

STUDENTS will analyze the effects of authors' choices about style and form, using evidence from the text to justify.

Brilliant Mavericks: Whitman and Dickinson

Selected Poetry

by Walt Whitman

VIDEO TRAILER

STANDARD 2: LITERARY ANALYSIS

About the Author

Walt Whitman

When Walt Whitman's book of poems, *Leaves of Grass*, first appeared, many people were shocked by its controversial content and revolutionary form. Of the 100 copies printed, most were eventually thrown away. However, a few readers recognized the poet's genius. In a letter to Whitman, Ralph Waldo Emerson called *Leaves of Grass* "the most extraordinary piece of wit and wisdom that America has yet contributed."

The Making of a Poet: Thinking, "Whitman wrote before *Leaves of Grass* conceived any form of what was to come. He burst onto the literary scene full-bodied and breath, like one of his poems."

His early years offered little in the way of preparation. Born in 1819, Whitman grew up in rural Long Island and attended Quaker schools. He held a series of jobs including office boy, typewriter, printer, newspaper editor, school teacher, carpenter, and journalist.

In the 1840s, Whitman published a number of poems and short stories—and even a **fully successful** novel—but these were unsuccessful efforts.

Apparently, however, Whitman was just waiting for the proper inspiration. Upon reading Emerson, he realized that he could achieve all

aspects of nature and humanity by using special language. "I was discovering, discovering, discovering," he once declared. "Emerson brought me to a halt."

An American Band: In the early 1850s, Whitman quit his job as a journalist and worked on *Leaves of Grass*. Declaring a kind of literary independence Day, he printed his 12-poem book on July 4, 1855, at his own expense; he even set some of the type himself. Throughout his lifetime, Whitman would continue to revise, re-let, and expand *Leaves of Grass*. The nine-book final edition, published in 1892, contained nearly 400 poems.

Underscored by traditional poetic conventions and grammatical niceties, Whitman ignored the iambic, anapaestic, and other of his native land. He celebrated all aspects of American life—the unique and the commonplace, the beautiful and the ugly.

"Whitman once claimed that 'the proof of a poet is that his country absorbs him as affectionately as he has absorbed it.'" By that measure and any other, Whitman is one of the most successful poets in history. Today, *Leaves of Grass* is widely regarded as the most influential book of poetry in American literature.

Poems Walt Whitman,2018-04-05 Reproduction of the original *Poems by Walt Whitman* *Walt Whitman* Harold Bloom,2009 Presents a critical analysis of some of the works of Walt Whitman including a short biography

Complete Poetry and Selected Prose Walt Whitman,1959 An anthology of Walt Whitman s poetry and some of his prose works includes introductions and prefaces to some of the poems

Walt Whitman - Poems Walt Whitman,2020-12-15 In his unconventional verse Walt Whitman spoke in a powerful sensual oratorical and inspiring voice His most famous work *Leaves of Grass* was a long term project that the poet compared to the building of a cathedral or the slow growth of a tree During his lifetime from 1819 to 1892 it went through nine editions Today it is regarded as a landmark of American literature This volume contains 24 poems from *Leaves of Grass* offering a generous sampling of Whitman s best and most representative verses Featured works include *I Hear America Singing* *I Sing the Body Electric* *Song of the Open Road* *Out of Cradle Endlessly Rocking* *When Lilacs Last in the Dooryard Bloom d* and *O Captain My Captain* all reprinted from an

authoritative text Includes a biography of the author

The Complete Poems of Walt Whitman Walt

Whitman, 2015-01-01 With the first publication of *Leaves of Grass* in 1855 Walt Whitman was solidified as an American poet of undeniable importance. The poems contained in that slim volume candidly spoke of politics, slavery, sexuality, consciousness, and the spiritual world. His content was as radical as his form; he utilized free verse unlike anyone before, creating a poetic tongue that was unique and personal yet universal and cosmic. Born in New York in 1819, Whitman came to represent the spirit of an American poet. Influenced heavily by early 19th-century Transcendentalism, Whitman befriended Ralph Waldo Emerson, who would help shape his literary voice and vision. This volume contains the complete poetic works of Walt Whitman. Through his poems *Song of Myself*, *Sleepers*, *To A Stranger*, *The Sleepers*, and *I Sing the Body Electric*, we see a poet of great range and endless influence, one who is a poet of democracy. Whitman's legacy is strong, influencing the Beat Movement and countless poets of today. His verse is as layered and textured as the American soil; he wrote on becoming an essential part of America's cultural heritage. This edition of his complete poems is sure to satisfy the curious reader as well as the scholar. Whitman's poems are as vital and resonant today as ever, proving to be timeless and permanent fixtures of literary history.

This is likewise one of the factors by obtaining the soft documents of this **Readings On Walt Whitman** by online.
