## **Number Four Bobby Orr:**

Number Four, Bobby Orr! Mike Leonetti, 2003 Grade level 3 4 5 e p i      **The Boy in Number Four** Kara Kootstra, 2014-09-30 The Boy in Number Four had a passion and a dream to one day be a player on a big league hockey team It takes hard work and dedication to make it to the big league but those aren't the only things that are important Respect determination and the sheer thrill of the game brought Bobby Orr from a small northern town in Canada to one of the best teams in the NHL Using Bobby Orr and his journey as a model The Boy in Number Four celebrates the game of hockey from backyard rinks to the big leagues A book for hockey enthusiasts of all ages      **Number Four Bobby Orr** Sports Illustrated, 2013-10-15 Starting with his jump from the Oshawa Generals to the NHL's Boston Bruins Sports Illustrated began in depth coverage of the career of Bobby Orr a player who remains over thirty years after his retirement one of the greatest hockey players of all time Orr completely changed the way hockey was played taking it from a game of grinding defence to a rushing high scoring affair Along the way Orr set scoring records won individual awards and led his Bruins to two Stanley Cups before a bad knee began costing him games He tried two major comebacks in the late seventies showing a perseverance and dedication unmatched in the game but ultimately was forced into an early retirement at the age of thirty Number Four Bobby Orr brings together the stories and photographs behind the career The media shy Orr rarely opened up to reporters hiding his charitable works and his loyalty to his friends and teammates and letting his play speak for itself This anthology brings together all SI's reporting on Orr from the 1960s to his new career as a player agent in the 2000s to form a comprehensive biography of one of the greats of the game      The Boy in Number Four Kara Kootstra, 2014 Young Bobby Orr works hard to be the best hockey player he can be and his efforts pay off in one of the many important games that help prepare him to achieve his dream of one day playing in the big leagues      **Number 4 Bobby Orr** Kevin Vautour, 2019-03-14 Bursting upon the National Hockey League scene in the fall of 1966 amid enormous hype and expectations Robert Gordon Bobby Orr would go on to exceed all predictions of greatness Displaying All Star level ability from the start it was his talent as a play maker and scorer that utterly revolutionized the game of hockey At the same time Orr helped revive a tired long suffering Boston Bruins team leading them to their first Stanley Cup in twenty nine years at the age of twenty two Orr and company would drink from the Cup again two years later as he continued to cement his legacy with MVP Awards and Norris Trophies The unforgettable sight of him rushing the puck up ice with blond hair flying was a thing of sheer athletic beauty But Orr's fragile knees plagued him throughout his career ultimately forcing him to retire before the age of thirty But in his ten years with the Bruins the remarkable body of work and the greatness he achieved prompt many hockey historians to regard him as the all around greatest most skillful player in history Number 4 Bobby Orr is the most ambitious in depth look at Orr and the Bruins greatest decade      **Bobby Orr** N. H. Page, 1982-09-01      *Bobby Bobby Orr*, 2018-10-30 One of the greatest sports figures of all time at last breaks his silence in a memoir as unique as the man himself Number 4 It is just

about the most common number in hockey but invoke that number and you can only be talking about one player the man often referred to as the greatest ever to play the game Bobby Orr From 1966 through the mid 70s he could change a game just by stepping on the ice Orr could do things that others simply couldn't and while teammates and opponents alike scrambled to keep up at times they could do little more than stop and watch Many of his records still stand today and he remains the gold standard by which all other players are judged Mention his name to any hockey fan or to anyone in New England and a look of awe will appear But skill on the ice is only a part of his story All of the trophies records and press clippings leave unsaid as much about the man as they reveal They tell us what Orr did but don't tell us what inspired him who taught him or what he learned along the way They don't tell what it was like for a shy small town kid to become one of the most celebrated athletes in the history of the game all the while in the full glare of the media They don't tell us what it was like when the agent he regarded as his brother betrayed him and left him in financial ruin at the same time his battered knee left him unable to play the game he himself had redefined only a few seasons earlier They don't tell about the players and people he learned to most admire along the way They don't tell what he thinks of the game of hockey today Orr himself has never put all this into words until now After decades of refusing to speak of his past in articles or authorized biographies he finally tells his story because he has something to share I am a parent and a grandparent and I believe that I have lessons worth passing along In the end this is not just a book about hockey The most meaningful biographies and memoirs rise above the careers out of which they grew Bobby Orr's life goes far deeper than Stanley Cup rings trophies and recognitions His story is not only about the game but also the age in which it was played It's the story of a small town kid who came to define its highs and lows and inevitably it is a story of the lessons he learned along the way [Searching for Bobby Orr](#) Stephen Brunt, 2010-05-28 The book that hockey fans have been waiting for the definitive unauthorized account of the man many say was the greatest player the game has ever seen The legend of Bobby Orr is one of the most enduring in sport Even those who have never played the game of hockey know that the myth surrounding Canada's great pastime originates in places like Bobby Orr's Parry Sound In the glory years of the Original Six an era when the majority of NHLers were Canadian hockey players seemed to emerge fully formed from our frozen rivers and backyard rinks to have found the source of their genius somehow in the landscape Like Mozart they just appeared Howie Morenz Gordie Howe Maurice Richard and Bobby Orr spun out of the elements prodigies geniuses originals to stoke the fantasy of a nation united around a puck Bobby Orr redefined the defensive style of hockey there was nothing like it before him He was the first to infuse the defenseman position with offensive juice driving up the ice setting up players and scoring some goals of his own He was the first player to win three straight MVP awards the first defenseman to score twenty or more goals in a season His most famous goal won the Boston Bruins the Stanley Cup in 1970 for the first time in twenty nine years against the St Louis Blues in overtime But history will also remember Bobby Orr as a key figure in the Alan Eagleson scandal and as the unfortunate player forced into early

retirement in 1978 because of his injuries His is a story of dramatic highs and lows In *Searching for Bobby Orr* Canada's foremost sportswriter gives us a compelling and graceful look at the life and times of Bobby Orr that is also a revealing portrait of a game and a country in transition So Bobby Orr could skate he could stickhandle he could fight when he had to He could shoot without looking at the net without tipping a goaltender as to what was coming His slapshot came without a big windup and was deadly accurate Skating backwards defending he was all but unbeatable one on one He could poke check the puck away or muscle a forward into the boards In front of his own net stronger on his feet than his skinny frame would suggest he wouldn't be moved But there was more from *Searching for Bobby Orr* [Next Goal Wins!](#) Liam

Maguire,2012-11-20 Fun always surprising and a hockey lover's treasure chest of the little known facts that shaped the game you cannot Google the stuff that Liam Maguire shares in this entertaining little book About 30% updated revised and renewed from Liam's 2001 trivia collection What's the Score First Goal Wins includes a foreword by Wayne Gretzky Liam has scoured the depths of the NHL archives and stats to put together many of these questions and answers which you can't get from just looking up your favourite player on Wikipedia What sets his take on hockey trivia apart from the many pretenders out there is the magical connections he builds between the numbers the players and the game's history Besides the straight goods you always get the ultimate And did you know **CenterStage** Michael Kay,2022-05-24 For nearly two decades as
