Reading The Water Stories And Ebays Of Flyfishing And Life:

Reading the Water Mallory Burton, 1995 A collection of stories on fly fishing The protagonists are both men and women and many of the stories deal with human relationships as well as the sport **Haunted by Waters** Mark Browning, 2014-08-27 Four essential questions Why does one fish How should one properly fish What relations are created in fishing And what effects does fishing have on the future *Haunted by Waters* is a self examination by the author as he constructs his own narrative and tries to answer these questions for himself But it is also a thorough examination of the answers he uncovers in the course of reading what s been written on the subject As his own story unfolds Mark Browning analyzes angling literature from the Bible to Norman Maclean always bringing his inquiry back to the same source the enigma of this sport *Haunted by Waters* is an exploration of the apparent compulsion of those who fish not only to read about the sport but to write about it as well Mark Browning s personal account as a fly fisherman and his perspective as a critic make him uniquely qualified to navigate these waters **River Girls** Cecilia Kleinkauf, 2006 In this exciting book Cecilia Pudge Kleinkauf uses the real life experiences of four young women Alyssa Samantha Alex and Blair to create an informative and engaging introduction to the sport of flyfishing for pre teen and teenage girls Every beginning flyfisher needs a teacher and there s no better one for young women than Pudge Kleinkauf She covers everything they ll need to know from basic skills such as casting wading and knot tying to using flyrods and reels and choosing flies In addition to the basic skills the book features information on manufacturers that make gear specifically for young people a discussion of catch and release ethics and stories from adult women anglers who began flyfishing as girls It tells how to find nearby resources where girls can learn the sport and discover local waters where they might fish Pudge understands the needs of young women and treats them with respect She is the teacher anyone would want for his or her own child *The Fly Fishing Anthology* Danielle Ibister, 2004 *The Fly Fishing Anthology* features glorious artwork and more than twenty stories and essays celebrating reminiscing and bemoaning the high sport of fly fishing This first of its kind book is divided into six themed chapters The first chapter features stories of initiation none painless and all memorable Chapter two explores the glorious vistas of fly fishing country In the third chapter our writers go nuts for trout that highest echelon of game fish Chapter four examines the seductive art of fly tying The fifth chapter is devoted to reminiscences and the final chapter defends the great sport of fly fishing More than half of the pieces take jabs some gentle some sharp at the sport of fly fishing and the men and women who aim to master it Highlights include John Gierach s Keillor esque vision of a sleepy Colorado trout fishing town jolted awake by the age of neoprene waders and Latin terminology Charles Elliott fly fishing for the elusive bone fish at the elbow of baseball great Ted Williams and newcomer George Tichenor self deprecating with cheerful aplomb as he practices casting a fly on the revered Willowemoc The writing represents the best that fly fishing literature has to offer In these pages dry fly master George LaBranche argues with passionate conviction that dry fly fishing is the highest art of angling Zane Grey waxes poetic

on the wild lonely beauty of his beloved West and sports writing genius Red Smith wrests a hilarious epic tale out of an amateur fly tier s first Silver Tip pattern Of course the fly fishing legends are present in these pages including Cornelia Fly Rod Crosby G E M Skues and Joan Salvato Wulff Reading the Water Mark Hume,2022-05-10 A father shares the joys of fly fishing with his daughters A heartfelt beautifully written celebration of the wonders of nature and comfort of family Kirkus STARRED Fishing was Mark Hume s passion since he was a young boy a lifeline through a childhood marked by his family s frequent moves When he became a father he knew he wanted to pass on his love of water fishing and the natural world to his daughters Most of all he wanted to give them hope for their future even as they were coming of age during uncertain times As soon as they were old enough Mark taught his girls how to read the water and see the patterns in nature He showed them how to cast how to catch fish and release them and only when needed how to kill them He discovered that fly fishing and fatherhood require many of the same skills patience flexibility and the knowledge of when to reel in and when to let go Illuminating and heartfelt Reading the Water is a much needed positive story about a father raising daughters and a meditation on finding faith in a deep connection with the natural world **My Story as Told by Water** David James Duncan,2002-08 Offers a loving tribute to the landscape plants and animals of his native Montana **Library Journal** ,2006
