with *Light* introduces readers to the art craft and technology of stage lighting to help them create designs that shape the audience's emotional reaction to and understanding of a stage production. This new edition is fully updated to include current information on the technology and equipment of stage lighting: lighting fixtures, lamps, cabling, dimmers, control boards, and LED tape, as well as electrical theory. Readers will learn how designed light is used to enhance the audience's understanding and enjoyment of a production. The book includes specific information on drafting the light plot, explores the challenges of designing for different stage configurations, and provides examples of lighting designs for dramas, musicals, and dance. It also features comments and thoughts from active designers from both mainstream theatrical productions and related industries and has a new emphasis on diversity and inclusion-related practices and language. Written for students of lighting design and technology as well as professional technicians and designers, *Designing with Light* offers a comprehensive survey of the practical and aesthetic aspects of stage lighting design.

Chronicles of Carols in Color Jaye Allison, 2015-12-12 Pursuing a dance career on your own is the very personal story painted in this historical document. From a 2nd Grader's dream to J P Turner Middle School dancing in the big musical Dreamland Cafe to a friend teaching her ballet in the basement. The story begins here where opportunity and being prepared crossed artistic paths. There was so much catching up to do. She auditioned and made a place in the brand new performing arts magnet high school to begin serious training. Jaye met her dancing soul mate Leon and together found some local notoriety producing and directing a dance company since turning eighteen. This relationship led to creating a Philadelphia area annual Christmas holiday tradition and was 17 years in the making. It is the author's sincere hope that sharing part of her testimony can encourage youths of all ages through this Do It Yourself guide told in storybook form.
