China Jiening Ruan,Cynthia Leung,2012-11-29 This is one of two volumes by the same editors that explore historical
 philosophical and cultural perspectives on literacy in China This volume focuses on English literacy in China while the other
 volume is on Chinese literacy In modern day China English has enjoyed an increasingly important status in education but not
 without challenges The essays in this volume provide a comprehensive cross disciplinary look at changes in English literacy
 practices and literacy instruction in China from the first English school in the 19th century to recent curriculum reform
 efforts to modernize English instruction from basic education through higher education Together the essays address a wide
 array of topics including early childhood English education uses of information technology to teach English and teaching
 English to Chinese minority students This work is essential reading for those who want to expand their understanding of

 Toffle,2017-08-31 This book gives social and human services students and professionals the opportunity to begin developing
 cross cultural communication skills in the English language The need to be able to communicate in English is becoming more
 and more obvious Social workers and other human services professionals will be working with immigrants from countries
 where English is the official language or at least a second language Nigeria Ghana The Gambia etc The growing numbers of
 English speaking immigrants are impacting the human services fields of medicine mental health social work the education
 systems and the legal systems all over Europe This book is based on the European Common Framework but goes beyond a
 typical English language text It focuses on the various skill sets necessary for human services professionals including
 important text analysis skills as well as analytical case skills Soft skills such as interpersonal skills and expressing empathy
 are also presented for student reflection Students learn the principles of cross cultural communication through Cross
 Cultural Text Analysis which helps them improve their English as they develop cross cultural awareness sensitivity and
 communication skills Students experience different cultural linguistic contexts where they can appreciate the dynamic
 relationship between culture and language applied to the field of human services For many this book will be the first step in
