[For The Love of Music](#) Michael Steinberg,Larry Rothe,2006-05-01 The power of music the way it works on the mind and heart remains an enticing mystery Now two noted writers on classical music Michael Steinberg and Larry Rothe explore the allure of this melodious art not in the clinical terms of social scientists but through stories drawn from their own experience In For the Love of Music Steinberg and Rothe draw on a lifetime of listening to living with and writing about music sharing the delights and revelatory encounters they have had with Mozart Brahms Stravinsky and a host of other great and almost great composers At once highly personal and immediately accessible their writings shed light on those who make music and those who listen to it

drawing readers into the beautiful and dangerous terrain that has meant so much to the authors In recounting how they themselves came to love music Steinberg and Rothe offer keys for listening You will meet the man who created the sound of Hollywood s Golden Age and you will learn how composers have addressed issues as contemporary as AIDS and the terrorist attacks of September 11

**For the Love of Learning** Kristin Phillips, 2022-08-16 INSTANT BESTSELLER For parents teachers and everyone who remembers being a student an unforgettable glimpse into the inner workings of school from a life long educator Children spend most of their waking hours in school exploring boundaries forming important relationships and of course learning But as you step into the unique vantage of the principal s office you experience first hand the wide range of characters efforts and decisions that ensure all students thrive Kristin Phillips takes us through a school year from the excitement of fall through the long days of winter and into the renewed energy that comes with spring Through her eyes we experience the increasingly complex education system students with unique learning needs teachers bringing their practice into the 21st century and the parent partners who have entrusted their children to the school system Myles a precocious five year old introduces himself by swearing a blue streak on the first day of school He finds solace in a paper box rocket ship in Phillips s office Rafi a grade 8 boy oozing with attitude makes a very uncool choice to lunch with the principal And Harriet a struggling teacher is oblivious to the fact her students are bored to tears Throughout the story Phillips develops caring relationships with the people who need her the most as she works with colleagues to create an environment where everyone succeeds But principals are people too and Phillips also recounts the demands on her as a single mother with three teenagers one of whom suffers from significant mental health issues As an educator she tries to help students coping with similar problems and reveals a heartfelt story of dealing with the system from both sides With honesty and compassion Phillips gives a human face to the joys of school and the very real difficulties educators work to overcome one year and one student at a time
