

Doctor

Doctors are helpers who take care of our health. When we're unwell, we go to a doctor. They listen, check our temperature, and ask questions. They might give medicine to help us feel better. Doctors wear white coats and use tools like stethoscopes to hear our heartbeat. They work in hospitals and clinics, and sometimes come to our homes.

Who are the helpers that take care of our health?

What do doctors do when we visit them?

Why is it important for doctors to listen to our heartbeat?
