Modern Literary Theory A Comparative Introduction:

Modern Literary Theory David Forgacs, 1986 A guide to modern literary theory Topics covered include Russian formalism structuralism modern psychoanalytic criticism This revised edition contains new chapters on reading and interpretation hermeneutics phenomenology reception theory and feminist literary theory *Modern Literary Theory* Ann Jefferson, David Robey, 1985

Modern Literary Theory, a Comparative Introduction Ann Jefferson, David Robey, 1982 The aim of this book is to provide within the compass of a single volume an introduction to the major developments in this field that have taken place during the twentieth century in Europe and North America The authors explain the assumptions of these theories concerning the nature of literature and criticism showing how they relate to one another and linking them to the general issues raised by all critical practice In succeeding chapters the book considers individual theorists and schools focusing in turn on Russian Formalism modern linguistics post structuralism modern psychoanalytic criticism and Marxist theories For readers who wish to pursue further their study of particular theories selected bibliographies are provided at the end of each chapter From publisher's description Modern literary Theory Ann Jefferson, 1982 Theory into Practice: A Reader in Modern Literary Criticism Ryan Johnson, 1992-08-25 Students of literary theory have been well provided for by the publication of various Readers in literary theory However the relation between theory and critical practice still presents a problem to the general reader This book brings together essays by major critics which apply theory to practice in an accessible way This will help a general literary readership gain a better understanding of the various types of theoretical criticism see theory being applied to practice powerfully and persuasively and encourage students to use theory in their own critical writing

A Reader's Guide to Contemporary Literary Theory Raman Selden, 1993-06-08 Unsurpassed as a text for upper division and beginning graduate students Raman Selden's classic text is the liveliest most readable and most reliable guide to contemporary literary theory Includes applications of theory cross referenced to Selden's companion volume *Practicing Theory and Reading Literature* *Understanding Contemporary American Literary Theory* Michael Paul Spikes, 2003 In this revised edition of *Understanding Contemporary American Literary Theory* Michael P Spikes adds Stanley Fish and Susan Bordo to the critics whose careers key texts and central assumptions he discusses in introducing readers to developments in American literary theory during the past thirty five years Underscoring the largely heterogeneous mix of strategies and suppositions that these critics along with Paul de Man Henry Louis Gates Jr Edward W Said and Stephen Greenblatt represent Spikes offers concise analyses of their principal claims and illustrates how their works reflect a range of critical perspectives from deconstruction African American studies and reader response theory to political criticism the new historicism and feminism

Rehabilitating Literary Theory Khaled Besbes, 2011 The present work seeks to bring literary theory in line with the most recent practical turn the humanities are witnessing When simplified succinctly presented and skillfully used in multi coded interpretation within a semiocritical framework literary theories become practical exercises in

criticism not only facilitating the interpretation of literature but also making it more enjoyable and more rewarding This book is different from its counterparts in the sense that it includes an exceptionally expanded model of the practice of literary theories and replaces long and theoretical discussions with brief synopses of the examined theories It relies on less overused texts for illustration as it compiles and organizes the terms and phrases that are often used by the proponents of the discussed theories The most influential literary theories that have so far been developed in academia are included the New Criticism reader response criticism structuralism deconstruction feminism Marxism psychoanalytic criticism linguistic criticism cultural materialism new historicism postcolonialism and semiotics Through eliminating the excesses made in the name of theory this book will restore the faith of students teachers and practitioners in the useful and enduring nature of literary theory for the analysis and appreciation of literature

The Unconcept Anneleen Masschelein,2012-01-02

The Unconcept is the first genealogy of the concept of the Freudian uncanny tracing the development paradoxes and movements of this negative concept through various fields and disciplines from psychoanalysis literary theory and philosophy to film studies genre studies sociology religion architecture theory and contemporary art Anneleen Masschelein explores the vagaries of this unconcept in the twentieth century beginning with Freud s seminal essay The Uncanny through a period of conceptual latency leading to the first real conceptualizations in the 1970s and then on to the present dissemination of the uncanny to exotic fields such as hauntology the study of ghosts robotics and artificial intelligence She unearths new material on the uncanny from the English French and German traditions and sheds light on the specific status of the concept in contemporary theory and practice in the humanities This essential reference book for researchers and students of the uncanny is written in an accessible style Through the lens of the uncanny the familiar contours of the intellectual history of the twentieth century appear in a new and exciting light

Chaucer in context

S. H. Rigby,2020-01-03 Amongst the most written about works of English literature Chaucer s Canterbury Tales still defy categorization claims the author of this book Was Chaucer a poet of profound religious piety or a sceptic who questioned all religious and moral certainties Do his pilgrims reflect the society of the day or were they a product of an already well established literary tradition and convention

Surveying and assessing competing critical approaches to Chaucer s work this text emphasizes a need to see Chaucer in historical context the context of the social and political concerns of his own day

Beginning theory Peter Barry,2013-01-18

Beginning theory has been helping students navigate through the thickets of literary and cultural theory for well over a decade now This new and expanded third edition continues to offer students and readers the best one volume introduction to the field The bewildering variety of approaches theorists and technical language is lucidly and expertly unravelled Unlike many books which assume certain positions about the critics and the theories they represent Peter Barry allows readers to develop their own ideas once first principles and concepts have been grasped The book has been updated and includes two new chapters one of which Literary theory a history in ten events innovatively surveys the course of theory while the other

Theory after Theory maps the arrival of new isms since the second edition appeared in 2002 Liberal humanism Structuralism Post structuralism and deconstruction Postmodernism Psychoanalytic criticism Feminist criticism Lesbian gay criticism Marxist criticism New historicism and cultural materialism Postcolonial criticism Stylistics Narratology Ecocriticism Presentism Transversal poetics New aestheticism Historical formalism Cognitive poetics **Writing Poetry** Chad Davidson, Gregory Fraser, 2008-11-26 Writing Poetry combines an accessible introduction to the essential elements of the craft with a critical awareness of its underpinnings The authors argue that separating the making of poems from critical thinking about them is a false divide and encourage students to become accomplished critics and active readers of poetic texts The English Literature Companion Julian Wolfreys, 2017-09-16 What does it mean to study English Literature Have can you navigate and get the most from your degree The English Literature Companion is your comprehensive introduction to and exploration of the discipline of English and Literary Studies It is your advisor on key decisions and your one stop reference source throughout the course It combines A wide ranging introduction to the nature breadth and key components of the study of English Literature Essays by experts in the field on key topics periods and critical approaches A glossary of critical terms and a chronology of literary history Guidance about study skills from using your time effectively to the practical mechanics of writing essays Extensive signposting to wider reading and further sources of information Advice on key decisions taken during a degree and on subsequent career direction and further study Giving you the foundation and resources you need for success in English Literature this book is essential pre course reading and will be an invaluable reference resource throughout your degree *The Tale of Sinuhe and Other Ancient Egyptian Poems, 1940-1640 BC* ,1998 This anthology contains all the substantial surviving works from the golden age of Ancient Egyptian fictional literature c 1940 1640 B C Composed by an anonymous author in the form of a funerary autobiography the Tale tells how the courtier Sinuhe flees Egypt at the death of his king His adventures bring wealth and happiness but his failure to find meaningful life abroad is only redeemed by the new king s sympathy and he finally returns to the security of his homeland Other works from the Middle Kingdom include a poetic dialogue between a man and his soul on the problem of suffering and death a teaching about the nature of wisdom which is bitterly spoken by the ghost of the assassinated King Amenemhat I and a series of light hearted tales of wonder from the court of the builder of the Great Pyramid Jacket **William Shakespeare, Richard II** Martin Coyle, 1999 This Columbia Critical Guide steers a clear path through the huge body of critical material on Richard II that has accrued over the past three centuries elucidating the play s reception by audiences critics and scholars since its first production Beginning with a discussion of early commentaries the book presents and addresses the most significant critical arguments to give the reader a clear understanding of the ways in which each generation has sought to invest Richard II with new meaning The final section considers the radical new reading of Shakespeare s work provided by contemporary critics *The Routledge Companion to Media and Fairy-Tale Cultures* Pauline Greenhill, Jill Terry Rudy, Naomi Hamer, Lauren

Bosc,2018-03-28 From Cinderella to comic con to colonialism and more this companion provides readers with a comprehensive and current guide to the fantastic uncanny and wonderful worlds of the fairy tale across media and cultures It offers a clear detailed and expansive overview of contemporary themes and issues throughout the intersections of the fields of fairy tale studies media studies and cultural studies addressing among others issues of reception audience cultures ideology remediation and adaptation Examples and case studies are drawn from a wide range of pertinent disciplines and settings providing thorough accessible treatment of central topics and specific media from around the globe The Creation of History in Ancient Israel Marc Zvi Brettler,2002-11-01 The Creation of History in Ancient Israel demonstrates how the historian can start to piece together the history of ancient Israel using the Hebrew Bible as a source **Jung and the Epic of Transformation Vol. 1** Paul Bishop,2024-06-01 What have the Middle Ages got to do with us For Jung it seems quite a lot after all he tells us I must catch up with a piece of the Middle Ages within myself adding We have only finished the Middle Ages of others In Wolfram von Eschenbach s Parzival and the Grail as Transformation Paul Bishop considers the significance for Jung of a masterpiece of medieval German literature and a major work in the tradition of the legendary Holy Grail Wolfram s Parzival epic depicts a three fold quest for the hero s identity for vr ude joy and for the mysterious Grail In the course of this quest Parzival himself is transformed from a fool into the lord of the Grail and the power of the Grail brings about a collective transformation as well This is the first volume in a series of books examining key texts in German literature and thought that were in Jung s own estimation or by scholarly consent highly influential on his thinking The project of Jung and the Epic of Transformation consists of four titles sequentially arranged to explore great works from a Jungian perspective and in turn to highlight their importance for interpreting The Red Book *John Fowles's Fiction and the Poetics of Postmodernism* Mahmoud Salami,1992 Salami presents for instance a critique of the self conscious narrative of the diary form in The Collector the intertextual relations of the multiplicity of voices the problems of subjectivity the reader s position the politics of seduction ideology and history in The Magus and The French Lieutenant s Woman The book also analyzes the ways in which Fowles uses and abuses the short story genre in which enigmas remain enigmatic and the author disappears to leave the characters free to construct their own texts Salami centers for example on A Maggot which embodies the postmodernist technique of dialogical narrative the problem of narrativization of history and the explicitly political critique of both past and present in terms of social and religious dissent These political questions are also echoed in Fowles s nonfictional book The Aristos in which he strongly rejects the totalization of narratives and the materialization of society

Designs of Darkness in Contemporary American Fiction Arthur M. Saltzman,2016-11-11 In Designs of Darkness Arthur M Saltzman examines some of the ways in which fiction has traditionally conspired to promote a goal oriented vision of the work of art and explores the ways in which postmodern or postrealist fiction consistently and unavoidably subverts the clarity of this vision Offering readings of works by well known authors including Barthelme Doctorow DeLillo and Hakes as

well as works by lesser known writers Auster Gangemi Saltzman concentrates on the breakdown of epiphany in recent fiction both as philosophical motive and as structural foundation In contemporary fiction Saltzman contends ambiguities blossom far beyond our capacities to stabilize summarize or restore them to sense The old rules of the game in which a reader looking for truth can expect some sort of satisfactory resolution no longer apply Literature now comes out of the answerless Designs of Darkness in Contemporary American Fiction is a valuable new resource for scholars and students of contemporary literature
