Readings In Feminist Rhetorical Theory:

Feminist Rhetorical Theories Karen A. Foss, Sonja K. Foss, Cindy L. Griffin, 1999-02-23 Providing fully developed rhetorical theories from feminist perspectives this book offers coherent systematic overviews of complex large bodies of work and ideas relevant to rhetoric and communication The book presents theories developed from the work of nine feminist theorists each from diverse standpoints demonstrating the diversity of both feminism and feminist rhetorical theories Chris Kramarae Bell Hooks Gloria Anzaldua Mary Daly Starhawk Paula Gunn Allen Trinh T Minh ha Sally Miller Gearhart and Sonia Johnson The resulting theories differ substantially from traditional rhetorical theories and will encourage scholars to rethink many traditional rhetorical constructs

Readings in Feminist Rhetorical Theory Karen A. Foss, Sonja K. Foss, Cindy L. Griffin, 2004 With a broad conceptualization of rhetorical scholarship and theory in mind editors Karen A Foss Sonja K Foss and Cindy L Griffin have compiled essays and readings by feminist theorists whose work has relevance for rhetorical theory This volume introduces readers to multiple feminist voices and perspectives and contextualizes theory as a way of framing experiences and events The editors provide readers an inclusive accessible collection of readings by key contemporary feminist theorists as well as spirited approachable introductions to their work and their lives Readings in Feminist Rhetorical Theory features and pays homage to the work of nine influential theorists Cheris Kramarae bell hooks Gloria Anzaldua Mary Daly Starhawk Paula Gunn Allen Trinh T Minh ha Sally Miller Gearhart and Sonia Johnson As the editors explain in their Introduction these feminist theorists are featured because they have sufficiently large bodies of work that constitute coherent theories about communication or rhetoric and contribute to the re conceptualization and transformation of rhetorical constructs and theories The editors introduce each theorist historically and conceptually through a brief biography and a discussion of the key ideas in the pieces selected The works of each theorist represent the general content and form of the theorist's body of work span the time period over which the theorist has been writing tracing the evolution of her ideas directly address concerns relevant to rhetorical theory or symbol use vary in terms of types of work essays poems short stories to capture the range of each theorist's genre Readings in Feminist Rhetorical Theory is ideal for students in upper level undergraduate and graduate courses in Communication Studies Women's Studies and English and is an excellent companion volume to Feminist Rhetorical Theories

Rhetorica in Motion Eileen E. Schell, K. J. Rawson, 2010-01-31 Rhetorica in Motion is the first collected work to investigate feminist rhetorical research methods in both contemporary and historical contexts The contributors analyze the decision making processes and methodologies employed in deciphering the origins meanings theories workings and manifestations of feminist rhetoric The volume examines familiar themes such as archival literary and online research but also looks to other areas of rhetoric such as disability studies gerontology aging studies Latina o queer and transgender studies performance studies and transnational feminisms in both the United States and larger geopolitical spaces Rhetorica in Motion incorporates previous views of feminist research outlines a set of

principles that guides current methods and develops models for undertaking future inquiry including working as individuals or balancing the dynamics of group research The text explores how feminist research embodies what has come before and reflects what researchers institutions and instructors bring to it and what it brings to them Underlying the discovery of this volume is the understanding that feminist rhetoric is in constant motion in a dynamic that resists definition The History and Theory of Rhetoric Luke Winslow, James A. Herrick, 2025-08-19 By tracing the traditional progression of rhetoric from the Greek Sophists to contemporary theorists this updated eighth edition gives students a conceptual framework for evaluating and practicing persuasive writing and speaking in a wide range of settings including written visual and digital media Through an expansive historical purview the book illustrates how persuasive public discourse performs essential social functions and shapes our societies drawing on the ideas of many of history s greatest thinkers and theorists This new edition includes an integrated exploration of non Western rhetorics an updated account of contemporary rhetoric and an enhanced analysis of rhetorical theory in a digital age Known for its clear writing style and contemporary examples throughout The History and Theory of Rhetoric emphasizes the relevance of rhetoric to today s students This revised edition serves as a core textbook for rhetoric courses in both English and communication programs covering both the historical tradition of rhetoric and contemporary rhetoric studies A suite of online resources including a detailed instructor s manual PowerPoint slides and videos from Dr Winslow can be found on the Instructor and Student Resources website at www.routledgelearning.com/historyofrhetoric

The Present State of Scholarship in the History of Rhetoric Lynée Lewis Gaillet, Winifred Bryan Horner, 2010-03-15 Through two previous editions The Present State of Scholarship in Historical and Contemporary Rhetoric has not only introduced new scholars to interdisciplinary research but also become a standard research tool in a number of fields and pointed the way toward future study Adopting research methodologies of revision and recovery this latest edition includes all new material while still following the format of the original and is constructed around bibliographical surveys of both primary and secondary works addressing the Classical Medieval Renaissance and eighteenth through twentieth century periods within the history of rhetoric The Present State of Scholarship in the History of Rhetoric doesn t simply update but rather recasts study in the history of rhetoric The authors experienced and well known scholars in their respective fields redefine existing strands of rhetorical study within the periods expand the scope of rhetorical engagement and include additional figures and their works The globalization and expansion of rhetoric are demonstrated in each of these parts and seen clearly in the inclusion of more female rhetors discussions of historical and contemporary electronic resources and examinations of rhetorical practices falling outside the academy and the traditional canon New to this edition is a cumulative review of twentieth century rhetoric along with a thematic index designed to facilitate interdisciplinary or specialized study and scholarly research across the traditional historical periods As programs incorporating rhetorical studies continue to expand at the university level students and researchers are in need of up to date bibliographical resources No other work

21st Century Communication: A Reference Handbook William F. Eadie, 2009-05-15 The discipline of communication has grown in popularity from the time professors of journalism and speech decided in the mid 1960s that the term communication was an excellent general descriptor for the theory and research that each group aspired to create Over time the two groups grew closer and recognized significant overlap in their theoretical and research interests but there were also differences in their traditions that kept them apart While both groups agreed that communication is a practical discipline journalism professors focused a great deal of their attention on the education of media professionals Speech professors on the other hand often were more oriented to the liberal arts and valued the fact that communication could be approached from a variety of traditions including the arts humanities social sciences and even the sciences A key term in 21st Century communication however is convergence Not only are media and technology converging with each other to produce new means of communicating but individuals are increasingly using both new and existing communication tools to create new forms of communication This convergence forces the various camps within the communication discipline to draw upon each other's theories and research methods to keep up with explaining the rapidly changing communication environment This convergence of ideas and theories provides a space to challenge conventional ways of thinking about the communication discipline and that's the goal of the SAGE 21st Century Reference Series volumes on Communication General Editor William F Eadie has sought to honor the diversity of the study of communication but also integrate that diversity into a coherent form dividing communication study into four basic properties 1 processes 2 forms and types of communication 3

characteristics to consider in creating messages and 4 relationships between communicators Via 100 chapters this 2 volume set available in both print and electronic formats highlights the most important topics issues questions and debates any student obtaining a degree in the field of communication ought to have mastered for effectiveness in the 21st Century The purpose is to provide undergraduate majors with an authoritative reference source that will serve their research needs going forward in this exciting field with more detailed information than encyclopedia entries but not as much jargon detail or density as a journal article or a research handbook chapter Comprehensive coverage captures all the major themes and subfields within communication For instance Volume 1 themes include the discipline of communication approaches to the study of communication key processes of communication forms and types of communication key characteristics of messages key communication relationships factors affecting communication and challenges and opportunities for communication Themes in Volume 2 are media as communication communication as a profession journalism public relations advertising and media management Authoritative content is provided by a stellar casts of authors who bring diverse approaches diverse styles and different points of view Curricular driven emphasis provides students with initial footholds on topics of interest in researching for term papers in preparing for GREs in consulting to determine directions to take in pursuing a senior thesis graduate degree career etc Uniform chapter structures make it easy for students to locate key information with a more or less common chapter format of Introduction Theory Methods Applications Comparisons Future Directions Summary Bibliography Suggestions for Further Reading and Cross References Availability in print and electronic formats provides students with convenient easy access

Contemplating Maternity in an Era of Choice Sara Hayden,Lynn O'Brien Hallstein,2010-06-14 Women who came of age in the late twentieth century were raised in the era of choice they grew up believing that reproductive decision making is a political right a responsibility of women living the successes of second wave feminism and under their control *Contemplating Maternity in an Era of Choice* Explorations into Discourses of Reproduction explores contemporary maternity both within and in light of these late twentieth century understandings Employing a variety of feminist communication approaches the volume s contributors discuss how discourses of choice shape and are shaped by women s identities and experiences as non mothers and how those same discourses affect and reflect private practices and public policies related to reproduction and motherhood Through this process the contributors illustrate a variety of ways of conducting feminist thinking research and practices within the communication discipline Major sub disciplines within communication studies are represented here including feminist organizational interpersonal rhetorical critical cultural and social movement studies Whereas many of the previous scholarly investigations into maternity highlight only one aspect or phase of motherhood *Contemplating Maternity in an Era of Choice* is unique because it investigates discourses of choice across the arc of maternity and as enacted through various non maternal subject positions

Your Daughters Will Prophecy Lisa Marie Gring-Pemble,Martha Watson,2025-05-22 How nineteenth century women used the Bible to claim their voice on

the moral questions of their day Caught between their identity as Christians and social norms that silenced them American women used scripture to claim moral and then rhetorical agency They reinterpreted familiar biblical passages recovered previously ignored stories about women and contested passages used to circumscribe women s activities By strategically adopting a rhetorical posture of dissent these women became prophetic voices in American society In *Your Daughters Will Prophecy* Lisa Marie Gring Pemble and Martha Watson analyze the argumentative resources four women Jarena Lee Sarah Moore Grimk Lucretia Coffin Mott and Frances Willard used to counter gendered restrictions and gain access to platform and pulpit catalyzing what became known as the woman s movement
