Orvie The Dictator Of Dearborn:

Orvie David L. Good, 1989 The literature on political machines of American mayors is rich and varied Essentially undiscovered however is Orvie the most flamboyant and original of them all and on his home turf arguably the most powerful David L Good describes the public and private life of Orville L Hubbard a man whose remarkable political career overlapped the terms of seven presidents Hubbard was mayor of Dearborn Michigan home of the Ford Motor Company from 1942 to 1978 ranking him as the second longest tenured mayor in U S history He became a model for successful suburban leaders establishing a reputation for outstanding municipal services and low taxes as well as for the most notorious racist rhetoric north of the Mason Dixon line During his reign Hubbard was compared with nearly all the tyrants of the twentieth century and some before At his peak of some 350 pounds Orvie was a blimp shaped dreadnaught who set up a government in exile in Canada because sheriff s deputies were waiting to arrest him back home was pictured in the newspapers on his way to the Republican National Convention disguised in a clown mask and ordered his fire chief to take an axe to the office door of Henry Ford II Acquitted in a federal civil rights case Hubbard showed his appreciation to the jury by taking them out to dinner After the 1967 riots in Detroit Orvie threatened to shoot looters on sight Hubbard took over a town the town run by the American legend Henry Ford without a traditional party organization extensive patronage or other trappings of a political machine The Hubbard machine was essentially a one man operation consisting of Hubbard himself who prevailed on the sheer force of his personality David L Good who reported on Hubbard for eighteen years bases his book on personal observation public and private records and interviews with Hubbard and family members Although the book reads like the stuff of novels Orvie The Dictator of Dearborn is a serious study of one of the most controversial figures in American municipal government
