Building & Community Development Gary Paul Green, Anna Haines, 2015-04-01 A comprehensive approach focused on sustainable change Asset Building and Community Development Fourth Edition examines the promise and limits of community development by showing students and practitioners how asset based developments can improve the sustainability and quality of life Authors Gary Paul Green and Anna Haines provide an engaging thought provoking and comprehensive approach to asset building by focusing on the role of different forms of community capital in the development process Updated throughout this edition explores how communities are building on their key assets physical human social financial environmental political and cultural capital to generate positive change With a focus on community outcomes the authors illustrate how development controlled by community based organizations provides a better match between assets and the needs of the community

Missing Class Betsy Leondar-Wright, 2014-03-19 Many activists worry about the same few problems in their groups low turnout inactive members conflicting views on racism overtalking and offensive violations of group norms But in searching for solutions to these predictable and intractable troubles progressive social movement groups overlook class culture differences In *Missing Class* Betsy Leondar Wright uses a class focused lens to show that members with different class life experiences tend to approach these problems differently This perspective enables readers to envision new solutions that draw on the strengths of all class cultures to form the basis of stronger cross class and multiracial movements The first comprehensive empirical study of US activist class cultures *Missing Class* looks at class dynamics in 25 groups that span the gamut of social movement organizations in the United States today including the labor movement grassroots community organizing and groups working on global causes in the anarchist and progressive traditions Leondar Wright applies Pierre Bourdieu's theories of cultural capital and habitus to four class trajectories lifelong working class and poor lifelong professional middle class voluntarily downwardly mobile and upwardly mobile Compellingly written for both activists and social scientists this book describes class differences in paths to activism attitudes toward leadership methods of conflict resolution ways of using language diversity practices use of humor methods of recruiting and group process preferences Too often we miss class *Missing Class* makes a persuasive case that seeing class culture differences could enable activists to strengthen their own groups and build more durable cross class alliances for social justice

The Fox in the Henhouse Elizabeth Minnich, Si Kahn, 2010-05 Read a transcript of Amy Goodman's interview with Si and Elizabeth on Democracy Now A legendary activist and a distinguished public philosopher address a timely but complex issue in a way that is accessible and compelling Evaluates privatization not just economically but in social political and human terms Offers principles and practices for creating alternatives to privatization and strengthening the public sector Privatization has been on the right wing agenda for years but now it has the power of the Bush administration behind it Health care schools Social Security public lands the military prisons all are considered fair game But does privatization really serve the public good Or is it a payoff to powerful corporations intent on replacing the government with a private profit culture in which there is no

meaningful public accountability and the bottom line rules all In this powerful book legendary activist Si Kahn and public philosopher Elizabeth Minnich argue that privatization is a threat whose seriousness few appreciate Kahn and Minnich expose the damage privatization has done in several specific areas of society as well as to society as a whole They argue that corporations are by their very nature unable to effectively fulfill what have traditionally been the responsibilities of government Some things that are worth doing simply cant indeed shouldnt be done purely for profit Unless there is a balance between the public and private sectors vulnerable populations will be chronically underserved and critical public functions will be under funded to the point of virtual elimination Privatization is usually dealt with in dry economic terms but Kahn and Minnich take an unusual and lively approach to the issue Combining stories analysis impassioned argument and even song lyrics they discuss how the concept of privatization has evolved and look at the different forces that work for and against it emphasizing the extreme anti government ideology motivating many privatization advocates And they outline principles and practices for combating privatization and its proponents The Fox in the Henhouse makes a powerful case that the market is not the measure of all things and that a vital public sector is an indispensable component of a healthy democracy
