

new hope for alcoholics

by **ABRAM HOFFER, M.D., Ph.D.**
& **HUMPHRY OSMOND, M.R.C.S., D.P.M.**

These distinguished authors wrote **How To Live With Schizophrenia**, which broke new ground in the treatment of that dreadful disease. Now they again break into new territory in the treatment of a far more widespread disease and, again, one which the medical profession as a whole has been quite hopeless about.

New Hope For Alcoholics:

New Hope for Alcoholics Abram Hoffer, Humphry Osmond, 1968 **New Hope for Alcoholics** Carol Publishing Group,

Treatment and Rehabilitation of the Chronic Alcoholic Benjamin Kissin, 2012-12-06 The present volume contains a large variety of treatment approaches to the long term rehabilitation of the alcoholic ranging from the biological to the physiological to the psychological to the social The multiplicity of proposed therapies each of which has its strong proponents suggests that alcoholism is either a complex medical social disease syndrome requiring a multipronged treatment approach or a very simple illness for which we have not yet discovered the remedy The latter may indeed be true but we cannot use what we do not know and must use what we do know We do however have the obligation to be responsible in our treatment to provide the best that is known at this time and to be discriminating in our prescription of appropriate treatment for individual patients If there is one conclusion we would like to offer in our preface it is that alcoholics constitute a markedly heterogeneous population with widely disparate needs for whom at least at our present level of knowledge a broad spectrum of treatment modalities is necessary If this is true then probably most of this book has validity With this volume on the treatment and rehabilitation of the chronic alcoholic we bring to completion our five volume series *The Biology of Alcoholism* As the title of the present volume indicates we have departed from our original intention to deal solely with biological aspects of the syndrome and have attempted rather to produce a more comprehensive work **Orthomolecular Treatment of Chronic Disease** Andrew W. Saul, Ph.D., 2014-06-01 If the word cure intrigues you this book will also High doses of vitamins have been known to cure serious illnesses for nearly 80 years Claus Jungeblut M D prevented and treated polio in the mid 1930s using a vitamin Chest specialist Frederick Klenner M D was curing multiple sclerosis and polio back in the 1940s also using vitamins William Kaufman M D cured arthritis also in the 1940s In the 1950s Drs Wilfrid and Evan Shute were curing various forms of cardiovascular disease with a vitamin At the same time psychiatrist Abram Hoffer was using niacin to cure schizophrenia psychosis and depression In the 1960s Robert Cathcart M D cured influenza pneumonia and hepatitis In the 1970s Hugh D Riordan M D was obtaining cures of cancer with intravenous vitamin C Dr Harold Foster and colleagues arrested and reversed full blown AIDS with nutrient therapy and in just the last few years Atsuo Yanagasawa M D Ph D has shown that vitamin therapy can prevent and reverse sickness caused by exposure to nuclear radiation Since 1968 much of this research has been published in the *Journal of Orthomolecular Medicine* This book brings forward important material selected from over forty five years of JOM directly to the reader At some 800 pages *The Orthomolecular Treatment of Chronic Disease* is a very large book but it is also a very practical book If you want to know which illnesses best respond to nutrition therapy and how and why that therapy works this is the book for you Part One presents the principles of orthomolecular medicine and the science behind them Part Two is devoted to orthomolecular pioneers presenting an introduction to maverick doctors and nutrition scientists in a reader friendly way that brings the subject to life Part Three

brings together extraordinary clinical and experimental evidence from expert researchers and clinicians The Orthomolecular Treatment of Chronic Disease shows exactly how innovative physicians have gotten outstanding results with high dose nutrient therapy Their work is here for you to see and decide for yourself The Orthomolecular Treatment of Chronic Disease subtitled 65 Experts on Therapeutic and Preventive Nutrition is a complete course in nutritional healing for less than thirty dollars
