Valentina Gonzalez,2019 This book is an innovative work that takes a fresh approach to the concept of race as a social factor made concrete in popular forms such as film television and music The essays push past the reaffirmation of static conceptions of identity authenticity or conventional interpretations of stereotypes and bridge the intertextual gap between theories of community enactment and cultural representation *New Perspectives on Sport and 'Deviance'* Tim Crabbe,Tony Blackshaw,2004-09-23 The everyday makeup of contemporary sport is increasingly characterised by a perceived explosion of deviance violence drug taking racism homophobia misogyny corruption and excess Whereas once these behaviours may have been subject to the moral judgments of authority in the face of dramatic socio cultural change they become more a matter of populist consumer gaze In addressing these developments this book provides a new and insightful approach toward the study of deviance in the realm of sport New Perspectives in Sport and Deviance awakens the sociology of sport to the possibilities of re imagining deviance and offers an evocative approach which will appeal both to academics and students in the field of sociology of sport and sociology of deviance **Literacy** Paulo Freire,Donaldo Macedo,2005-10-05 Freire and Macedo analyse the connection between literacy and politics according to whether it produces existing social relations or introduces a new set of cultural practices that promote democratic and emancipatory change Calendar University College (Toronto, Ont.),1889 *Calendar* University of Toronto,1881
