With *Tarot Made Easy*, you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose one tarot card and then consult one or several of the 32 categories listed under each card, including Romance, Travel, Career, Finances, Friends, and Special Guidance, to discover the card's specific message for you. For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is an honest, devoted woman loving intelligence and happiness. How should you interpret this? But with *Tarot Made Easy*, the Queen of Cups Romance category tells you that someone will enter your life in whom you will be very interested and you will meet this person very close to your home, if not outside your front door. This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need. Roy took it and walked away a few steps. He opened the envelope as he walked, dreading with every step what he believed the cable would say: the Baron had died. The others watched quietly as he read, hardly breathing. The cable fell to the ground. Roy's shoulders sagged and he began to sob mightily. After a few minutes, he straightened his shoulders, shook himself like a wet dog, then turned to the others. All right, gentlemen, I assume you all read what grandfather said. Tell Roy to stay the course and that is exactly what we're going to do. Michael, where do we go from here? Offhand, Roy said, Kentucky, but it's your decision, except I don't think you ought to be the

one to go How about you Uncle Nathan I think youre right Roy needs to stay right here and look after MacTavish Enterprises like hes supposed to I had planned to go wherever we went if Roy did but since hell staying here I reckon Ill go on to Virginia and rest a while I guess that leaves you Oliver Uncle Robert felt I owed him something Oliver said if I intended to take my rightful place in the clan so he asked me to be the head of this new MacTavish division in this country Hed been told there was a lot of open land and few settlers out west and thats where I should go Also Id be able to pay for land with gold without too many questions I agreed with that and said Id do it David is all eager to go so I guess thats what well do

*New Beginnings Responding to the Call* Dr. Lawrence V. Bolar, 2018-03-22 In everyones life there is a strong need for encouragement to not just survive our journey in life but to thrive Aborting Your Dreams How does one pursue success in todays corrupt society with its impenetrable systems and impoverished mind set Fighting off the stain of fame or wealth prosperity over the salvation it starts with a new beginning by responding to the call Pursuing the power in you starts by taking ownership As an educator author and coach my primary mission is to create and inspire every individual to unleash the untapped and unthinkable talent that God created in them Too many people have tapped out kicked out and aborted their own dreams No matter what or who you are or what stage in life you discover yourself in today without God your thoughts are killing you Why Because our minds are often our worst enemy If you want to make changes in your life youre going to have to push yourself because your life and legacy depends on it Laziness destroys dreams indecision is a thief in life and procrastination is enemy number one So fighting while at war with the mind is not an option You have to fight with everything in you to keep your brain from sabotaging your dreams What you are and what you become depends on you Take control over your destiny and believe that you can be more than a conqueror in all that you do with the confidence that no weapon formed against or created by you will prosper
