Population History Of The United States

David Gregory Gutiérrez

Population History Of The United States:

A Population History of the United States Herbert S. Klein, 2004-03-22 This is the first full scale one volume survey of the demographic history of the United States From the arrival of humans in the Western Hemisphere to the current century Klein analyzes the basic demographic trends in the growth of the pre conquest colonial and national populations He surveys the origin and distribution of the Native Americans the post conquest free and servile European and African colonial populations and the variation in regional patterns of fertility and mortality to 1800 He then explores trends in births deaths international and internal migrations in the nineteenth century and compares them with contemporary European developments The profound impact of historic declines in disease and mortality on the structure of the late twentieth century population is explained Finally the late twentieth century changes in family structure fertility and mortality are evaluated for their influence on the evolution of the national population for the 21st century

A Population History of the United States Herbert S. Klein, 2012-05-28 The first full scale one volume survey of the demographic history of the United States has been fully updated here From the arrival of humans in the Western Hemisphere to the current century Klein analyses the basic demographic trends in the growth of the pre conquest colonial and national populations From the origin and distribution of the Native Americans to late twentieth century changes in family structure fertility and mortality this updated edition incorporates recent research including data from the 2010 census In this definitive study Klein explores regional patterns of fertility and mortality trends in births deaths and international and internal migrations comparing them with contemporary European developments The profound impact of historic declines in disease and mortality rates on the population structure of the late twentieth century is explained while the more recent urbanisation and rise of suburbia are examined within the context of new massive international migrations on North American society

A Population History of North America Michael R. Haines, Richard H. Steckel, 2000-08-15 Professors Haines and Steckel bring together leading scholars to present an expansive population history of North America from pre Columbian times to the present Covering the populations of Canada the United States Mexico and the Caribbean including two essays on the Amerindian population this volume takes advantage of considerable recent progress in demographic history to offer timely knowledgeable information in a non technical format A statistical appendix summarizes basic demographic measures over time for the United States Canada and Mexico

The Population of the United States Donald J. Bogue, Douglas L. Anderton, Richard E. Barrett, 2010-07-06 This third edition written with two new coauthors combines 1990 census data with information from the Current Population Survey the National Health Interview Survey and numerous other sources even including demographic data not available in any other published source

A Century of Population Growth from the First Census of the United States to the Twelfth, 1790-1900 United States. Bureau of the Census, 1909

The Columbia History of Latinos in the United States Since 1960 David Gregory Gutiérrez, 2004 Offers a comprehensive historical overview of the Latinization of the

United States that has occurred over the past four decades Brings together the views of some of the foremost scholarly interpreters of the recent history of Latinos in the United States *Social History of the United States* Brian Greenberg,Linda S. Watts,Richard A. Greenwald,Gordon Reavley,Alice L. George,Scott Beekman,Cecelia Bucki,Mark Ciabattari,John C. Stoner,Troy D. Paino,Laurie Mercier,Andrew Hunt,Peter C. Holloran,Nancy Cohen,2008-10-23 This ten volume encyclopedia explores the social history of 20th century America in rich authoritative detail decade by decade through the eyes of its everyday citizens Social History of the United States is a cornerstone reference that tells the story of 20th century America examining the interplay of policies events and everyday life in each decade of the 1900s with unmatched authority clarity and insight Spanning ten volumes and featuring the work of some of the foremost social historians working today Social History of the United States bridges the gap between 20th century history as it played out on the grand stage and history as it affected and was affected by citizens at the grassroots level Covering each decade in a separate volume this exhaustive work draws on the most compelling scholarship to identify important themes and institutions explore daily life and working conditions across the economic spectrum and examine all aspects of the American experience from a citizen s eye view Casting the spotlight on those whom history often leaves in the dark Social History of the United States is an essential addition to any library collection **A History of the United States** Philip Jenkins,2017-09-16 This textbook offers an insightful introductory overview of the history of American society from its inception right up to present day With coverage starting at the European Settlement in 1492 right through to the 2016 Presidential Election this fully revised new edition succinctly depicts the major themes and patterns of American history thus providing a solid foundation for those wishing to expand their knowledge through further reading or research Written by a leading scholar in the field of History the author provides a clear analysis of the various facets of American life incorporating social economic cultural religious and political history A definitive introduction to American history this textbook is essential reading for any student looking to gain a better understanding of the evolution of this great nation New to this Edition Fresh material on technological change sport and themes of prosperity consumerism and leisure A thoroughly updated chapter on contemporary America to include issues such as Black Lives Matter the legalisation of gay marriage and the 2016 Presidential Election *Population Growth In Latin America And U.S. National Security* John Saunders,2023-10-02 Originally published in 1986 this volume deals with both population growth in Latin America and the possible consequences of this growth for the security of the USA The text analyses the demographic dimensions of the phenomenon and then considers the consequences for US security It was the first time that the interrelations between national security and population growth were systematically analyzed The book predicts the rapid population growth would have serious economic social and strategic implications for the USA and rightly predicts the adoption of draconian measures to stem the flow of illegal migrants Although some aspects of the political landscape have changed since original publication the issue of

migration to the USA from Latin America has lost none of its relevance **A Twentieth-century History of United States Population** Russell O. Wright, 1996 A statistical reference compiling census data from 1900 through 1990 and comparing data for each region state and major city within the US Wright author statistical volumes enlivens this material with concise commentary teasing out the social and political implications of for example the northern migration to the southern sunbelt or how the Brooklyn Dodgers move to Los Angeles in 1958 dovetails not coincidentally with that city's rapid population growth He also speculates about increased growth and decline in the states and cities by the year 2000 based on current data Includes of course tables Lacks an index Annotation copyright by Book News Inc Portland OR [The History of Social Change in America](#) Susan Ockert, 2019-07-19 The History of Social Change in America provides readers with a compelling portrait of American society and how it has changed over the years It contains current and historical information insightful analysis and easy to read graphs Social change is defined as an alteration in the social order of a society Social change may include changes in nature social institutions social behaviors or social relations A society can be influenced by numerous factors such as natural disasters demographics economics and politics The ice age declining birth rates new technology and democracy are examples of specific activities that led to major changes in society The History of Social Change in America addresses these activities which have shaped the politics and culture of the past several decades Specifically The History of Social Change explores topics such as the rise of the computer cyber crimes cyberbullying distance education social media the labor force and changing demographics in the United States This one of a kind resource helps readers understand the social changes that have occurred in our society over the past several decades *The Social History of the American Family* Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of The Social History of the American Family explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual's development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time to reflect changing mores changing living standards and lifestyles and increased levels of social heterogeneity Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and

Further Readings are accompanied by a Reader's Guide Chronology of American Families Resource Guide Glossary and thorough index The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions **The ^AOxford Companion to United States History** Paul S. Boyer, 2001-07-04 Here is a volume that is as big and as varied as the nation it portrays With over 1 400 entries written by some 900 historians and other scholars it illuminates not only America's political diplomatic and military history but also social cultural and intellectual trends science technology and medicine the arts and religion Here are the familiar political heroes from George Washington and Benjamin Franklin to Abraham Lincoln Woodrow Wilson and Franklin D Roosevelt But here too are scientists writers radicals sports figures and religious leaders with incisive portraits of such varied individuals as Thomas Edison and Eli Whitney Babe Ruth and Muhammed Ali Black Elk and Crazy Horse Margaret Fuller Emma Goldman and Marian Anderson even Al Capone and Jesse James The Companion illuminates events that have shaped the nation the Great Awakening Bunker Hill Wounded Knee the Vietnam War major Supreme Court decisions Marbury v Madison Roe v Wade landmark legislation the Fugitive Slave Law the Pure Food and Drug Act social movements Suffrage Civil Rights influential books The Jungle Uncle Tom's Cabin ideologies conservatism liberalism Social Darwinism even natural disasters and iconic sites the Chicago Fire the Johnstown Flood Niagara Falls the Lincoln Memorial Here too is the nation's social and cultural history from Films Football and the 4 H Club to Immigration Courtship and Dating Marriage and Divorce and Death and Dying Extensive multi part entries cover such key topics as the Civil War Indian History and Culture Slavery and the Federal Government A new volume for a new century The Oxford Companion to United States History covers everything from Jamestown and the Puritans to the Human Genome Project and the Internet from Columbus to Clinton Written in clear graceful prose for researchers browsers and general readers alike this is the volume that addresses the totality of the American experience its triumphs and heroes as well as its tragedies and darker moments International Handbook of Population Aging Peter Uhlenberg, 2009-04-29 The International Handbook of Population Aging examines research on a wide array of the profound implications of population aging It demonstrates how the world is changing through population aging and how demography is changing in response to it *The Economics of Population Growth* Julian Lincoln Simon, 2019-04-23 Comparison with stationary and very fast rates of population growth shows modern population growth to have long run positive effects on the standards of living This is Julian Simon's contention and he provides support for its validity in both more and less developed countries He notes that since each person constitutes a burden in the short run whether population growth is judged good or bad depends on the importance the short run is accorded relative to the long run The author first analyzes empirical data formulating his conclusions using simulation models He then reviews our knowledge of the effect of economic level upon population growth A final section of his book considers the framework of welfare economics and values within which population policy decisions are now made He finds

that the implications of policy decisions can prove inconsistent with the values that prompt their recommendation Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Statements at Public Hearings of the Commission on Population Growth and the American Future United States. Commission on Population Growth and the American Future,1974
