## **Poor Sailors Airline A History Of Pacific Southwest Airlines:**

**Poor Sailors' Airline** Gary Kissel, 2002 Complete history of the innovative Californian airline that pioneered deep discount fare commercial passenger service and served as a model for others to follow      **Pacific Southwest Airlines** Alan Renga, Mark E. Mentges, 2010 With its low fares and friendly service Pacific Southwest Airlines PSA was one of the most successful regional airlines in American history Its distinctive orange red and white planes complete with a beaming smile were immediately recognizable to those living on the West Coast The airline was also known for employing beautiful and sociable flight attendants Kenny Friedkin the founder of PSA started in 1949 with one leased DC 3 and expanded his fleet to serve millions of passengers each year Although PSA is no longer in operation its successful business model of low priced efficient service was copied by other airlines and today is considered the norm In addition former PSA employees still gather annually to relive the camaraderie they experienced as being a part of one of the most unique airlines of all time

**Low-Cost Carriers in Emerging Countries** John Bowen, 2019-02-14 Low Cost Airline Carriers in Emerging Countries traces the development of low cost carriers LCCs in Asia Latin America the Middle East and Africa examining airlines that have become significant players in their home markets but little known at a global scale The book maps the geography of the LCC phenomenon explaining the starkly varying success of budget airlines and assessing their current social economic and environmental impacts The book concludes with insights into the future potential of the LCC phenomenon along with its global ramifications Beginning with Southwest Airlines in the 1970s low cost carriers LCCs have democratized air travel around the world fostering huge increases in airline traffic and transforming the airline industry At the same time however the ascent of these budget airlines has exacerbated aviation related problems such as aircraft noise airport congestion greenhouse gas emissions and more LCCs have been extensively studied in the US and Europe but not in emerging regions of the globe Yet the impact of such airlines is greatest in low and middle income economies where only a small fraction of the population has ever flown and where competition from alternative modes road rail is weak      *Airlines of the Jet Age* R.E.G. Davies, 2016-08-24 Airlines of the Jet Age provides the first comprehensive history of the world's airlines from the early 1960s to the present day It begins with an informative introductory chapter on the infancy of flight and the development of air transport craft used during the First and Second World Wars and then wings into the first Jet Age the advent of jet airlines It continues through the second Jet Age of wide bodied aircraft such as the Boeing 747 and DC 10 and closes with the introduction of the third Jet Age which begins with the giant double decked Airbus A380 This reference book is an unparalleled reference for aviation buffs covering airlines around the globe and throughout the modern eras of human flight The last book written by renowned airline historian R E G Davies Airlines of the Jet Age is the ultimate resource for information and insight on modern air transport      **Airways**, 2003      Великие по собственному выбору Джим Коллинз, Мортен Хансен, 2013-04-16      *Hot War on the Consumer* David Sanford, 1969 Essays exposing deceitful business
