Keown, 2024-04-26 This book is a follow up to *Discovering the New Testament* a three volume series introducing students to the New Testament published 2018 2022 It is a more basic introduction for those beginning their biblical study The book includes chapters on exegesis and hermeneutics the Jewish and Greco Roman background to the New Testament and each part of the New Testament is introduced It is a good basic primer for those setting out on biblical study [Easy to Read Bible - New Testament](#) Raymond Wells, 2021-12-10 The Bible in easy to read text The New Testament *How to Read the Bible Like a Seminary Professor* Mark Yarbrough, 2015-03-03 Many people admire and even revere the Bible but they simply do not understand what they read much less how to study Scripture

Yet they wish they could In this insightful and alternately amusing guide Professor Mark Yarbrough shows how easy and gratifying it is to unlock the hidden truths of God s Word and to discover a world where reading the Bible doesn t just satisfy our curiosity but changes our life To do this the reader will step into the seminary classroom and observe the practical principles the tricks of the trade for becoming a more effective student of the Bible But Yarbrough has made sure that his writing style and general approach will be appealing to both academic students and those involved in lay level Bible study Real life is whacky and in your face Studying Scripture should be too How to Read (and Understand) the Bible Larry Richards,2015-05-21 Have you ever felt intimidated by the Bible Would you like to get to know it better but worry you might find it difficult or daunting How to Read and Understand the Bible is the book you need It s a fascinating accessible approach to Scripture that will help you go deeper into the heart of what it s all about the timeless true story of God s love for you Join scholar and theologian Larry Richards on a journey through the Old and New Testaments as he explores 21 key stories and themes in Scripture and shows what they reveal to us about God Whether you are new to reading the Bible or were brought up on its stories you ll come to understand it more deeply than ever before and connect in a whole new way to the God who wrote it for you A New New Testament Hal Taussig,2013-03-05 Important both historically and theologically Readers will not be able to see the New Testament in the same way again Marcus Borg author of The Heart of Christianity A New New Testament does what some of us never dreamed possible it opens the treasure chest of early Christian writings restoring a carefully select few of them to their rightful place in the broad conversation about who Jesus was what he did and taught and what all of that has to do with us now Barbara Brown Taylor author of Leaving Church and An Altar in the World There are twenty seven books in the traditional New Testament but the earliest Christian communities were far more vibrant than that small number might lead you to think In fact many more scriptures were written and just as important as the New Testament in shaping early Christian communities and beliefs Over the past century many of those texts that were lost have been found and translated yet are still not known to much of the public they are discussed mainly by scholars or within a context of the now outdated notion of gnostic gospels In A New New Testament Hal Taussig is changing that With the help of nineteen important spiritual leaders he has added ten of the recently discovered texts to the traditional New Testament leading many churches and spiritual seekers to use this new New Testament for their spiritual and intellectual growth Remarkable Not meant to replace the traditional New Testament this fascinating work will be Taussig hopes the first of several new New Testaments Booklist Preaching the Whole Bible as Christian Scripture Graeme Goldsworthy,2000-06-26 While strong gospel centered preaching abounds many Christian pastors and lay preachers find it difficult to preach meaningfully from the Old Testament This practical handbook offers help Graeme Goldsworthy teaches the basics of preaching the whole Bible in a consistently Christ centered way Goldsworthy first examines the Bible biblical theology and preaching and shows how they relate in the preparation of Christ centered sermons He then applies the biblical theological method to the various types of

literature found in the Bible drawing out their contributions to expository preaching focused on the person and work of Christ Clear complete and immediately applicable this volume will become a fundamental text for teachers pastors and students preparing for ministry Life-study of Second Corinthians Witness Lee,2023-09-26 In this life study Witness Lee opens up Paul s second Epistle to the Corinthians a book on the new covenant ministry and its ministers The first Epistle to the Corinthians was the apostle s argument an argument that defeated and subdued the distracted and confused Corinthians Now the second Epistle brought them back into the experience of Christ who was the subject of his argument in the first Epistle Hence the second Epistle is more experiential more subjective and deeper than the first In the first Christ the Spirit with our spirit the church and the gifts are covered as the major subjects In the second Christ the Spirit with our spirit and the church are developed further but the gifts are not even mentioned The gifts are replaced in this book by the ministry which is constituted with and produced and formed by the experiences of the riches of Christ gained through sufferings consuming pressures and the killing work of the cross This Epistle gives us a pattern an example of how the killing of the cross works how Christ is wrought into our being and how we become the expression of Christ These processes constitute the ministers of Christ and produce the ministry for God s new covenant *Life-Study of 2 Corinthians* Witness Lee,1990-08

Revelation and Reason in Christian Theology Christopher C. Green,David I. Starling,2018-07-11 Do revelation and reason contradict Throughout the church s history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In *Revelation and Reason in Christian Theology* Christopher C Green and David I Starling draw together the fruit of this conference to provoke sustained deep reflection on this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology Each essayist approaches revelation and reason according to the psalmist s words In your light we see light Ps 36 9 The light of faith does not obscure truth rather it enables us to see truth **Reality in Bible Reading--** Frank Ballard,1924 The House of God Rev. John Peter Bodner,2013-08-27 Meditate on these things The discipline of meditating day and night in the Book of the Lord Joshua 1 Psalm 1 is a costly art hard won in any age perhaps even more so in today s stressful times of multi tasking ministry and cut and paste computing First hand written in black and red notebooks from scraps of paper using only a King James Bible and a Strong s Concordance The House of God records the spiritual exercise of a working pastor and itinerant preacher over eighteen months the last six spent confined to hospital with injured legs For pastors and students of the Gospel ministry the book furnishes a three year course for weekly private worship complete with original hymns select Bible readings and intense devotional meditations on Paul s First Epistle to Timothy The author prayerfully aims to nourish the inner man of the heart and to encourage the practice of Scripture meditation May it prompt King Jesus servants to heed their life and doctrine as

Dae Young Choe, 2000-03-29 Most of us begins to read the bible trying to understand our creator God and find out the way to escape from this troublesome world while struggling to cope with this fast running modern society and survive But reading through the bible alone would take a year and yet finding out what it says is still another story So many of us close the bible before flipping over several pages and come back to wandering again for the same reason of enormous amount of scriptures and the difficulty to understand Simply we are trapped in this busy world of devil and the devil does not allow us to think about where we come from where we go to and why we live in this world That was stated in the bible as dead saying And another of his disciples said unto him Lord suffer me first to go and bury my father But Jesus said unto him Follow me and let the dead bury their dead Matthew 8 22 As the result we just go to church for self relief and follow the instructions of the church for no reason and say we obey to God Yet still we do not know what God says Leaving every teaching of religious people and traditional religious idea behind I tried to hear from God directly through the bible based upon solid rock foundation of common sense that the truth never changes I did not hesitate to go to the extreme to stand on that foundation and I believe that extreme faith gave me understanding divine only God who is in extreme high place As the bible says No one can come to Me unless the Father who sent Me draws him and I will raise him up on the last day John 6 44 this book is not intended to draw people into belief but to guide God s people that are lost In other words it is only for Sons of God It doesn t necessarily mean that my way is the best way So anybody who knows the way should follow own way **Notes, explanatory and practical, on the New Testament. ed. by R.
