national content as well as our question selection is further tailored to the state testing outline promulgated by Pearson Vue for Indiana. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your Indiana Pearson Vue license exam. A word about the test questions: IN RELEP's testing practice section consists of ten national practice tests, nine state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length, and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews, which reinforces your learning of the total body of information tested by your Indiana exam. The questions are direct to the point and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation or rationale to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass.
