Veiled Desires Maureen Sabine, 2013-08-22 Ingrid Bergman's engaging screen performance as Sister Mary Benedict in *The Bells of St Mary's* made the film nun a star and her character a shining standard of comparison. She represented the religious life as the happy and rewarding choice of a modern woman who had a complete understanding of both erotic and spiritual desire. How did this vibrant and mature nun figure come to be viewed as girlish and naïve? Why have she and her cinematic sisters in postwar popular film so often been stereotyped or selectively analyzed so seldom been seen as women and religious? In *Veiled Desires* a unique full length in depth look at nuns in film Maureen Sabine explores these questions in a groundbreaking interdisciplinary study covering more than sixty years of cinema. She looks at an impressive breadth of films in which the nun features as an ardent lead character including *The Bells of St Mary's* 1945 *Black Narcissus* 1947 *Heaven Knows Mr Allison* 1957 *Sea Wife* 1957 *The Nun's Story* 1959 *The Sound of Music* 1965 *Change of Habit* 1969 *In This House of Brede* 1975 *Agnes of God* 1985 *Dead Man Walking* 1995 and *Doubt* 2008 *Veiled Desires* considers how the beautiful and charismatic stars who play chaste nuns from Ingrid Bergman and Audrey Hepburn to Susan Sarandon and Meryl Streep call attention to desires that the veil concealed and the habit was thought to stifle. In a theologically and psychoanalytically informed argument Sabine responds to the critics who have pigeonholed the film nun as the obedient daughter and religious handmaiden of a patriarchal church and the respectful audience who revered her as an icon of spiritual perfection. Sabine provides a framework for a more complex and holistic picture of nuns onscreen by showing how the films dramatize these women's Christian call to serve sacrifice and dedicate themselves to God and their erotic desire for intimacy agency achievement and fulfillment

A Nun's Story - The Deeply Moving True Story of Giving Up a Life of Love and Luxury in a Single Irresistible Moment

Sister Agatha, 2017-01-05 THE SUNDAY TIMES BESTSELLER Shirley Leach lived in a world of extreme comfort wealth and status. With every good thing life had to offer she was due to marry the man she loved a man who in turn adored her. But all this was to change in a single moment. One happy day in the midst of writing to her fiancé her hand stopped writing unbidden then it continued by itself etching the words which would change her life forever but there's no point now as I am going to be a nun. That bolt from the blue set events in motion that caused Shirley to lose her mother and sisters her husband to be her horses her parties and life of ease. Within months Shirley had become Sister Agatha. But her faith in her choice never faltered despite years of great difficulty when her Convent was close to bankruptcy. Her belief took her to London to knock on the infamously intimidating and tight fisted Sir Paul Getty's door to secure the money to ensure her community would not lose their home and getting it. Now eighty five she looks back on an incredible life of love loss and belief. This is at

once a deeply poignant tale of doomed romance and a heart warming story of taking a leap of faith and finding a meaning in life beyond the wealth and comfort she was born into Whether a believer or not Sister Agatha s momentous life will touch and inspire whilst reminding us that it is perhaps better to accept that not everything in the world is yet explained

Predatory Nuns Brian Titley,2022-06-08 Since the first scandals broke in the mid 1980s the sexual misconducts of priests have cost the Catholic Church in America more than 4 billion in compensation settlements and incalculable damage to its reputation Although their crimes have attracted far less attention predatory nuns have also caused harm The depredations of these nuns took place in convent novitiates orphanages boarding schools for Native Americans and in Catholic schools both elementary and secondary Their victims male and female ranged in age from six year olds to young adults This book focuses on the criminal behavior of North American nuns and the responses from church leadership Mothers superior were outspoken in their refusal to accept responsibility for the crimes committed under their watch and their inclination was to close ranks and protect the predators endangering many children and young people in the process The complainants on the other hand were considered nuisances to be pushed aside with the least amount of exposure and expense possible Straightforward and informative this text begins by exploring the nuns vow of chastity and its relationship with human sexuality followed by dozens of case studies detailing the sexual abuse that nuns committed in various settings *Escaped Nuns* Cassandra L. Yacovazzi,2018-08-21 Just five weeks after its publication in January 1836 Awful Disclosures of the Hotel Dieu Nunnery billed as an escaped nun s shocking expos of convent life had already sold more than 20 000 copies The book detailed gothic style horror stories of licentious priests and abusive mothers superior tortured nuns and novices and infanticide By the time the book was revealed to be a fiction and the author Maria Monk an imposter it had already become one of the nineteenth century s best selling books In antebellum America only one book Uncle Tom s Cabin outsold it The success of Monk s book was no fluke but rather a part of a larger phenomenon of anti Catholic propaganda riots and nativist politics The secrecy of convents stood as an oblique justification for suspicion of Catholics and the campaigns against them which were intimately connected with cultural concerns regarding reform religion immigration and in particular the role of women in the Republic At a time when the term female virtue pervaded popular rhetoric the image of the veiled nun represented a threat to the established American ideal of womanhood Unable to marry she was instead a captive of a foreign foe a fallen woman a white slave and a foolish virgin In the first half of the nineteenth century ministers vigilantes politicians and writers male and female forged this image of the nun locking arms against convents The result was a far reaching antebellum movement that would shape perceptions of nuns and women more broadly in America *Into Silence and Servitude* Brian Titley,2017-08-01 For many American Catholics in the twentieth century the face of the Church was a woman s face After the Second World War as increasing numbers of baby boomers flooded Catholic classrooms the Church actively recruited tens of thousands of young women as teaching sisters In *Into Silence and Servitude* Brian Titley delves into the

experiences of young women who entered Catholic religious sisterhoods at this time The Church favoured nuns as teachers because their wageless labour made education more affordable in what was the world's largest private school system Focusing on the Church's recruitment methods Titley examines the idea of a religious vocation the school settings in which nuns were recruited and the tactics of persuasion directed at both suitable girls and their parents The author describes how young women entered religious life and how they negotiated the sequence of convent formation stages each with unique challenges respecting decorum autonomy personal relations work and study Although expulsions and withdrawals punctuated each formation stage the number of nuns nationwide continued to grow until it reached a pinnacle in 1965 the same year that Catholic schools achieved their highest enrolment Based on extensive archival research memoirs oral history and rare Church publications *Into Silence and Servitude* presents a compelling narrative that opens a window on little known aspects of America's convent system LIFE, 1959-06-08 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use *Visual Habits* Rebecca Sullivan, 2005-01-01 From *The Nun's Story* to *The Flying Nun* to *The Singing Nun* nuns were a major presence in the mainstream media Sullivan discusses these images in the context of the period's seemingly unlimited potential for social change *Particular Friendships: a Convent Memoir* Kathleen J. Waites, 2006-05-15 *Particular Friendships A Convent Memoir* offers a rare glimpse inside the walls of a Roman Catholic convent in the late 1960s The young narrator arrives with gentle visions spawned by *The Sound of Music* only to encounter the harshness of life in this secretive society Her wit compassion and musicality foment a rebellion against rules forbidding expressions of joy and intimacy as she struggles between allegiance to the heart and her vow of blind obedience to flawed and abusive superiors Recently filed lawsuits against the Church suggest that the timing could not be better for an ex-nuns memoir Part mystery part coming of age story this narrative seeks neither to damn nor to exonerate but to uncover the truth

Missionaries in the Golden Age of Hollywood Douglas Carl Abrams, 2022-12-15 This book examines major British and American missionary films during the Golden Age of Hollywood to explore the significance of race gender and spirituality in relation to the lives of the missionaries portrayed in film during the middle third of the twentieth century Film both influences and reflects culture and racial gender and religious identities are some of the most debated issues globally today In the movies explored in this book missionary interactions with various people groups reflect the historical changes which took place during this time Fred Zinnemann and the Cinema of Resistance J.E. Smyth, 2014-02-06 A compelling history of the director's films of war and resistance **The Tulip and the Pope** Deborah Larsen, 2007-12-18 The story of novelist and poet Deborah Larsen's young womanhood *The Tulip and the Pope* is both an exquisitely crafted spiritual memoir and a beautifully nuanced view of life in the convent In midsummer of 1960 nineteen year old Deborah shares a cab to a convent

She and the teenage girls with her passionate to become nuns heedless of all they are leaving behind smoke their last cigarettes before entering their new lives In the same artful prose that distinguished her novel *The White Larsen* s memoir lets us into the hushed life of the convent She captures the exquisite peace she found there as well as the extreme constriction of the rules and her gradual awareness of all that she is missing Eventually the physical world the lush tulip she remembers seeing as a girl the snow she tunneled in and even the mystery of sex begins to seem to her an alternative theater for a deep understanding and love of God
