Framing Class Diana Kendall, 2011-04-16 Class action in the media Twenty four karat gold frames lifestyles of the rich and famous Gilded cages media stories of how the mighty have fallen Fragile frames the poor and homeless Tarnished metal frames the working class and the working poor Splintered wooden frames the middle class Framing class vicarious living and conspicuous consumption

A Terrible Splendor Marshall Jon Fisher, 2010-04-20 Before Federer versus Nadal before Borg versus McEnroe the greatest tennis match ever played pitted the dominant Don Budge against the seductively handsome Baron Gottfried von Cramm This deciding 1937 Davis Cup match played on the hallowed grounds of Wimbledon was a battle of titans the world's number one tennis player against the number two America against Germany democracy against fascism For five superhuman sets the duo's brilliant shotmaking kept the Centre Court crowd and the world spellbound But the match's significance extended well beyond the immaculate grass courts of Wimbledon Against the backdrop of the Great Depression and the brink of World War II one man played for the pride of his country while the other played for his life Budge the humble hard working American who would soon become the first man to win all four Grand Slam titles in the same year vied to keep the Davis Cup out of the hands of the Nazi regime On the other side of the net the immensely popular and elegant von Cramm fought Budge point for point knowing that a loss might precipitate his descent into the living hell being constructed behind barbed wire back home Born into an aristocratic family von Cramm was admired for his devastating good looks as well as his unparalleled sportsmanship But he harbored a dark secret one that put him under increasing Gestapo surveillance And his situation was made even more perilous by his refusal to join the Nazi Party or defend Hitler Desperately relying on his athletic achievements and the global spotlight to keep him out of the Gestapo's clutches his strategy was to keep traveling and keep winning A Davis Cup victory would make him the toast of Germany A loss might be catastrophic Watching the mesmerizingly intense match from the stands was von Cramm's mentor and all time tennis superstar Bill Tilden a consummate showman whose double life would run in ironic counterpoint to that of his German pupil Set at a time when sports and politics were inextricably linked A Terrible Splendor

gives readers a courtside seat on that fateful day moving gracefully between the tennis match for the ages and the dramatic events leading Germany Britain and America into global war A book like no other in its weaving of social significance and athletic spectacle this soul stirring account is ultimately a tribute to the strength of the human spirit *Reruns on File* Donald G. Godfrey, 2013-09-13 For more than half a century broadcast recordings have reflected an important aspect of our culture and history An increasing number of archivists and private collectors have restored and exchanged radio and television materials However despite the awareness of these primary resource materials there is still some reluctance to utilize this aural and visual history resource A part of this reluctance is due to the fact that little is known about the existence of many collections throughout the nation This volume provides a comprehensive directory of electronic media archives in the United States and Canada It describes each collection focusing on its speciality providing the serious researcher with ready access information to these electronic media program resources Focusing on both private and institutional collections it is organized by state and city with indexes to provide the scholar with subject and location of specific topics of interest

The LeBaron Secret Stephen Birmingham, 2015-12-01 An aging California vintner is determined to protect her empire from a hostile family takeover and the dark secrets that could destroy everything she loves At age seventy four Assaria Sari LeBaron is still a force to be reckoned with For decades she has run the Baronet Vineyards one of California s largest and most successful wine producers maintaining sole control even after a suspicious accident left her permanently crippled And now in her golden years the formidable Sari refuses to relinquish power to her own children a decision that has only served to increase tensions among her already emotionally damaged family members But Sari s ambitious son Eric is no longer willing to play a subservient role and has begun working behind the scenes to take over the business forming alliances within and outside the family in his effort to dethrone the unyielding matriarch The most difficult fight of Sari LeBaron s long and eventful life has begun a heartbreaking struggle that will pit loved one against loved one and expose long hidden secrets that could destroy both Sari s business and her family The LeBaron Secret is another riveting excursion into a world of privilege that Stephen Birmingham knows intimately It is a breathtaking tale of secrets and lies shady double dealings family skeletons and the inner turmoil of the fabulously wealthy as only the bestselling author of *Our Crowd* and *The Auerbach Will* could tell it

TV Guide, 1996 *The Hollywood Book of Breakups* James Robert Parish, 2010-12-20 Half of all marriages end in divorce and then there are the really unhappy ones Joan Rivers Do you suppose that the person who first said Life is stranger than fiction might have had Hollywood marriages in mind Why watch a romantic film starring a leading man and a leading lady when their real life romances are so much more interesting It seems that a celebrity s latest film can have a considerably longer life span in the theater than his or her marriage du jour One would almost think that Tinseltown has come to embrace divorce as an accepted pastime Some celebrities have seemingly collected spouses over the years systematically adding notches in their belts of divorces Cases in point Zsa Zsa Gabor nine Lana Turner eight Elizabeth Taylor

nine and Mickey Rooney eight This list appears to make Jennifer Lopez a mere novice with only three marriages two divorces and one terminated engagement to date In The Hollywood Book of Breakups James Robert Parish looks at scores of hot Hollywood romances that eventually fell apart From the decade long union of Tom Cruise and Nicole Kidman to the just for show nuptials of Rock Hudson and Phyllis Gates to the four and a half year marriage of Brad Pitt and Jennifer Aniston to the other woman divorce of Debbie Reynolds and Eddie Fisher Parish covers it all from the burning embers to the fizzling fires of Hollywood breakups You couldn't make this stuff up and James Robert Parish doesn't need to Hollywood writes its own drama when it comes to scandalous breakups
