## **Readings In Mass Communication Media Literacy And Culture:**

*Readings in Mass Communication* Kimberly K. Massey, 1999 Drawing from a wide variety of sources and political and cultural viewpoints this collection designed to supplement any core textbook in Introduction to Mass Communication is predicated on the fact that students learn about the media mainly through the media by reading or hearing about media in media publications or broadcasts

Readings in Mass Communication Massey Kimberley B., 1999

**Mass Media** James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes

**Media Literacy and Semiotics** E. Gaines, 2010-12-20 Media Literacy and Semiotics provides helpful tools to help readers think critically about the meaning of the media images they are exposed to on a daily basis In this comprehensive book a basic model of semiotic logic is applied to a variety of media studies to promote critical thinking and media literacy Elliot Gaines systematically analyzes the hidden meanings in mass mediated products and texts and shows how basic meaning structures underlie everything from The Daily Show to television documentaries to infotainment
