From the Mysteries Hermann Beckh, 2020-06-03 In the early part of the last century Professor Hermann Beckh began a search to discover the truth about the Mystery wisdom of antiquity As a recognized authority on Buddhist texts he knew that complete knowledge of such Mysteries was not to be found within the limitations of waking consciousness sense perception and logic Beckh was already aware that Gautama Buddha had indicated the stages of higher knowledge Furthermore his studies of Rudolf Steiner's anthroposophical teachings revealed that such knowledge could be experienced directly given disciplined meditation Clairvoyant cognition included the conscious penetration of sleep consciousness the
