Numbers In The Dark And Other Stories:

Numbers in the Dark Italo Calvino, 2009-02-04 For the first time in paperback a volume of thirty seven diabolically inventive stories fables and impossible interviews from one of the great fantasists of the 20th century displaying the full breadth of his vision and wit Written between 1943 and 1984 and masterfully translated by Tim Parks the fictions in **Numbers in the Dark** display all of Calvino's dazzling gifts whimsy and horror exuberance of style and a cheerful grasp of the absurdities of the human condition [Short Story Index](#) , 1999 *The Complete Cosmicomics* Italo Calvino, 2014-09-16 The complete collection of nimble and often hilarious short stories exploring the cosmos by the acclaimed author of *Invisible Cities* Colin Dwyer NPR Italo Calvino's beloved cosmicomics cross planets and traverse galaxies speed up time or slow it down to the particles of an instant Through the eyes of a cosmic know it all with the unpronounceable name of Qfwfq Calvino explores natural phenomena and tells the story of the origins of the universe Relating complex scientific and mathematical concepts to our everyday world they are an indelible and delightful literary achievement Originally published in Italian in three separate volumes including the Asti d'Appello Prize winning first volume *Cosmicomics* these thirty four dazzling stories are collected here in one definitive English language anthology Trying to describe such a diverse and entertaining mix I have to admit just as Calvino does so often that my words fail here too There's no way I or anyone really can muster enough of them to quite capture the magic of these stories Read this book please Colin Dwyer NPR *Numbers in the Dark* Italo Calvino, 2021-05-12 From the acclaimed genre bending Italian fabulist author a posthumous collection of career spanning stories previously unavailable in English Everybody telephones everybody at every possible moment and nobody can speak to anybody Distance has been the warp that supports the weft of every love story from **Numbers in the Dark** Written between 1943 and 1984 the stories in **Numbers in the Dark** span the career of one of fiction's modern masters from Italo Calvino's earliest fables to tales informed by life in World War II era Italy to the delightful experimentation that would define his later work Here are speculative stories on life in the digital age genre bending wonders and impossible interviews with the likes of Montezuma and a Neanderthal Deftly translated by Tim Parks **Numbers in the Dark** shows off Calvino's lifelong gift for subtle humor and shimmering philosophical insight Praise for **Numbers in the Dark** **Numbers in the Dark** is a glorious grab bag with enough gems from every phase in Calvino's career to make it feel indispensable Seattle Times These stories reward the patient reader with wisdom humor and insight Library Journal Calvino is well represented in this continually surprising collection Novelist Parks's superb translations capture Calvino's quirky iconoclastic voice helping to make this a worthy addition to the Calvino shelf Publishers Weekly **A Slice of the Dark and Other Stories** Karen Heuler, 2022-11-22 If you got a mysterious box that said Do Not Open would you open it If your fingers revolted and wanted a different job would you agree If you came from a race of giants or thought about becoming Death's lover or couldn't get rid of a lover no matter how hard you tried what would you do These stories contain unusual problems like finding your world growing dark after eating a

piece of cake and maybe wanting more cake It s not hard to find yourself one step outside the normal as these characters do The trick is to make it work **Italian Literature since 1900 in English Translation 1929-2016** Robin

Healey,2019-03-07 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey s Italian Literature before 1900 in English Translation also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature

Not Safe After Dark, and Other Stories Peter Robinson,2009-02-24 Peter Robinson s first collection of short crime fiction spans his writing career and reveals his impeccable grasp of both mystery and suspense writing The sixteen stories are set in places as far flung as Inspector Alan Banks s turf in Yorkshire Robinson s own neighbourhood in Toronto and in Los Angeles and Florida They also reach back in time to 1873 to an utopian milltown in northern England to Thomas Hardy country in 1939 and to a small Yorkshire town during the Second World War The collection also includes a novella featuring Robinson s celebrated sleuth Inspector Banks Going Home is a chilling yet profoundly moving tale of just how hard it can be to visit one s elderly parents even for only a few days Four of the stories have won awards Innocence won the Crime Writers of Canada Best Short Story Award in 1991 and The Two Ladies of Rose Cottage won the Mystery Readers International s Macavity Award in 1998 and was nominated for both the Agatha and Arthur Ellis awards Murder in Utopia won Robinson his fifth Arthur Ellis Award in 2001 the same year that Missing in Action won the Edgar Award

Numbers In The Dark And Other Stories Introduction

In today's digital age, the availability of Numbers In The Dark And Other Stories books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Numbers In The Dark And Other Stories books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Numbers In The Dark And Other Stories books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Numbers In The Dark And Other Stories versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Numbers In The Dark And Other Stories books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Numbers In The Dark And Other Stories books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Numbers In The Dark And Other Stories books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Numbers In The Dark And Other Stories books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Numbers In The Dark And Other Stories books and manuals for download and embark on your journey of knowledge?
