## **Poor Richard In France:**

*Poor Richard in France*, F. N. Monjo, 1973-11-01 Benjamin Franklin's seven year old grandson recounts the events of his grandfather's visit to France seeking aid for the revolutionaries in America [Poor Richard in France](#) F.N.

Monjo, 2014-06-30 Benjamin Franklin's seven year old grandson recounts the events of his grandfather's visit to France seeking aid for the revolutionaries in America **Poor Richard in France-CC** , [Franklin in France](#) Edward Everett Hale, 1888 [Lifelines in World History](#) Ase Berit, Rolf Strandskogen, 2015-03-26 This lavishly illustrated full color set is

organized by the time frames that mirror the National Standards for world history for grades 6-12. An ideal supplement to all the major textbooks it offers appealing and comprehensive biographies of history's most influential figures both famous and infamous. *Lifelines in World History* features biographies of figures from Africa, the Americas, Asia, and the Pacific, Europe, and Southwest Asia and covers the most significant events and trends in world history. Each volume includes 15-20 biographies and in addition to biographical information each entry includes engaging sidebars that feature key dates, more people to know, words from their time, and cultural connections. The set also includes numerous full color maps. [Interpreting American Democracy in France](#) Walter Dennis Gray, 1994 *Interpreting American Democracy in France* is a study of the French savant, liberal politician, and Americanist Edouard Laboulaye. Laboulaye, who was a professor at the Collège de France, is perhaps best known in America today as president of the Union Franco-Américaine, which raised funds in France for the Statue of Liberty. He was also well known to Americans in the nineteenth century, particularly for his staunch support of the Union in the American Civil War. He and his circle influenced French public opinion and were instrumental in preventing the government of Napoleon III from recognizing the Confederacy. After the Revolutions of 1848, the aftermath of which disillusioned him, a dominant theme in Laboulaye's writings was that America provided France with a model constitution that guaranteed individual liberties and a stable political system; it was his great hope that his country would follow this example. As France's leading Americanist, Laboulaye's energies were devoted to lectures on American history and politics and work on behalf of the North during the Civil War. He was also a translator of the works of those Americans for whom he had a special devotion: Franklin, Channing, and Mann. As a founding father of the Third Republic, Laboulaye drew great satisfaction from the fact that some principles drawn from the American political tradition were embodied in its constitutional laws. Additionally, Laboulaye was the first Frenchman to give a course on American history at a French university, and he later published a three-volume history of the United States, which stands as his masterpiece. He was a member of the liberal opposition to Napoleon III and, after 1870, became active in the Third Republic, serving as deputy and later senator for life. In France, Laboulaye is primarily known as a professor at the respected Collège de France, a position he maintained throughout his entire career and as a member of the Institut de France. He was also president of the French Anti-Slavery Society. Laboulaye was, in fact, a savant of almost universal interests who held a place at the center of French intellectual life during the Second Empire and

the early Third Republic His bibliography comprised of books pamphlets essays children s stories and articles totals over two hundred entries His final years as a senator for life were devoted in large part to a successful fundraising campaign for the Statute of Liberty which he did not live to see erected in New York Harbor and to carrying on the fight for political liberty as he envisioned it This book is based on extensive research into the unpublished papers of Laboulaye which are still in his family s possession and manuscripts in other depositories in France and the United States BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved France and America in the Revolutionary Era Thomas J. Schaeper,1995 This is the first detailed study account of the life and career of Chaumont whose chief claim to fame was the fact that from 1777 to 1785 Benjamin Franklin lived in his home in the Parisian suburb of Passy Basing his work on documents from two dozen archives in the United States and France Schaeper demonstrates that Chaumont was far more than merely a landlord Prior to the American Revolution he had become one of the most powerful and respected businessmen of the Old Regime For personal as well as patriotic reasons he aided the American insurgents and worked with a wide array of persons In addition to Franklin these included John Adams Silas Deane Caron de Beaumarchais the marquis de Lafayette and the comte de Vergennes Chaumont performed an astounding range of services acting as intermediary an adviser and a supplier of arms and clothing His most dramatic contribution to the American cause involved John Paul Jones It was Chaumont who obtained the famous Bonhomme Richard for the commodore Through looking at the activities of this intriguing individual the author is able to offer many new insights into both American and French history Lively and well written this biography will appeal to both the historian and the general reader **A History of France** Mrs. Markham,1837

A History of France Jacob Abbott,2024-03-12 Reprint of the original first published in 1876 *The Calendar in Revolutionary France* Sanja Perovic,2012-08-27 One of the most unusual decisions of the leaders of the French Revolution and one that had immense practical as well as symbolic impact was to abandon customarily accepted ways of calculating date and time to create a Revolutionary calendar The experiment lasted from 1793 to 1805 and prompted all sorts of questions about the nature of time ways of measuring it and its relationship to individual community communication and creative life This study traces the course of the Revolutionary Calendar from its cultural origins to its decline and fall Tracing the parallel stories of the calendar and the literary genius of its creator Sylvain Mar chal from the Enlightenment to the Napoleonic era Sanja Perovic reconsiders the status of the French Revolution as the purported origin of modernity the modern experience of time and the relationship between the imagination and political action *The American Revolution, Grades 5 - 12* Lee,2018-01-02 The American Revolution book by Mark Twain for fifth to eighth grades provides information on the events leading up to the American Revolution the American victory and the beginning of the United States government This social studies resource book helps students examine the historical decisions of leaders of the time as well as everyday people while providing activities to develop reading comprehension skills Mark Twain Media Publishing Company specializes in providing

engaging supplemental books and decorative resources to complement middle and upper grade classrooms Designed by leading educators this product line covers a range of subjects including mathematics sciences language arts social studies history government fine arts and character France ,1919 America's Ambassadors to France (1777-1927) Beckles Willson,1928 Inventing the Romantic Don Quixote in France Clark Colahan,2023-06-22 Cervantes now mythical character of Don Quixote began as a far different figure than the altruistic righter of wrongs we know today The transformation from mad highway robber to secular saint took place in the Romantic Era but how and where it began has just begun to be understood Germany and England played major roles but contrary to earlier literary historians Pascal Racine Rousseau and the Jansenists scooped Henry and Sarah Fielding Jansenism a persecuted puritanical and intellectual movement linked to Pascal identified itself with Don Quixote s virtues excused his vices and wrote a game changing sequel mediated by the transformative powers of a sorcerer from Commedia dell Arte As an early Romantic Rousseau was attracted to the hero s fertile imagination and tender love for Dulcinea foregrounding the would be knight s quest in a play and his best selling novel Julie Sarah Fielding reacted similarly basing her utopian novel David Simple on the Jansenist concept of quixotic trust in others Colahan here reproduces and explains for the first time the extremely rare original illustrations of the French sequel to Cervantes novel and documents the fortunes in French culture of the magician at the heart of the Romantic Quixote Introduction of this book is freely available as a downloadable Open Access PDF at [http www taylorfrancis com](http://www.taylorfrancis.com) under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **Sketches of Conspicuous Living Characters of France** Louis de Loménie,1841 *France Courageous and Indomitable* Oswald Chew,1925 *Observations in Europe, Principally in France and Great Britain* John Price Durbin,1846 *A Mirror of France and Belgium for the Present Day* John Rodwell HUX,1854 **Cusack, M.F.
