Reading Mill Studies In Political Theory

David Kirk

Reading Mill Studies In Political Theory:

Reading Mill: Studies in Political Theory I. Cook, 1998-01-28 Reading Mill begins with the idea that political theory as it is understood and practised in Anglophone Universities is not one practice but a set of four alternative practices marked by divergent ontologies and epistemologies Three of the conceptions of political theory identified are applied to produce markedly different readings of the works of John Stuart Mill The work is designed to demonstrate that the alternative conceptions of political theory are coherent and offer different insights into Mill's works **Political Theory and Political Thought** N. D. Arora, S. S. Awasthy, 2007 *A HISTORY OF POLITICAL THOUGHT* SUBRATA MUKHERJEE, SUSHILA RAMASWAMY, 2011-08-09 This lucidly written text in its second edition continues to provide a comprehensive study of the classical political tradition from Plato to Marx The book elucidates the fascinating evolution of the history of political ideas through the works of thirteen key political thinkers which includes Plato Aristotle Machiavelli Hegel and Marx The text highlights the decline and revival of classical political theory and portrays the clash of universalism vs localism in the classical tradition It focuses on the recent interpretations of the classical texts for instance feasibility of the ideal State in Plato civic humanism and republicanism in Machiavelli the radicalism of Locke and the contributions to the woman's cause by John Stuart Mill The text is intended for the undergraduate and postgraduate students of Political Science of various universities and for all those who are appearing for the civil services examinations NEW TO THIS EDITION Inclusion of two important liberal thinkers Mary Wollstonecraft the founder of liberal feminism and Immanuel Kant a deontological liberal Addition of an Appendix on John Rawls who is credited as a seminal thinker of contemporary times having played a crucial role in the revival of normative political theory *John Stuart Mill's Social and Political Thought* John Stuart Mill, 1998 This collection covers the breadth of Mill's work in social theory and political economy including his ethics liberalism theory of government methodology and feminism showing the depth of scholarly criticism of Mill's social thought *Studies on the Reception of Plato and Greek Political Thought in Victorian Britain* Kyriakos Demetriou, 2023-04-14 This collection of essays focuses on the reception of Plato and Greek political thought in the work of some major pre-Victorian classical scholars and expands on a remarkable range of hotly debated issues on the interpretation of Greek antiquity The central figure in this volume is the radical philosopher utilitarian and Platonist George Grote whose works on the history of Greece and Plato moved away from traditional models of classical interpretation His works and their background are critically explored in light of his philosophical commitment and political radicalism Article IV brings to light a forgotten manuscript by Grote On the Character of Socrates produced in the 1820s Grote sought to counter the current literature on ancient Greece and its predominant motifs which is here examined in its own right along with an independent study on Bishop Connop Thirlwall's influential History of Greece The second half of this volume is devoted to analyzing important aspects of the revival of Platonic studies in the ideological and discursive context of early and middle Victorian times This collection of essays

presents comprehensive and illuminating contextual analyses of nineteenth century works on classical reception providing simultaneously a rich bibliographic guide to further research

Logic and Society Yuichiro Kawana, 2017-10-30 This book discusses John Stuart Mill's intellectual activity from about 1827 to 1848 namely between his recovery from his so called Mental Crisis and the publication of *Principles of Political Economy* During this period along with deepening his understanding of contemporary society as commercial civilization Mill aspired to create a new system of science of society which would inquire into the nature process of historical change and prospects of society Among the indispensable constituent sciences of his system this book pays particular attention on his projected sciences of history and of the formation of character ethology and clarifies that the implications of his interest in these sciences were more significant for the better understanding of Mill's political thought than many scholars have assumed

The Johns Hopkins University Studies in Historical and Political Science, 1898

Culture, Creativity and Environment Fiona Becket, Terry Gifford, 2007

Culture Creativity and Environment New Environmentalist Criticism is a collection of new work which examines the intersection between philosophy literature visual art film and the environment at a time of environmental crisis This book is unusual in the way in which the imaginative creative element is privileged notwithstanding the creativity of rigorous cultural criticism Genuinely interdisciplinary this book aims to be inclusive in its discussions of diverse cultural media different literary genres art forms and film for instance which offer thoughtful and thought provoking critiques of our relationships with the environment Our ability to transcend the ethical and aesthetic categories and discourses that have contributed to our alienation from our environment is dependant upon an enlargement of our imaginative capacities In a modest way this book might contribute to what Ted Hughes speaking of the imagination of each new child described as nature's chance to correct culture's error

Research Handbook on Law and Utilitarianism Guillaume Tusseau, 2024-10-03 The Research Handbook on Law and Utilitarianism sheds light on contemporary legal culture and the ways in which it interacts with theories of justice Guillaume Tusseau brings together an interdisciplinary range of scholars to analyse the utilitarian standpoint on legal disciplines and legal governance as well as the contribution of utilitarian arguments to current legal debates

History of Political Theory: An Introduction George Klosko, 2013-02-08 History of Political Theory An Introduction not only explores the great works of Western political theory but demonstrates their continuing relevance Volume II traces the origin and development of liberal political theory and so the foundations for contemporary views The work provides a readable scholarly introduction to the great figures in Western political theory from Hobbes to Marx Major theorists examined include Hobbes Locke Hume Montesquieu Rousseau Burke Mill and Marx not only major figures in the liberal tradition but liberal political theory's most important critics Theorists are examined in their historical contexts with extensive quotations allowing them to speak for themselves Central concepts employed in their works are carefully examined with special attention to both how they fit together to form coherent theories and how they bear on issues of contemporary

concern Major concepts examined include freedom rights political obligation and revolution Emphasizing depth rather than breadth this work is an ideal introduction tool for instructors who have been searching for a text that combines careful exposition of important political theorists and clear critical analysis *Deleuze and Buddhism* Tony See,Joff

Bradley,2016-10-31 This book explores the resonances between Deleuze s philosophy and a range of philosophical concepts in Buddhism Focusing on this rarely examined relationship this book gathers perspectives from scholars around the globe to explore the continuities and discontinuities between Deleuze s and Buddhist thought They examine immanence intensity assemblages and desire and the concepts of ethics and meditation This volume will prove to be an important resource for readers and scholars interested in philosophy critical theory and comparative studies They will find this an engaging and invaluable examination of two different yet similar modes of thought Engaging Nature Peter F. Cannavò,Joseph H. Lane Jr.,2014-12-19 Contemporary environmental political theory considers the implications of the environmental crisis for such political concepts as rights citizenship justice democracy the state race class and gender As the field has matured scholars have begun to explore connections between Green Theory and such canonical political thinkers as Plato Machiavelli Locke and Marx The essays in this volume put important figures from the political theory canon in dialogue with current environmental political theory It is the first comprehensive volume to bring the insights of Green Theory to bear in reinterpreting these canonical theorists Individual essays cover such classical figures in Western thought as Aristotle Hume Rousseau Mill and Burke but they also depart from the traditional canon to consider Mary Wollstonecraft W E B Du Bois Hannah Arendt and Confucius Engaging and accessible the essays also offer original and innovative interpretations that often challenge standard readings of these thinkers In examining and explicating how these great thinkers of the past viewed the natural world and our relationship with nature the essays also illuminate our current environmental predicament Publisher

Mill and Paternalism Gregory Claeys,2013-05-09 Giving prominence for the first time to Mill s abiding concern with Malthusianism and its impact on his key arguments respecting liberty Mill and Paternalism explores Mill s strong commitment to population control popular education feminism and the leading role of intellectual elites alongside his overarching interests in both liberty and equality **Mill and Marx** Paul Smart,1991 The aim of this study is to compare the theories of liberty and the means of achieving it articulated by the originators of political philosophies which played a principal role in the construction of the two competing ideologies of the late 20th century liberalism and communism

Western Political Thought: From Plato to Marx Jha,2010 Western Political Thought From Plato to Marx is a lucid and comprehensive account of political thought that stretches from ancient Greece to the nineteenth century Analysing political philosophies chronologically this book offers valuable insights into the political structures of societies across the ages and presents a wide perspective on the various social and political ideologies Each of the 12 chapters has boxes with excerpts from the original works by the philosophers a comprehensive reading list and thought provoking questions on the

philosophies discussed in the book **A Textual Introduction To Social and Political Theory** Richard Paul Bellamy, Angus C. Ross, 1996-05-15 This book offers a stimulating new approach to studying social and political theory It combines specially selected extracts from the political classics with original and insightful essays offering a commentary upon them The reader is drawn into a dialogue with the Western political tradition s principal thinkers whose ideas provide a common currency in which to debate the problems facing modern societies Each of the twelve chapters combines extracts from two or in one case three political philosophers on a key political concept with a commentary essay Each chapter does more than just introduce the reader to the classics it also explains via the commentary essay the key concepts of political debate and the historical contexts which led the thinkers to their different understandings of the nature of society *The Best Books for Academic Libraries: Political science, law, education* ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers *Western Political Thought: From Plato to Marx* Jha, Shefali, 2009 Western Political Thought From Plato to Marx is a lucid and comprehensive account of political thought that stretches from ancient Greece to the nineteenth century Analysing political philosophies chronologically this book offers valuable insights into the political structures of societies across the ages and presents a wide perspective on the various social and political ideologies Each of the 12 chapters contains excerpts from the original works by the philosophers comprehensive reading list and thought provoking questions on the philosophies discussed *Western Political Thought* Robert Eccleshall, Michael Kenny, 1995 This is a guide to the vast amount of literature on the history of political thought which has appeared in English since 1945 The editors provide an annotation of the content of many entries and where appropriate indicate their significance controversial nature and readability **A History of Modern Political Thought** Gary Browning, 2016-10-13 How are we to understand past political thinkers Is it a matter simply of reading their texts again and again Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal In this book theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed including those of Hegel Marx Oakeshott Collingwood the Cambridge School Foucault Derrida and Gadamer The application of these theories of interpretation to notable modern political theorists Machiavelli Hobbes Locke Rousseau Kant Hegel Marx Bentham Mill Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking

Reviewing **Reading Mill Studies In Political Theory**: Unlocking the Spellbinding Force of Linguistics
