Bartholomew, 2015-11-10 2016 Word Guild Award Academic category Honorable mention Grace Irwin Prize Renowned scholar Craig Bartholomew coauthor of the bestselling textbook *The Drama of Scripture* writes in his main area of expertise hermeneutics to help seminarians pursue a lifetime of biblical interpretation Integrating the latest research in theology philosophy and biblical studies this substantive hermeneutics textbook is robustly theological in its approach takes philosophical hermeneutics seriously keeps the focus throughout on the actual process of interpreting Scripture and argues that biblical interpretation should be centered in the context and service of the church an approach that helps us hear God's address today *Biblical Interpretation and Philosophical Hermeneutics* Bradley Hudson McLean, 2012-07-16 B H McLean proposes a new post historical method of applying philosophical hermeneutics to biblical studies **Encountering the Living God in Scripture** William M. IV Wright, Francis Martin, 2019-01-22 This work gives a philosophical and theological account of the belief that Scripture enables people to encounter the life giving reality of God The authors examine the biblical foundations for this belief as given in a variety of witnesses from both Testaments and explain the philosophical and theological underpinnings of Christian exegesis The book sums up and makes accessible the teaching of revered senior scholar and teacher Francis Martin and is aimed squarely at students assuming no advanced training in philosophy or theology It includes a foreword by Robert Sokolowski Renewing Biblical Interpretation Zondervan, 2022-03-15 *Renewing Biblical Interpretation* is the first of eight volumes from the Scripture and Hermeneutics Seminar This annual gathering of Christian scholars from various disciplines was established in 1998 and aims to re assess the discipline of biblical studies from the foundation up and forge creative new ways for re opening the Bible in our cultures Including a retrospective on the

Hauser, Duane F. Watson, 2003 *A History of Biblical Interpretation* provides detailed and extensive studies of the interpretation of the Scriptures by Jewish and Christian writers throughout the ages This first volume explores interpreters and their methods in the ancient period from the very earliest stages to the time when the canons of Judaism and Christianity gained general acceptance

"Behind" the Text Craig G. Bartholomew, 2003 The fourth in a series of books that result from annual conferences of the top evangelical hermeneutical scholars in the world The topic for this book probes contemporary theories on the philosophy and theology of history and analyzes how those views intersect with the concept of the Bible as history Narrative Theology and the Hermeneutical Virtues Jacob L. Goodson, 2015-01-21 In *Narrative Theology and the Hermeneutical Virtues* Humility Patience Prudence Jacob L Goodson offers a philosophical analysis of the arguments and tendencies of Hans Frei s and Stanley Hauerwas narrative theologies Narrative theology names a way of doing theology and thinking theologically that is part of a greater movement called the return to Scripture The return to Scripture movement makes a case for Scripture as the proper object of study within Christian theology philosophy of religion and religious ethics While thinkers within this movement agree that Scripture is the proper object of study within philosophy and religious studies there is major disagreement over what the word narrative describes in narrative theology The Yale theologian Hans Frei argues that because Scripture is the proper object of study within Christian theology and the philosophy of religion Scripture must be the exclusive object of study To think theologically means paying as close attention as possible to the details of the biblical narratives in their literal sense Different from Frei s contentions the Christian ethicist at Duke University Stanley Hauerwas claims if Scripture is the proper object of study within Christian theology then the category of narrative teaches us that we ought to give our scholarly attention to the interpretations and performances of Scripture Hauerwas emphasizes the continuity between the biblical narratives and the traditions of the church This disagreement is best described as a hermeneutical one Frei thinks that the primary place where interpretation happens is in the text Hauerwas thinks that the primary place where interpretation occurs is in the community of interpreters In order to move beyond the dichotomy found between Frei s and Hauerwas work but to remain within the return to Scripture movement Goodson constructs three hermeneutical virtues humility patience and prudence These virtues help professors and scholars within Christian theology philosophy of religion and religious ethics maintain objectivity in their fields of study **The Bible and Natural Philosophy in Renaissance Italy** Andrew D. Berns, 2015 *The Bible and Natural Philosophy in Renaissance Italy* explores how doctors studied the Bible and other sacred texts in sixteenth century Italy Andrew D Berns argues that as a result of their training they understood the Bible not only as a divine work but also as a historical and scientific text *Pillars in the*
