Portraits Of Japan

Dorothy Britton

Portraits Of Japan:

Frog in the Well Donald Keene, 2006-06-27 *Frog in the Well* is a vivid and revealing account of Watanabe Kazan one of the most important intellectuals of the late Tokugawa period From his impoverished upbringing to his tragic suicide in exile Kazan's life and work reflected a turbulent period in Japan's history He was a famous artist a Confucian scholar a student of Western culture a samurai and a critic of the shogunate who nevertheless felt compelled to kill himself for fear that he had caused his lord anxiety During this period a typical Japanese scholar or artist refused to acknowledge the outside world much like a frog in the well that knows nothing of the ocean but Kazan actively sought out Western learning He appreciated European civilization and bought every scrap of European art that was available in Japan He became a painter to help his family out of poverty and by employing the artistic techniques of the West achieved great success with his realistic and stylistically advanced portraits Although he remained a nationalist committed to the old ways Kazan called on the shogunate to learn from the West or risk disaster He strove to improve the agricultural and economic conditions of his province and reinforce its defenses but his criticisms and warnings about possible coastal invasions ultimately led to his arrest and exile *Frog in the Well* is the first full length biography of Kazan in English and in telling his life's story renowned scholar Donald Keene paints a fascinating portrait of the social and intellectual milieu of the late Tokugawa period Richly illustrated with Kazan's paintings *Frog in the Well* illuminates a life that is emblematic of the cultural crises affecting Japan in the years before revolution

Contemporary Portraits of Japanese Women Yukiko Tanaka, 1995-04-30 As Japan shifted from an agricultural country before 1950 to an industrialized nation in less time than any other developed country women felt the pressure of the shift Husbands worked longer hours leaving all the household chores and child rearing to their wives while fulfilling their responsibilities as corporate soldiers The economy was fueled by a diligent well educated low paid workforce but gender role division became even more rigid Household incomes rose and improvement in areas such as diets transportation and leisure were made modern appliances also made it possible for mothers to have part time jobs But pollution also rose as did prices and crowded living conditions began to impinge on family life Tanaka who has spent many years looking back at her country from an American perspective examines marriage motherhood employment independence women's movements and old age for women in Japan over the last 50 years

Japanese Portraits Donald Richie, 2011-12-20 Nobody has thought as widely and as concretely therefore as helpfully as Richie has about how a single distinctive culture gathers up contradictions coheres works resists change and changes Susan Sontag

Portraits of Japan Adrian Waller, 1993-06 This book contains some of the finest and most adventurous journalism ever published in Japan a collection of 60 or so columns and a handful of larger articles that Adrian Waller wrote for *The Japan Times Weekly* between the Spring of 1990 and the Summer of 1992 The articles are powerful exposes on everything from racism and the abuse of women to the gentle joshing of Japanese traditions and some uproariously funny personal experiences Waller explains with wit insight

warmth and deft literary skills the strange paradoxes that make modern day Japan what it is These sparkling works represent a logical follow up to Waller s popular earlier collection of columns

The Human Face of Japan's Leadership Martin E. Weinstein,1989-09-11 One of the most prevalent and dangerous American misperceptions is the image of Japan as a faceless impersonal corporate entity In *The Human Face of Japan s Leadership* Weinstein gives a human face to the leaders who will lead that nation into the next century In doing so he gives the reader a better idea of what makes these men tick of the experiences which have shaped their values and their views of Japan and the world Weinstein conducted approximately 100 hours of taped interviews with 12 internationalized Japanese leaders in their 40s and 50s including four members of the Diet four bureaucrats and four businessmen These interviews form the core of the book 12 biographical portraits presented as oral histories and largely in the participant s words These are individual personal accounts which begin with family and regional background and include childhood and youth in World War II and the Occupation educational experiences and views of Japan s future These accounts also shed light on how the system of educational meritocracy and family interact to produce Japanese leaders Japan s leadership includes a relatively high proportion of people who while insiders and members of their Establishment are at the same time knowledgeable and at ease in foreign languages and cultures These internationalized leaders are committed to successful interaction with the outside world Weinstein s book will help Americans gain a more accurate balanced view of their most important overseas trading partner and ally in the Pacific It could easily serve as a supplementary text in many courses on Japan ranging from history and politics to business and management

Japanese Portraits □□□□□□,2006-05

A Portrait of Japan Laurens Van der Post,1968

The Japan of Today ,1960

Britain and Japan: Biographical Portraits, Vol. VI ,2007-05-31 There is no doubt that this sixth volume in the Japan Society s highly regarded Britain and Japan series contains many long overdue essays of leading personalities with links to Britain and Japan that will be welcomed by the researcher and general reader alike from the opening essay on Churchill and Japan by Eiji Seki to the concluding account by Rikki Kersten of the distinguished intellectual liberal Maruyama Masao s close relationship with Richard Storry and Oxford in particular and his interests in Britain in general Containing a total of thirty three entries thoughtfully and painstakingly compiled and edited by Hugh Cortazzi there may well be a case for arguing that the best has been kept until last Indeed by way of an Envoi the book concludes with an account of the Beatles visit to Tokyo in 1965 including a facsimile report for H M Government by the British Embassy s then first secretary Dudley Cheke Also of special interest are Hugh Cortazzi s portraits of Morita Akio and Honda Shoichiro as well as John Hatcher s fascinating record of Ian Fleming s 1959 five week visit to Japan on behalf of the

Sunday Times The volume is divided up thematically and includes an Index of Biographical Portraits published to date by the Japan Society and by way of appendix a highly significant report by Robin Mountfield on the Nissan Negotiations of 1980-84 which resulted in the biggest foreign investment in car manufacturing in Britain

Public People, Private People Donald Richie, 1996 The author a long time resident of Japan presents insightful and humorous profiles of both famous and ordinary Japanese people

Japanese Style Watercolor Portraits Hiroko Shibasaki, 2022-10-11 The ability to capture a realistic likeness requires expert guidance Japanese Style Watercolor Portraits provides the professional guidance and all of the expert tips and techniques you need to succeed at creating beautiful realistic watercolor portraits With 48 step by step lessons covering tools techniques sketching painting and finishing this book makes learning fun and effective It will take you through each step of the watercolor portrait process from choosing a paper size and sketching your subject to layering in the colors and rendering the fine details Author Hiroko Shibasaki provides expert guidance on the best materials to use along with many insightful tips that every artist should know The portraits presented in the 12 comprehensive painting tutorials express a distinctively Japanese aesthetic The subjects in the foreground are rendered in exquisite detail while the backgrounds are only subtly suggested This technique places the emphasis on the masterful portraits leaving it to the viewer's imagination to fill in the peripheral details The lessons in this book cover all the key topics including Working with a model Completing the sketch Preparing and mixing paints Blocking in skin tones Rendering details such as facial features hairstyles and clothing Blending and shading the colors And much more

Mirroring the Japanese Empire Maki Kaneko, 2016-04-26 In this groundbreaking study of a subject intricately tied up with the controversies of Japanese wartime politics and propaganda Maki Kaneko reexamines the iconic male figures created by artists of yōga Western style painting between 1930 and 1950 Particular attention is given to prominent yōga painters such as Fujita Tsuguharu Yasui Sōtarō Matsumoto Shunsuke and Yamashita Kiyoshi all of whom achieved fame for their images of men either during or after the Asia Pacific War By closely investigating the representation of male figures together with the contemporary politics of gender race and the body this profusely illustrated volume offers new insight into artists' activities in late Imperial Japan Rather than adhering to the previously held model of unilateral control governing the Japanese Empire's visual regime the author proposes a more complex analysis of the role of Japanese male artists and how art functioned during an era of international turmoil

Inaka, 2020-08-13 Inaka Portraits of Life in Rural Japan is an affectionate but unsentimental immersion into the Japanese countryside inaka In eighteen chapters we undertake an epic journey the length of Japan from subtropical Okinawa through the Japanese heartland all the way to the wilds of Hokkaido We visit gorgeous islands walk an ancient Buddhist pilgrimage route share a snow lover's delight in the depths of record snowfall solve the mystery of an abandoned Shinto shrine and travel in the footsteps of a seventeenth century haiku master But above everything Inaka answers the question of what it's like to be a foreigner living in rural Japan whether as a newly arrived English teacher in a small town or as someone

who never left and decades later is integrated into the community Although this anthology shows the beauty of rural Japan with its seasonal kaleidoscope of colors foods and traditions its friendly farmers and fishermen sharing old customs and local histories Inaka doesn't avoid detailing the downsides of rural life the hypothermia inducing housing inconvenient superstitions demographic decline and unlikely noises The combination of brilliant experienced writers and up and coming talent makes Inaka a delight to read and a must for anyone interested in life away from the crowded Japanese cities Readers who know Japan well will find much to enjoy and those new to the country dreaming of a trip or extended stay will be both encouraged and better prepared to map out their own adventures

Portraits of Edo and Early Modern Japan Gerald Groemer, 2019-05-28 This volume presents a series of five portraits of Edo the central region of urban space today known as Tokyo from the great fire of 1657 to the devastating earthquake of 1855 This book endeavors to allow Edo or at least some of the voices that constituted Edo to do most of the speaking These voices become audible in the work of five Japanese eye witness observers who notated what they saw heard felt tasted experienced and remembered An Eastern Stirrup presents a vivid portrait of the great conflagration of 1657 that nearly wiped out the city Tales of Long Long Ago details seventeenth century warrior class ways as depicted by a particularly conservative samurai The River of Time describes the city and its flourishing cultural and economic development during the late eighteenth and early nineteenth centuries The Spider's Reel looks back at both the attainments and calamities of Edo in the 1780s Finally Disaster Days offers a meticulous account of Edo life among the ruins of the catastrophic 1855 tremor Read in sequence these five pieces offer a unique insider's perspective on the city of Edo and early modern Japan

Portraits of Chōgen John M. Rosenfield, 2011 This volume vividly describes the efforts of the Japanese monk Shun'ichi Chōgen 1121-1206 to restore major buildings and works of art lost in the brutal civil conflicts of the 1180s Chōgen is best known for his role in recasting the Great Buddha Daibutsu at Tōdaiji in Nara reconstructing the South Great Gate Nandaimon and making the famous guardian statues there This study concentrates on these and other works of art and architecture associated with Chōgen situating them in the turbulent political and social climate of Japan and in the larger spiritual contexts of East Asian Buddhism

The Emperors of Modern Japan Ben-Ami Shillony, 2008 The book offers a fascinating picture of the four emperors of modern Japan their institution their personalities and their impact on the history of their country Leading scholars from Japan and other countries have contributed essays which treat this subject from various angles

Dangerous Beauties and Dutiful Wives Kendall H. Brown, 2011-01-01 This captivating gallery offers rare glimpses of Japanese culture during the early years of the 20th century Drawn from popular women's magazines of the Taishō period its kuchi-e frontispiece pictures of bijin beauties represent a variety of artists from the visual poetry of famous painters to more prosaic efforts by anonymous designers Printed in the era's latest techniques of color lithography and offset printing these kuchi-e bijin were created for mass production yet they echo the form and appeal of woodblock prints from earlier generations Their fashions are new enough to be exciting but sufficiently

traditional to be reassuringly familiar Embracing noble ideals and modern reality the *kuchi e bijin* suggest both the aspirations and the mundane truths of their audience combining the sense of fine art and the sensibilities of popular illustration Kendall H Brown is Associate Professor of Asian Art History at California State University Long Beach His informative captions and Preface explore the images literary content social context and the technologies used in their production A valuable resource for scholars of Japanese art and period book illustration this volume is also of tremendous interest to anyone with an eye for beauty

Portraits Of Japan Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Portraits Of Japan free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Portraits Of Japan free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Portraits Of Japan free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Portraits Of Japan. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source

before downloading Portraits Of Japan any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Portraits Of Japan Books

1. Where can I buy Portraits Of Japan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
