Original New Testament:

The Original New Testament Hugh J. Schonfield, The story of Jesus as the writers of the New Testament meant it to be told Astonishingly unlike the New Testament as it has been handed down to us today this remarkable new translation makes the story come alive as never before Impelled by the latest archaeological and historical discoveries eminent scholar Hugh J Schonfield has returned the New Testament to its own time and place relating its documents to contemporary literature customs and beliefs The first truly historical translation with no theological motivation or devotional purpose The Original New Testament rediscovers the force and urgency of the original message Dr Schonfield systematically corrects mistakes in translation that have been compounded over time and eradicates later theological developments that he believes were falsely ascribed to the original writers Here is a work at once passionate in dedication and scholarly in execution The fresh and very readable translation of The Original New Testament suggests to both Jews and Christians that they have missed something in the story of Jesus of Nazareth In a very real sense it re emphasises the Jewishness of the New Testament And to those of both faiths it offers new opportunities for understanding and applying the Bible s message Included are full historical and explanatory notes making this a vivid and inspiring translation which will also support the student of bible studies **The Original Aramaic New Testament in Plain English with Psalms & Proverbs (8th edition without notes)** Rev. David Bauscher,2014-07-13 This is a translation 8th edition 2013 of The Aramaic New Testament Aramaic was the language of Jesus and his countrymen of 1st century Israel in a literal English prose translation of The Peshitta New Testament A translation of the Psalms Proverbs from the ancient Peshitta OT Version is included at the end Aramaic was the language of the Jews in Israel the Middle East and in Europe from the 6th century BC and afterward until the Muslim conquests of the 7th century AD This translation is derived from the author s Aramaic English Interlinear New Testament and The Psalms Proverbs interlinear Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Yeshua Jesus in ancient Aramaic as He originally spoke them in a literal and readable English rendering 389 pages 8 x 11 paperback in Large Print *The Original Aramaic New Testament in Plain English in Calligraphy font (7th ed. with embedded notes)* Rev. Glenn David Bauscher,2014-01-09 This is the 7th edition of The Original Aramaic Peshitta New Testament in Plain English Aramaic was the language of the Jewish people in Israel and throughout the Middle East and in Europe from the time of their captivity in Babylon in the 6th century BC and afterward until the Muslim conquests of the 7th century AD The Peshitta is the original Aramaic New Testament as the author demonstrates in the hundreds of notes throughout this edition from Matthew to Revelation showing how the Greek NT is a translation of the Peshitta s Aramaic readings and sometimes a mistranslation or several Greek translations resulted from one Aramaic reading The original NT was written by Jewish men for the most part to Jewish converts of Yeshua The Messiah who were the first and founding

members of the churches Paul The Apostle evangelized throughout the Roman world of the 1st century Paul always went to the synagogues in any city or town and preached Yeshua The Messiah as The Son of God and THE LORD 8x11 paperback

Divine Contact-Discovery of The Original New Testament Rev. David Bauscher,2007-07-26 This book documents an incredible phenomenon in The Peshitta New Testament which was written in the language of Jesus and his countrymen of 1st century Israel Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible This discovery of long Gospel messages in the form of Bible Codes will surprise and thrill the reader with the power and inspiration of the words of the Codemaker God Long codes an exhaustive search for Divine Name codes give very compelling evidence that The Aramaic Peshitta NT is the Divinely authored original behind the Greek NT The codes and nine other comprehensive analyses take up 124 pages Black and white graphics are used throughout the book with many illustrations of codes in large Hebrew letters with English translations graphs charts and art work B W paper *The New Testament ... in the original Greek: with notes and introductions by C. Andrews,2020-06-17 What are the churchgoers the Bible college students and seminary students to do when one Bible scholar says one thing and another Bible scholar says something quite different or worse still several Bible scholars are giving you several different opinions on one particular Bible issue What makes it even more unsettling is when the Christian is not well informed in that area of study only having basic knowledge How can the

Christian possibly know which of the Bible scholars are correct Worse still the Christian is put in the embarrassing position on social media of telling an atheist or Bible critic one of the scholar s views and then the atheist or Bible critic responds to the Christian with no your evidence is outdated as recent research points to _____ and then they offer another answer that put the Bible in a bad light What is the Christian to do What will be accomplished here in this publication is we are going to give the reader much evidence when it comes to the documents of the New Testament how that evidence impacts our Bible translations and an in depth look at Bible difficulties as well This can be used to build your faith to save someone who may have begun to doubt the trustworthiness of the Bible and many reading responses that can be used on social media and other forms of your ministry Andrews is an author of more than 140 books many of which are a defense of God s Word
