Nyerere,1969 Freedom and Socialism Julius K. Nyerere,1974 President Julius Nyerere of Tanzania ,1977 Mwalimu Colin Legum,G. R. V. Mmari,1995 In this text

international figures such as Father Huddleston and Sir Shridath Ramphal join with Tanzanian scholars to assess not without criticism the influential contributions of Julius Nyerere both within his own country and across the Third World Part 1 provides an overview of the man and his thought Part 2 focuses on those areas of policy in which Nyerere took a particular interest Part 3 concentrates on the major social economic and political issues that have been central to the unique Tanzanian experience unique because of the man who shaped the first quarter of a century of independence **We Must Run While**

**They Walk** William Edgett Smith,1972 *Quotable Quotes Of Mwalimu Julius K Nyerere* C. Liundi,2011-12-29 President Julius Kambarge Nyerere was the first President of the United Republic of Tanzania and Founder of the Nation He came into power through the ballot a democratic process held in 1961 and remained in power for more than two decades Mwalimu Nyerere was a gifted and morally upright man He was a true son of Africa a PanAfricanist a nationalist charismatic orator steadfast thinker diplomat and above all a teacher He chose to be called simply Mwalimu Teacher Throughout his term of office he gave hundreds of speeches some were prepared in advance others given extemporaneously The Mwalimu Nyerere Foundation founded by Mwalimu Nyerere himself in 1996 has assembled and put his speeches and writings into books The Quotations in this book are only those picked from the books in Freedom Series and his University Lectures They are presented and arranged under the following themes Philosophy of life Equality of Man Colonialism Tanzanias Revolution Democracy Selfreliance Rural Development Nonalignment African Unity the United Nations Leadership and Education

**Beyond Capitalism Vs. Socialism in Kenya and Tanzania** Joel D. Barkan,1994 Explores how Tanzania and Kenya often regarded as paradigms of capitalist and socialist development in Africa have responded to the challenges they face such as population growth mounting external debt and structural adjustment by modifying their original approach to development

**Tanzania in Transition** Kjell J. Havnevik,Aida C. Isinika,2010 This book is the first comprehensive contribution to understanding the character of important societal transitions in Tanzania during Benjamin Mkapa s presidency 1995 2005 The analyses of the trajectory of these transitions are conducted against the background of the development model of Tanzania s first president Julius Nyerere 1961 1985 a model with lasting influence on the country This approach enables an understanding of continuities and discontinuities in Tanzania over time in areas such as development strategy an ideology agrarian land gender and forestry issues economic liberalization development assistance corruption and political change The period of Mkapa s presidency is particularly important because it represents the first phase of Tanzania s multi party political system Mkapa s government initially faced a gloomy economic situation Although Mkapa s crusade against corruption lost direction his presidency was characterised by relatively high growth rates and a stable macro economy Rural and agrarian transitions were dominated by diversification rather than productivity growth and transformation Rural attitudes in favour of land markets emerged only slowly but formal land disputes showed more respect for women s rights Some space emerged for widening local participation in forest management but rural dynamics was mainly found in trading settlements feeding on

economic liberalization and artisanal mining The transitions documented and analysed of Mkapa s presidency however indicate only limited transformational change Rural poverty is therefore likely to remain deep and the sustainability of economic development to be at risk in the future Mkapa was however able to protect the legacy of peace and political stability of Nyerere but there were nevertheless important challenges to the first multiparty elections and governance and particularly in Zanzibar The post script covering 2005 2010 indicates that the incumbent president Jakaya Kikwete has yet to prove that he can change this legacy of Mkapa The contributions to the eleven chapters of this book are evenly shared between Tanzanian Nordic and other European researchers with a long term commitment to Tanzanian development research The book is dedicated to the youth of Tanzania Development As Rebellion (PB Box Set) G. Shivji, Saida Yahya-Othman, 2020-05-18 This is the first comprehensive biography of Julius Nyerere a national liberation leader the first president of Tanzania and an outstanding statesman of Africa and the global south Written by three prominent Tanzanians the work spans over 1200 pages in three volumes It delves into Nyerere s early days among his chiefly family and the traditions friends and education that moulded his philosophy and political thought All these provide the backdrop for his entrance into nationalist politics the founding of the independence movement and his original experiment with socialism The work took six years to research and write involving extensive and wide ranging interviews with persons from all walks of life in Tanzania and abroad Among these were several leaders in East and Southern Africa who were based in Dar es salaam during their liberation struggles The authors also visited several British universities and archives with material related to Nyerere and Tanzania thus enriching the work with primary sources that not available in Tanzania The book does not shy away from a critical assessment of Nyerere s life and times It reveals the philosopher ruler s dilemmas and tensions between freedom and necessity determinism and voluntarism and above all between territorial nationalism and continental Pan Africanism
