Modern Fiction And The Art Of Subversion:

Modern Fiction and the Art of Subversion Jonathan Quick, 1999 The masterworks of modern fiction gained their status partly because their artistic imperfections were overlooked or read as strengths Exploring the flawed unfinished and circumscribed qualities of fiction by five modernist writers this study examines their struggles with artistic self subversion Both the critical tradition that gave rise to the reputations of Conrad Joyce Fitzgerald Faulkner and Hemingway and the ideological reactions against it are based on the assumption of their monumental achievements A reassessment of their stature counters their elitist image and places them in a more sympathetic relation with the writers of postmodernism

Modern Fiction & the Art of Subversion , *Fairy Tales and the Art of Subversion* Jack Zipes, 2012-02-07 The fairy tale is arguably one of the most important cultural and social influences on children s lives But until the first publication of *Fairy Tales and the Art of Subversion* little attention had been paid to the ways in which the writers and collectors of tales used traditional forms and genres in order to shape children s lives their behavior values and relationship to society As Jack Zipes convincingly shows in this classic work fairy tales have always been a powerful discourse capable of being used to shape or destabilize attitudes and behavior within culture How and why did certain authors try to influence children or social images of children How were fairy tales shaped by the changes in European society in the sixteenth and seventeenth centuries Zipes examines famous writers of fairy tales such as Charles Perrault Jacob and Wilhelm Grimm Hans Christian Andersen and L Frank Baum and considers the extraordinary impact of Walt Disney on the genre as a fairy tale filmmaker

Angela Carter Robert Coover Salman Rushdie and Jeanette Winterson Recent decades have witnessed a renaissance of interest in the fairy tale not least among writers of fiction In *Contemporary Fiction and the Fairy Tale* editor Stephen Benson argues that fairy tales are one of the key influences on fiction of the past thirty years and also continue to shape literary trends in the present Contributors detail the use of fairy tales both as inspiration and blueprint and explore the results of juxtaposing fairy tales and contemporary fiction At the heart of this collection seven leading scholars focus on authors whose work is heavily informed and transformed by fairy tales Robert Coover A S Byatt Margaret Atwood Angela Carter and Salman Rushdie In addition to investigating the work of this so called fairy tale generation *Contemporary Fiction and the Fairy Tale* provides a survey of the body of theoretical writing surrounding these authors both from within literary studies and from fairy tale studies itself Contributors present an overview of critical positions considered here in relation to the work of Jeanette Winterson and of Nalo Hopkinson suggesting further avenues for research *Contemporary Fiction and the Fairy Tale* offers the first detailed and comprehensive account of the key authors working in this emerging genre Students and teachers of fiction folklore and fairy tale studies will appreciate this insightful volume

Fables of Subversion Steven Weisenburger, 1995 Drawing on more than thirty novels by nineteen writers *Fables of Subversion* is both a survey of mid twentieth century American fiction and a study of how these novels challenged the conventions of satire Steven Weisenburger focuses on the rise of a radically subversive mode of satire from 1930 to 1980 This postmodern satire says Weisenburger stands in crucial opposition to corrective normative satire which has served a legitimizing function by generating through ridicule a consensus on values Weisenburger argues that satire in this generative mode does not participate in the oppositional subversive work of much twentieth century art Chapters focus on theories of satire early subversions of satiric conventions by Nathanael West Flannery O Connor and John Hawkes the flowering of Black Humor fictions of the sixties and the forms of political and encyclopedic satire prominent throughout the period Many of the writers included here such as Vladimir Nabokov William Gaddis Kurt Vonnegut Robert Coover and Thomas Pynchon are acknowledged masters of contemporary humor Others such as Mary McCarthy Chester Himes James Purdy Charles Wright and Ishmael Reed have not previously been considered in this context Posing a seminal challenge to existing theories of satire *Fables of Subversion* explores the iconoclastic energies of the new satires as a driving force in late modern and post modern novel writing

The Persistence of Realism in Modernist Fiction Paul Stasi, 2022-10-06 Form vs content aesthetics vs politics modernism vs realism these entrenched binaries tend to structure work in early 20th century literary studies even among scholars who seek to undo them *The Persistence of Realism* demonstrates how realism s defining concerns sympathy class social determination animate the work of Henry James James Joyce Virginia Woolf Samuel Beckett and Ralph Ellison In contrast to the oft told tale of an aesthetically rich modernism overthrowing realism s social commitments along with its formal structures Stasi shows how these writers engaged with realism in concrete ways The domestic novel naturalist fiction

novels of sentiment and industrial tales are realist structures that modernist fiction simultaneously preserves and subverts. Putting modernist writers in conversation with the realism that preceded them, *The Persistence of Realism* demonstrates how modernism's social concerns are inseparable from its formal ones. *The 20th Century O-Z* Frank N. Magill, 2013-05-13

Each volume of the *Dictionary of World Biography* contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history. This is not a who's who. Instead, each entry provides an in-depth essay on the life and career of the individual concerned. Essays commence with a quick reference section that provides basic facts on the individual's life and achievements. The extended biography places the life and works of the individual within an historical context, and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography. **The Self as Object in Modernist Fiction** Timo Müller, 2010 *The Market Logics of Contemporary Fiction* Paul Crosthwaite, 2019-07-18

Contemporary British and American fiction is defined by financial markets' power over the global publishing industry and the global economy. **Subversive Intent** Susan Rubin Suleiman, 1990

With this important new book, Susan Suleiman lays the foundation for a postmodern feminist poetics and theory of the avant-garde. She shows how the figure of Woman as fantasy myth or metaphor has functioned in the work of male avant-garde writers and artists of this century. Focusing also on women's avant-garde artistic practices, Suleiman demonstrates how to read difficult modern works in a way that reveals their political as well as their aesthetic impact. Suleiman directly addresses the subversive intent of avant-garde movements from Surrealism to postmodernism. Through her detailed readings of provocatively transgressive works by André Breton, Georges Bataille, Roland Barthes, Alain Robbe-Grillet, Marcel Duchamp, Max Ernst, and others, Suleiman demonstrates the central role of the female body in the male erotic imagination and illuminates the extent to which masculinist assumptions have influenced modern art and theory. By examining the work of contemporary women avant-garde artists and theorists including Hélène Cixous, Marguerite Duras, Monique Wittig, Luce Irigaray, Angela Carter, Jeanette Winterson, Leonora Carrington, Barbara Kruger, Jenny Holzer, and Cindy Sherman, Suleiman shows the political power of feminist critiques of patriarchal ideology and especially emphasizes the power of feminist humor and parody. Central to Suleiman's revisionary theory of the avant-garde is the figure of the playful laughing mother. True to the radically irreverent spirit of the historical avant-gardes and their postmodernist successors, Suleiman's laughing mother embodies the need for a link between symbolic innovation and political and social change.

Midamerica, 2001 *Routledge Handbook of Modern Chinese Literature* Ming Dong Gu, 2018-09-03

The *Routledge Handbook of Modern Chinese Literature* presents a comprehensive overview of Chinese literature from the 1910s to the present day. Featuring detailed studies of selected masterpieces, it adopts a thematic comparative approach. By developing an innovative conceptual framework predicated on a new theory of periodization, it thus situates Chinese literature in the context of world literature and the forces of globalization. Each section consists of a series of contributions examining the

major literary genres including fiction poetry essay drama and film Offering an exciting account of the century long process of literary modernization in China the handbook s themes include Modernization of people and writing Realism romanticism and modernist aesthetics Chinese literature on the stage and screen Patriotism war and revolution Feminism liberalism and socialism Literature of reform reflection and experimentation Literature of Taiwan Hong Kong and new media This handbook provides an integration of biographical narrative with textual analysis maintaining a subtle balance between comprehensive overview and in depth examination As such it is an essential reference guide for all students and scholars of Chinese literature

Juan Goytisolo and the Poetics of Contagion Stanley Black, 2001-09-01 Juan Goytisolo is arguably Spain s foremost contemporary novelist This book is one of the few major studies in English to examine all of his mature works from *Se as de identidad* in 1966 to *Las semanas del jardín* published in 1997 It focuses on the interface between the thematic content of the novels and its formal expression viewing this as the crucial nexus of their meaning Goytisolo s writing is in his own words a commitment of myself for a transformation of the world The Poetics of Contagion dissects the nature of the relationship between writer and reader to show how Goytisolo s political commitment is reflected in his work

Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study

Literary Fantasy in Contemporary Chinese Diasporic Women's Literature Fang Tang, 2019-12-03 This book explores the use of literary fantasy in the construction of identity and home in contemporary diasporic Chinese women s literature It argues that the use of fantasy acts as a way of undermining the power of patriarchy and unsettling fixed notions of home The idea of home explored in this book relates to complicated struggles to gain a sense of belonging as experienced by marginalized subjects in constructing their diasporic identities which can best be understood as unstable shifting and shaped by historical conditions and power relations Fantasy is seen to operate in the corpus of this book as a literary mode as defined by Rosemary Jackson Literary fantasy offers a way to rework ancient myths fairy tales ghost stories and legends it also subverts conventional narratives and challenges the power of patriarchy and other dominant ideologies Through a critical reading of four diasporic Chinese women authors namely Maxine Hong Kingston Adeline Yen Mah Ying Chen and Larissa Lai this book aims to offer critical insights into how their works re imagine a home through literary fantasy which leads beyond nationalist and Orientalist stereotypes and how essentialist conceptions of diasporic culture are challenged by global geopolitics and cultural interactions

Constructions of Media Authorship Christiane Heibach, Angela Krewani, Irene Schütze, 2020-11-23 The author is dead long live the author This paradox has shaped discussions on authorship since at least the 1960s when the dominant notion of the individual author genius was first critically questioned The ongoing discussion has mainly focused on literature and the arts but has ignored nearly any artistic

practice beyond these two fields *Constructions of Media Authorship* aims to fill this gap the volume's interdisciplinary contributions reflect historical and current artistic practices within various media and attempt to grasp them from different perspectives The first part sheds a new light on different artistic and design practices and questions the still dominant view on the individual identifiable author The second part discusses creative practices in literature emphasizing the interrelation of aesthetic discourses and media practices The third part investigates authoring in audiovisual media especially film and TV while the final part turns to electronic and digital media and their collective creativity and hybrid mediality The volume is also an attempt to develop new methodological approaches focusing on the interplay between various human and non human actors in different media constellations **Francis Scott Fitzgerald : His Art and Vision** Ratan Bhattacharjee, 2021-05-25

Francis Scott Fitzgerald's contribution to American fiction has to be judged keeping in mind that the naturalistic mimesis of the fiction of the earlier period is important as a critique of bourgeois society but it ultimately fails in representing the problematic nature of bourgeois reality The use of romance by Fitzgerald within mimetic realism is a logical culmination of the rise of the novel as it is Through this use of romance he is able to adequately explore the bourgeois myth of man

Travel and Identity: Studies in Literature, Culture and Language Jakub Lipski, 2018-02-19 This book presents a selection of research papers dealing with the notions of travel and identity in Anglophone literature and culture Collectively the chapters ponder such notions as self and other race centre and periphery thus shedding new light on a number of issues that are highly relevant in the context of the ongoing migration crisis The contributors employ a diverse range of theoretical standpoints from close reading to deconstruction from historically informed approaches to linguistic analysis and thus offer a nuanced panorama of these issues especially from the nineteenth century onwards **The Fantastic in Modern Japanese Literature** Susan Napier, 2005-07-22

Modern Japan's repressed anxieties fears and hopes come to the surface in the fantastic A close analysis of fantasy fiction film and comics reveals the ambivalence felt by many Japanese towards the success story of the nation in the twentieth century *The Fantastic in Modern Japanese Literature* explores the dark side to Japanese literature and Japanese society It takes in the nightmarish future depicted in the animated film masterpiece *Akira* and the pastoral dream worlds created by Japan's Nobel Prize winning author Oe Kenzaburo A wide range of fantasists many discussed here in English for the first time form the basis for a ground breaking analysis of utopias dystopias the disturbing relationship between women sexuality and modernity and the role of the alien in the fantastic
