Summer Warpath Wayne D. Overholser, 2017-02-07 The summer warpath began in late spring 1876 and was one laid out under the command of General George Crook perhaps the most experienced Indian fighter in the United States Army at that time Among other officers under Crook s command was the daring and resourceful Lieutenant Colonel George Armstrong Custer and the 7th Cavalry The purpose of the campaign was to round up the wild tribes of the Cheyennes and Sioux and place them on reservations Walt Staley is a drifter a man who works only long enough so he can get enough money to be traveling again He rides for Fort Laramie where he successfully enlists as an Army scout under General Crook Before Staley arrives at the fort he is forced by roving Indians to stop at an Army hay camp where he meets Dave Allison The two become friends especially after Allison is transferred to active service under General Crook Finally there is Patrick O Hara who considers himself the ace reporter at the Chicago Herald He wants most of all to be attached to Custer s regiment believing that Custer alone will be able to subdue the wild Indian tribes He is disappointed when his editor instead sends him

to be attached to General Crook's expeditionary force. The events that follow will change the lives of these three men forever.

The Man from Yesterday Wayne D. Overholser, 2015-01-20 It was while Neal Clark was in the gunsmith's shop that the Shelly gang attempted to hold up the bank. Neal rushed out of the shop with his rifle, took aim, and fired repeatedly, killing Buck Shelly and his son Luke Shelly. He may also have wounded Ed Shelly, a teenage boy who was holding the horses. Ed Shelly made good his escape but was believed to be mortally wounded. That's what Neal thought until he received a letter from Ed Shelly declaring that he would be back someday to settle the score. Eight years later, Neal is married with a young daughter and has taken over the town bank. Cascade City is in the midst of a crisis brought about by Ben Darley and Tuck Shelton, promoters of an irrigation project that is an obvious scam, though it isn't obvious to most people in town or the surrounding ranching community. There is even talk of lynching Neal for his adamant rejection of investment in the project. It is at this point that the letters from Ed Shelly start coming again, this time vowing revenge not on Neal himself but on his wife and daughter. There seems to be nothing Sheriff Joe Rolfe can do about it because there are no strangers in town except for the two promoters, both too old to be Ed Shelly. *The Man from Yesterday* is a gripping tale and a modern Western classic written by a Spur Award-winning author. Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West. Law at Angel's Landing Wayne D. Overholser, 2014-10-07 A gold rush threatens to break the peace of a quiet Colorado town. Angel's Landing was the mining town that grew up around a gold strike in the hills of Colorado. But the boom was long ago, and now the town is a whisper of what it once was. Mark Girard was a young boy when he witnessed firsthand what happened to a town when all of its residents vanished. It was a simple, quiet life that Mark had chosen to lead, and he and his closest friends much preferred it to the wild boom times. When the job as sheriff for Bremer County opened, Mark ran for the office and won. It was a relatively easy job until news broke that there was a new gold strike on Banjo Creek. It quickly became clear that the boom days were about to return, and with them, the wild lawlessness that accompanies a gold rush. Will Mark have the courage and the wits to keep Angel's Landing from descending into chaos? With *Law at Angel's Landing*, acclaimed Western author Wayne Overholser paints a vivid picture of untamed life in the American frontier.
