The Double Life of Bob Dylan Clinton Heylin,2021-05-18 From the world s leading authority on Bob Dylan comes the definitive biography that promises to transform our understanding of the man and musician thanks to early access to Dylan s never before studied archives In 2016 Bob Dylan sold his personal archive to the George Kaiser Foundation in Tulsa Oklahoma reportedly for 22 million As the boxes started to arrive the Foundation asked Clinton Heylin author of the acclaimed Bob Dylan Behind the Shades and perhaps the world s authority on all things Dylan Rolling Stone to assess the material they had been given What he found in Tulsa as well as what he gleaned from other papers he had recently been given access to by Sony and the Dylan office so changed his understanding of the artist especially of his creative process that he became convinced that a whole new biography was needed It turns out that much of what previous biographers Dylan himself included have said is wrong With fresh and revealing information on every page A Restless Hungry Feeling tells the story of Dylan s meteoric rise to fame his arrival in early 1961 in New York where he is embraced by the folk scene his elevation to spokesman of a generation whose protest songs provide the soundtrack for the burgeoning Civil Rights movement his alleged betrayal when he goes electric at Newport in 1965 his subsequent controversial world tour with a rock n roll band and the recording of his three undisputed electric masterpieces Bringing it All Back Home Highway 61 Revisited and Blonde on Blonde At the peak of his fame in July 1966 he reportedly crashes his motorbike in Woodstock upstate New York and disappears from public view When he re emerges he looks different his voice
