

Nurses At War

Betsy Kuhn

Nurses At War:

And If I Perish Evelyn Monahan, Rosemary Neidel-Greenlee, 2004-11-09 In World War II 59 000 women voluntarily risked their lives for their country as U S Army nurses When the war began some of them had so little idea of what to expect that they packed party dresses but the reality of service quickly caught up with them whether they waded through the water in the historic landings on North African and Normandy beaches or worked around the clock in hospital tents on the Italian front as bombs fell all around them For more than half a century these women s experiences remained untold almost without reference in books historical societies or military archives After years of reasearch and hundreds of hours of interviews Evelyn M Monahan and Rosemary Neidel Greenlee have created a dramatic narrative that at last brings to light the critical role that women played throughout the war From the North African and Italian Campaigns to the Liberation of France and the Conquest of Germany U S Army nurses rose to the demands of war on the frontlines with grit humor and great heroism A long overdue work of history **And If I Perish** is also a powerful tribute to these women and their inspiring legacy **Nurses in War** Elizabeth Scannell-Desch, Mary Ellen Doherty, 2012-04-23 This unique volume presents the experience of 37 U S military nurses sent to the Iraq and Afghanistan theaters of war to care for the injured and dying The personal and professional challenges they faced the difficulties they endured the dangers they overcame and the consequences they grappled with are vividly described from deployment to discharge In mobile surgical field hospitals and fast forward teams detainee care centers base and city hospitals medevac aircraft and aeromedical staging units these nurses cared for their patients with compassion acumen and inventiveness And when they returned home they dealt with their experience as they could The text is divided into thematic chapters on essential issues how the nurses separated from their families and the uncertainties they faced in doing so their response to horrific injuries that combatants civilians and children suffered working and living in Iraq and Afghanistan for extended periods personal health issues and what it meant to care for enemy insurgents and detainees Also discussed is how the experience enhanced their clinical skills why their adjustment to civilian life was so difficult and how the war changed them as nurses citizens and people Key Features Describes verbatim the experiences of 37 nurses in two brutal chaotic theaters of war Offers poignant encounters with patients Includes advice clarity and lessons learned about nursing in war Offers a women s health perspective on working and living in a war zone Demonstrates the dedication expertise and spirit of military nurses **Women at War** Elizabeth Norman, 2010-08-03 Norman tells the dramatic story of fifty women members of the Army Navy and Air Force Nurse Corps who went to war working in military hospitals aboard ships and with air evacuation squadrons during the Vietnam War Here in a moving narrative the women talk about why they went to war the experiences they had while they were there and how war affected them physically emotionally and spiritually **They Called Them Angels** Kathi Jackson, 2000-06-30 A topical presentation of firsthand accounts from some of the thousands of army and navy nurses who served both stateside and overseas during

World War II this book tells the stories of the brave women who used any and all resources to save as many lives as possible. Although military nurses could have made more money as civilians thousands chose to leave the warmth and security of home to care for the young men who went off to war. They were not saints but vibrant women whose performance changed the face of both military and civilian nursing. Jackson's account follows both army and navy nurses from the time they joined the military through their active service to their lives today. The jobs done by military nurses were valuable and varied. Some worked in clean stateside hospitals. Some found themselves nursing in tents or bombed out buildings. Others entered hospitals so recently occupied by Axis forces that Nazi propaganda still covered the walls. While often treating ordinary accidents and illnesses they were responsible for men with wounds so disfiguring that it took all of their willpower to maintain the hopeful attitude that the men so desperately required. From the humorous account of a nurse in her forties who joined the war effort despite the smirks of those much younger to the sorrow shared when men and women were separated and became prisoners of war these are the stories of women who lived under extraordinary circumstances in an amazing time. Women who even today bear emotional scars along with their lasting pride. Gulf War Nurses Patricia Rushton, 2014-01-10. Since the pioneering work of nineteenth century nurses such as Florence Nightingale, Dorothea Dix and Clara Barton professional nurses have been involved in caring for the sick and wounded in combat situations. This book contains the accounts of 14 nurses who served in the U.S. military nurse corps during the Persian Gulf and Iraq wars. These men and women describe how they found themselves serving during wartime, the soldiers they cared for, the professionals they worked with and the impact they made in their patients' lives. These varied accounts attest to the tremendous impact this profession has on the lives of individual soldiers and the health of armies at large. **G.I. Nightingales** Barbara Tomblin, 1996-01-01. Recounts the history of the Army Nurse Corps whose members served with but not in the armed forces and describes the experiences of nurses in every theater of World War II including the special situation faced by African American nurses. *Angel Walk* Sharon I. Richie-Melvan, Diane Vines, 2010. *Angel Walk* reveals the untold stories of the men and women who have fought for the lives of those wounded in wartime and provides a unique perspective into the hearts and minds of U.S. military nurses. **Nurses After War** Mary Ellen Doherty, Elizabeth Scannell-Desch, 2016-07-05. Based on candid interviews with 35 nurses who were deployed for the wars in Iraq and Afghanistan this is the first book to reveal the stresses and moral dilemmas they experienced as they transitioned back into everyday life. The nurses share their difficulties with family separation, clinical reassignments, post-traumatic stress disorder, the perceived stigma of seeking mental health counseling and compassion fatigue. They describe how doing nursing in a war zone changed them personally and expanded their nursing skills and how reintegration was more difficult than they had anticipated. In addition to serving as a personal account of the experiences both individual and collective of these military nurses the book will serve researchers as a compelling example of qualitative phenomenological and descriptive research. Interviewees describe in vivid detail their

homecoming family adjustments renegotiation of spousal and parenting roles domestic and workplace challenges and many other dilemmas posed by the reintegration process They provide insights and thoughtful recommendations for changes to current military debriefing to improve the experiences of future wartime nurses Encompassing all three branches of the military the book also examines the differences between active duty services and reserve unit services issues of substance abuse the Veterans Administration the burden of multiple deployments and other common threads among nurses who served in Iraq and Afghanistan KEY FEATURES Provides vivid narrative accounts of nurses reintegration experiences Delivers the first research study of nursing reintegration which includes Army Navy and Air Force Nurse Corps officers following deployment in the Iraqi and Afghani Conflicts Demonstrates how a comprehensive qualitative nursing research study can be crafted into a highly accessible compelling account Explores the personal and professional paths of 35 nurses returning from war Addresses the reintegration differences between active duty versus reserve status

Faces of Civil War Nurses

Ronald S. Coddington, 2020-10-06 A collection of rare archival images and biographical sketches of the dauntless women who served as nurses and caregivers during the Civil War During the American Civil War women on both sides of the conflict radiating patriotic fervor equal to their male counterparts contributed to the war effort in countless ways forming charitable societies becoming nurses or even marching off to war as vivandieres unofficial attaches to the regiments In Faces of Civil War Nurses Ronald S Coddington turns his attention to the experiences of 77 women of all ages and walks of life who provided care during the war as nurses aid workers and vivandieres Their personal narratives are as unique as fingerprints each provides a distinct entry point into the larger social history of the brutal and bloody conflict Coddington tells these determined women's stories through letters diaries pension files and newspaper and government reports Using identified tintypes and cartes de visite of women on both sides of the war many of them never before published Coddington uncovers the personal histories of each intrepid individual Following their postwar stories he also explains how the bonds they formed continued long after the cessation of hostilities The fifth volume in Coddington's series on Civil War soldiers this captivating microhistory will appeal to anyone with an interest in the Civil War women's studies social history nursing or photography Praise for Ronald Coddington's Faces Series An engaging look at a neglected part of the history of the American Civil War Booklist Coddington has hit upon a unique and fascinating niche in the seemingly endless march of Civil War books C RL News A lavishly produced visual record of southern Civil War soldiers will appeal to serious photography enthusiasts and collectors as well as those readers captivated by the personal stories of Civil War soldiers Civil War Books and Authors Coddington's prose is as unpretentious as the faces he shares yet authoritative It resurrects details that broaden our understanding of those sad times and sheds valuable light on the shape of modern culture Atlanta Constitution Even at a distance of over a hundred years the faces staring out of these pages create an undeniable emotional connection with the reader This book is highly recommended H CivWar H Net Reviews A fascinating window into the war's impact on the

individual soldier well researched and engagingly written Any teacher of the Civil War would do well to consult this volume and incorporate some of the captivating tales into lectures and readings *Journal of Military History* ***Vietnam War Nurses at the Ready*** Patricia Rushton, 2023-04-28 This second volume of accounts by nurses who served with U S forces in Vietnam presents recollections of 17 women who cared for American casualties They faced overwhelming trauma conflicting emotions and isolation while caring for wounded at frontline hospitals aboard ships and in medical centers Representing the army and navy their experiences of struggle friendship and love formed their professional and personal lives Officer, Nurse, Woman Kara Dixon Vuic, 2010 Drawing on more than 100 interviews Vuic allows the nurses to tell their own captivating stories from their reasons for joining the military to the physical and emotional demands of a horrific war and postwar debates about how to commemorate their service Vuic also explores the gender issues that arose when a male dominated army actively recruited and employed the services of 5 000 women nurses in the midst of a growing feminist movement and a changing nursing profession Women drawn to the army s patriotic promise faced disturbing realities in the virtually all male hospitals of South Vietnam Men who joined the nurse corps ran headlong into the army s belief that women should nurse and men should fight **Nurses at War** Penny Starns, 2002 During the Second World War Britain s female military nurses actively pursued a frontline policy for the first time As a result they suffered the consequences of war in much the same way as their male counterparts they were bombed tortured imprisoned and more than 3 000 of their number were killed Including a range of vivid testimonies *Nurses at War* examines the personal experiences of nurses at the front It highlights their struggle before during and after the war to gain the recognition and respect that they so richly deserve **Vietnam War Nurses** Patricia Rushton, 2013-05-02 Eighteen nurses who served in the United States military nurse corps during the Vietnam War present their personal accounts in this book They represent all military branches and both genders They served in the theater of combat in the United States and in countries allied with the U S They served in front line hospitals hospital ships large medical centers and small clinics They speak of caring for casualties during a conflict filled with controversy and of patriotism of the nursing profession of travel and the adventure of friendship and love Civil War Nurse Hannah Anderson Ropes, 1980 The chief nurse of the Union Hospital in Washington D C describes life and stress in the hospital and comments on notable persons of power Her heretofore unpublished diary and letters comprise a fresh highly significant document concerning the medical history of the Civil War and the contributions of women nurses in the Northern military hospitals This book is edited with Introduction and Commentary by John R Brumgardt **Nurses at War** Penny Starns, 2000 Based upon a range of oral and written testimonies this text examines the personal experience of nurses who played a role at the front during World War II in theatres as far apart as Africa Europe and the Far East Britain s female military nurses pursued a frontline policy for the first time believing that their skills would be of most use to the wounded in operational areas As a result they suffered the same consequences of war bombing torture imprisonment as their male counterparts and

more than 3000 of their number died as a result of the policy **Veiled Warriors** Christine E. Hallett, 2014 The true story of Allied nursing in the First World War offering a compelling account of nurses wartime experiences and a clear appraisal of their work and its contribution to the Allied cause **The War Nurse** Tracey Enerson Wood, 2021-07-06 Any readers who enjoyed the mix of romance intrigue and medical accuracy of *Call the Midwife* will love *The War Nurse* New York Journal of Books An impeccably researched well drawn based on a true story tale written by a former RN *The War Nurse* shines an important light on a woman whose story was until now lost to time Kristin Harmel New York Times bestselling author of *The Book of Lost Names* Based on a true story *The War Nurse* is a sweeping historical novel by USA Today bestselling author Tracey Enerson Wood that takes readers on an unforgettable journey through WWI France She asked dozens of young women to lay their lives on the line during the Great War Can she protect them Superintendent of Nurses Julia Stimson must recruit sixty four nurses to relieve the battle worn British months before American troops are ready to be deployed She knows that the young nurses serving near the front lines will face a challenging situation but nothing could have prepared her for the chaos that awaits when they arrive at British Base Hospital 12 in Rouen France The primitive conditions a convoluted ineffective system and horrific battle wounds are enough to discourage the most hardened nurses and Julia can do nothing but lead by example even as the military doctors undermine her authority and make her question her very place in the hospital tent When trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other overwhelming the hospital's limited resources and threatening the health of her staff Julia faces an unthinkable choice to step outside the bounds of her profession and risk the career she has fought so hard for or to watch the people she cares for most die in her arms Fans of Martha Hall Kelly's *Lost Roses* and Marie Benedict's *Lady Clementine* will devour this mesmerizing celebration of some of the most overlooked heroes in history the fierce determined and brave nurses who treated soldiers in World War I Praise for *The War Nurse* Through careful research this book shows the incredible bravery and compassion of women who find themselves in extraordinary situations Julia Kelly international bestselling author of *The Last Garden in England* and *The Light Over London* A rich gripping history of one woman's lifelong battle against systemic prejudice Stewart O'Nan award winning author of *The Good Wife* Once again Tracey Enerson Wood with her impeccable research and evocative prose kept me glued to the page Wood has a talent for bringing strong yet lesser known women from history to life Linda Rosen author of *The Disharmony of Silence* A riveting and surprisingly timely story of courage sacrifice and friendship forged at the front lines Kelly Mustian author of *The Girls in the Stilt House* If you like me are a voyeur of historical drama that unfolds as if the kitchen window flew open and the characters were caught in action then *The War Nurse* is for you Diane Dewey author of *Fixing the Fates* Fans of Patricia Harman will love Wood's treatment of medical expertise in a historical setting Booklist **Angels of Mercy** Betsy Kuhn, 1999-10 Relates the experiences of World War II Army nurses who brought medical skills courage and cheer to hospitals throughout Europe North Africa and the Pacific

Our Army Nurses ,1895 The Civil War provided women with an opportunity to enter the field of medicine and laid the groundwork for the development of the nursing profession This book provides biographical sketches on women such as Clara Barton and Dorothea Dix who provided nursing care during the Civil War **Quiet Heroines** Brenda McBryde,1985
Skildring af engelske sygeplejerskers oplevelser under 2 VK p forskellige fronter i Europa Nordafrika Hong Kong og Singapore En beretning om kvinders mod og duelighed under krigsforhold

As recognized, adventure as without difficulty as experience roughly lesson, amusement, as with ease as understanding can be gotten by just checking out a books **Nurses At War** along with it is not directly done, you could agree to even more going on for this life, not far off from the world.

We pay for you this proper as with ease as simple pretentiousness to get those all. We find the money for Nurses At War and numerous books collections from fictions to scientific research in any way. along with them is this Nurses At War that can be your partner.

Nurses At War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Nurses At War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Nurses At War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Nurses At War free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers

voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Nurses At War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Nurses At War any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Nurses At War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nurses At War is one of the best book in our library for free trial. We provide copy of Nurses At War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nurses At War. Where to download Nurses At War online for free? Are you looking for Nurses At War PDF? This is definitely going to save you time and cash in something you should think about.
