Military Lives:

Sales of Commercial Life Insurance in European Command, United States Army United States. Congress. House. Committee on Armed Services, 1955 **Military Review** ,1986 *Living Legends and Full Agency* G.L.A.

Harris, 2014-10-15 This research and policy book examines the role of women in the military and the overwhelming evidence to date that warranted repealing the combat exclusion policy It explores the following questions How can the success of women in the military serve as justification for its repeal What will be the potential impact of repealing the policy on the recruitment promotion and retention of women in the military How will repealing the combat exclusion policy change the ways in which military men relate to military women How can repealing the policy set women on the course toward full agency and representation as full citizens in American society at large Not only will this book help in filling the gaps of the existing literature of public administration and public policy about women in the military but it will provide the personal insights of women who have served under the combat exclusion policy *A ^AMore Perfect Military* Diane H. Mazur, 2010-11-17 Since the 1970s there has been a growing divide between civilians and the United States military and the size of the gap is now wide enough that many observers are legitimately alarmed Diane Mazur a former Air Force officer is one of America s leading authorities on this subject and in A More Perfect Military she locates the roots of this gulf and how it has widened **Interprofessional Ethics Across the Life Course in Health and Social Care** Ann Gallagher, Nigel Davies, Nicky Mathastein-Bowen, Sherwyn Sicat, 2025-11-25 Interprofessional teams of health and social care professionals encounter and respond to significant ethical challenges and complexity in their everyday work This scenario based book explores how to enact ethical values and virtues while working across the four pillars of professional activity practice education leadership and research Effective responses to care needs and everyday complexity require teamwork and a holistic approach to individual family and community needs They require health and social care professionals having an in depth appreciation of their own professional roles responsibilities and contributions as well as those of other professions This book enables readers to engage with and reflect on a range of ethical decision making situations that can occur across the lifecourse and impact interprofessional teams Each chapter is based around particular authentic scenarios derived from the experiences of care recipients and family members involved in the co production of the book and taking place in a range of care contexts from maternity care to community from hospital to residential care and from accident and emergency areas to hospice Introducing and discussing interprofessional issues from an ethical stance this is an essential text for health and social care students and practitioners and a resource for interprofessional IPE facilitators with a commitment to ethics in health and social care practice research education and leadership *Life in the U.S. Armed Forces* Anni Baker, 2007-12-30 Anni Baker has created a fascinating exploration of life in the armed forces as it has been experienced by millions of men women and children over the past six decades Her book examines the factors that shape military service and military culture

from grueling training exercises to sexual relations with local women from overseas duty to the peculiar life of the military brat The book begins with an examination of the enlistment process follows the military lifecycle through career decisions promotions raising families and retirement explores the impact of war on military society and ends with a discussion of the place of the armed forces in the United States A wide variety of sources were used in this study including contemporary scholarship government and military records public media and most important interviews and written materials from military personnel retirees family members and civilian employees Using a lively and readable style Baker blends clear explanations of elements of military life information on the development of military society and the voices of those who serve into an insightful account of this fascinating subculture It is the author's view that not only is study of the U S military a valuable undertaking in itself but in addition it will enrich our perspective on civilian life and culture in the United States The military is a distinct society based on a set of common values that are sometimes though not always at odds with those of civilian society The extent to which active duty personnel family members and civilians internalize these values dictates their comfort with military life and their choice of a military career Through a discussion of life in the military Baker examines how the values traditions and norms of the armed forces are articulated and shared how they influence the individual and the institution and what their role is in American society as a whole

Every Army Man Is with You Nicolaus Mills, 2014-11-13

For Army's players their 1964 football game against a Navy team led by its Heisman Trophy winning quarterback Roger Staubach was a do or die battle Army had lost to Navy five years in a row This time a stunning victory by Army changed the Cadets fortunes and made headlines across the country With five of its starters playing offense and defense Army rallied to an 11-8 triumph The win was the beginning of an even greater challenge for West Point's players Soon they were in Vietnam fighting a war that did not end as they or America expected In *Every Army Man Is with You* Nicolaus Mills tells the story of that unforgettable Army team by focusing on the lives of seven of its players as they go from the football field to the Vietnam battlefield and back again to the States Mills sheds light not just on what that the players experiences meant to them personally but on what their experiences say about the ways the Vietnam era shaped our nation

Suffering and Sunset Celeste-Marie Bernier, 2015-11-05

For self made artist and World War I soldier Horace Pippin who served in the 369th African American infantry war provided a formative experience that defined his life and work His transformation of combat service into canvases and autobiographies whose emotive power psychological depth and haunting realism showed his view of the world revealed his prowess as a painter and writer In *Suffering and Sunset* Celeste Marie Bernier painstakingly traces Pippin's life story of art as a life story of war Illustrated with more than sixty photographs including works in various media many in full color this is the first intellectual history and cultural biography of Pippin Working from newly discovered archives and unpublished materials Bernier provides an in depth investigation into the

artist's development of an alternative visual and textual lexicon and sheds light on his work in its aesthetic, social, historical, cultural, and political contexts. *Suffering and Sunset* illustrates Pippin's status as a groundbreaking African American painter who not only suffered from but also staged many artful resistances to racism in a white-dominated art world from dust jacket

Cardinal Nguyen Van Thuan Elisabeth Nguyen Thi Thu Hong, Stefaan Lecleir, 2025-03-28 This definitive biography of the heroic life of Servant of God Cardinal Thuan is told by his sister Elisabeth with Father Stefaan Lecleir in the context of his family life, priesthood and prison life and the very challenging times in which he lived. It focuses especially on his profound spiritual life, his great suffering during a thirteen-year imprisonment by the Communists, his strong capacity for friendship with his enemies and his deep veneration for Christ in the Eucharist. Elisabeth also reveals moving, miraculous events that she witnessed in his life. This inspirational account tells about the cardinal's family and how it played a central role in Vietnam's history, including his grandfather who was minister to the emperor and his mother who was a special assistant to his uncle Ngo Dinh Diem, president of Vietnam. The assassinated Diem is much better understood as the book discusses his deep Catholic faith and strong devotion to his country in extremely difficult circumstances. The rich family history shows how Cardinal Thuan came from a lineage of courageous Vietnamese Christians, martyrs of the past and present. This is a thorough, well-documented biography of a towering modern spiritual figure. It includes numerous testimonies of those who knew him personally and provides unprecedented material on the life of Cardinal Thuan. **Problems of Communism**, 1990

Wings of Judgment Ronald Schaffer, 1988-09-29 A disturbing and perceptive study of the strategy, outcome and choices behind the American bombing policies of World War II. The author analyses the explanations and moral arguments used by America's military leaders to justify the attacks on Dresden, Berlin and Hiroshima. **Social life in the British army, by a British officer [W.E. Cairnes]**. William Elliot Cairnes, 1900 **Military Law Review**, Between Home and the Front Smithsonian National Postal Museum, 2022-09-06 The personal letters of Americans during the Civil War preserve first-person records of news, people and emotions that humanize the horrific events of the war and provide unique insights into the conflict's effects on individuals, families, communities and America. Often, however, only the letters sent home survived, leaving half of the story missing. *Between Home and the Front* presents previously unpublished letters from the Walters family's collection held by the Smithsonian's National Postal Museum, which include the exchange of correspondence between the home front and front line, a perspective not often seen. *Between Home and the Front* gives us a glimpse into the poignant questions, answers and sentiments Private David Walters of the 5th Indiana Cavalry and his wife Rachel shared in their correspondence. The letters from David give details about some of the lesser-known actions of the western theater of combat, such as Morgan's Raid. The letters by Rachel Walters record how she managed the household and a young child while becoming a hub of communication for the family, often receiving missives from David's brothers Isaac and John Wesley, both of whom served with Indiana units and relaying the information to others. From the early letters describing a Civil War soldier's

enlistment to his widow's struggle in the aftermath of the war the letters of the Walters family add incomparable details to the study of the Civil War Between Home and the Front offers not only unique first person accounts from those that experienced the Civil War but also meticulous annotations that provide valuable historical context for the events people and material culture described in the letters Against Everything Mark Greif,2016-09-13 *Against Everything* is a thought provoking study and essential guide to the vicissitudes of everyday life under twenty first century capitalism Mark Greif is one of the most exciting writers of his generation In this invigorating collection he challenges us to rethink the ordinary world and take life seriously in short to stay honest in dishonest times In a series of coruscating set pieces he asks why we put ourselves through the pains of exercise what our concerns about diet or sex does for our fundamental worth what political identity the hipster might possess and what happens to us when we listen to Radiohead or hip hop Counter intuitive and revelatory in his insights Greif revels in the contradictions arising between our desires and the excuses we make to console ourselves His work demands we have the courage to be against everything to change our vantage on everyday life find it wanting and demand something better *Army Information Digest* ,1946 Citizen Soldiers and the Key to the Bastille Julia Osman,2015-01-06 Showcasing French participation in the Seven Years War and the American Revolution this book shows the French army at the heart of revolutionary social and cultural change Osman argues that efforts to transform the French army into a citizen army before 1789 prompted and helped shape the French Revolution **The Greenwood Encyclopedia of Daily Life in America** Randall M. Miller,2008-12-30 The course of daily life in the United States has been a product of tradition environment and circumstance How did the Civil War alter the lives of women both white and black left alone on southern farms How did the Great Depression change the lives of working class families in eastern cities How did the discovery of gold in California transform the lives of native American Hispanic and white communities in western territories Organized by time period as spelled out in the National Standards for U S History these four volumes effectively analyze the diverse whole of American experience examining the domestic economic intellectual material political recreational and religious life of the American people between 1763 and 2005 Working under the editorial direction of general editor Randall M Miller professor of history at St Joseph's University a group of expert volume editors carefully integrate material drawn from volumes in Greenwood's highly successful Daily Life Through History series with new material researched and written by themselves and other scholars The four volumes cover the following periods The War of Independence and Antebellum Expansion and Reform 1763 1861 The Civil War Reconstruction and the Industrialization of America 1861 1900 The Emergence of Modern America World War I and the Great Depression 1900 1940 and Wartime Postwar and Contemporary America 1940 Present Each volume includes a selection of primary documents a timeline of important events during the period images illustrating the text and extensive bibliography of further information resources both print and electronic and a detailed subject index **Australian Autobiographical Narratives: 1850-1900** Kay

Walsh, Joy W. Hooton, 1993 Australian Autobiographical Narratives Volume 2 and its partner Volume 1 provide researchers with detailed annotations of published Australian autobiographical writing Both volumes are a rich resource of the European settlement of Australia Theis selection concentrates on the post gold rush period providing portraits of 533 individuals from amateur explorers to politicians from pioneer settlers to sportsmen Like Volume 1 it offers an intimate and absorbing insight into nineteenth century Australia
