fellow aristocrats The book includes chapters on major figures such as Chateaubriand and de Tocqueville and on lesser often instructive travelers For European historians the book offers fresh evidence for the creation of a post Revolutionary aristocratic culture through overseas travel To the interdisciplinary audience of readers interested in colonial encounters it opens up a Romantic vision of aristocrats from two
